PRODUCT FEATURES

- **Multi-Level Design:** Provides a vertical territory for cats to climb, play, and rest.
- **Cozy Condos:** Includes two enclosed spaces for privacy and napping.
- **Scratching Posts:** Features multiple sisal-wrapped posts to satisfy natural scratching instincts and protect furniture.
- **Dangling Balls:** Equipped with attached toys for interactive play.
- **Sturdy Construction:** Made from solid particleboard and plush materials for durability and stability.
- **Ramp:** A corrugated ramp provides easy access for cats of all ages.

SETUP AND ASSEMBLY

Assembly is required for this cat tree. The package includes an instruction manual and all necessary tools. Follow the step-by-step guide provided with your product for proper installation.

1. Unpack all components and verify against the parts list in the included manual.
2. Assemble the base platform first, ensuring all screws are tightened securely.
3. Attach the scratching posts and platforms in the sequence indicated in the manual.
4. Install the cat condos and perches.
5. Attach the dangling balls to the designated areas.
6. For enhanced stability, utilize the included wall anchor strap to secure the cat tree to a wall.

Stable Durable

Protect the safety of the cat

OPERATING INSTRUCTIONS

The Yaheetech Multi-Level Cat Tree is designed to provide a stimulating and comfortable environment for your cats. Encourage your cats to explore the various levels and features.

- **Climbing and Exploration:** Cats can use the multiple platforms and ramp to climb and explore.
- **Resting:** The cozy condos and top perches offer comfortable spots for napping and observation.
- **Scratching:** Direct your cat to use the sisal-wrapped posts for scratching to maintain claw health and protect household items.
- **Play:** The dangling balls provide an interactive element for play. These can be removed or replaced with other toys if desired.

MAINTENANCE

Regular maintenance will extend the life of your cat tree and keep it hygienic for your pets.

- **Cleaning:** The plush fabric covering can be machine washed. Refer to the care label for specific washing instructions. Regularly vacuum the surfaces to remove loose fur and debris.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **Scratching Post Condition:** Monitor the condition of the sisal scratching posts. Replace if heavily worn to continue providing an effective scratching surface.

TROUBLESHOOTING

If you encounter any issues with your cat tree, consider the following:

- **Wobbling:** Ensure all screws are fully tightened. If the tree is placed on an uneven surface, adjust its position or use shims. Always use the wall anchor strap for maximum stability.
- **Cat Disinterest:** Introduce catnip to the tree or place favorite toys on different levels to encourage exploration.
- **Damaged Parts:** Contact Yaheetech customer support for replacement parts if any components are damaged or missing.
