AnkrS GXZ-X909

AnkrS Smart WiFi Essential Oil Scent Diffuser & Humidifier User Manual

Model: GXZ-X909

INTRODUCTION

Thank you for choosing the AnkrS Smart WiFi Essential Oil Scent Diffuser & Humidifier. This device combines aromatherapy with smart home technology, offering a relaxing and customizable experience. Please read this manual thoroughly before use to ensure proper operation and maintenance.

PRODUCT OVERVIEW

The AnkrS Smart Diffuser features a nature-inspired design and a large capacity for extended use. Key features include:

- **Large Capacity:** 600ml water tank provides up to 15 hours of continuous mist.
- **Smart Control:** Compatible with Smart Life app, Google Home, and Alexa for remote and voice control.
- **Ultrasonic Technology:** Utilizes ultrasonic vibration for quiet operation (less than 29dB) and efficient mist generation.
- **Multi-color LED Light:** Features a 7-color RGB LED light with various effects, customizable via the app.
- **Mist Output Modes:** Adjustable mist output (high/low) and interval spray mode.
- **Safety Features:** Automatic shut-off when water runs out, constructed with BPA-free materials.

SETUP

- 1. Unpack:** Carefully remove the diffuser and all accessories from the packaging. Ensure all components are present: diffuser unit, power adapter, and user manual.
- 2. Placement:** Place the diffuser on a flat, stable, and water-resistant surface away from direct sunlight or heat sources.
- 3. Fill Water Tank:**
 - Remove the top cover of the diffuser.
 - Pour clean tap water into the water tank. Do not exceed the maximum water level line (600ml).
 - Add 6-12 drops of your preferred essential oil directly into the water tank. Adjust the quantity based on desired aroma intensity (1-2 drops per 100ml of water).
 - Securely replace the top cover.

4. **Connect Power:** Plug the power adapter into the DC input port at the bottom of the diffuser, then plug the adapter into a standard wall outlet. The charger is usually located inside the diffuser unit upon unboxing.

OPERATING INSTRUCTIONS

Manual Control

- **Power On/Off:** Press the "LIGHT" button to turn on the diffuser. Press and hold the "MIST" button to turn off the diffuser.
- **Mist Control:** Press the "MIST" button repeatedly to cycle through mist modes:
 - One press: Continuous mist (High)
 - Two presses: Continuous mist (Low)
 - Three presses: Interval spray (e.g., 30 seconds on, 30 seconds off)

3 Modes of Mist

• • •

- **Light Control:** Press the "LIGHT" button to cycle through the 7 LED colors. Press and hold to turn off the light.
- **Timer Function:** The diffuser can be set to operate for specific durations or on a schedule via the Smart Life app.
- **Auto Shut-off:** The diffuser will automatically turn off when the water level is too low, ensuring safety.

Smart Features (App & Voice Control)

The Ankrs Smart Diffuser offers advanced control options through the Smart Life app and voice assistants.

1. Smart Life App Setup:

- Download the "Smart Life" app from your smartphone's app store (iOS or Android).
- Register or log in to your Smart Life account.
- Add the device by following the in-app instructions. Ensure your Wi-Fi network is 2.4GHz, as the diffuser is compatible only with this frequency.
- Once connected, you can control mist output, LED colors, and set schedules directly from the app.

Remote Control

...

2. Voice Control (Alexa & Google Home):

- Link your Smart Life account to your Alexa or Google Home app.
- Discover new devices.
- Use voice commands such as:
 - "Alexa, turn on the diffuser."
 - "Hey Google, set diffuser light to blue."
 - "Alexa, turn off the diffuser mist."

MAINTENANCE

- **Regular Cleaning:** Unplug the diffuser and empty any remaining water. Wipe the inside of the water tank and the ultrasonic disc with a soft cloth. For stubborn residue, use a cotton swab dipped in white vinegar.
- **Avoid Water in Air Outlet:** Ensure no water enters the air outlet during cleaning or refilling.
- **Storage:** When not in use for an extended period, clean and dry the diffuser thoroughly before storing it in a cool, dry place.

TROUBLESHOOTING

Problem	Possible Cause	Solution
No mist or low mist output.	Insufficient water; ultrasonic disc dirty; air outlet blocked.	Add water; clean the ultrasonic disc; ensure air outlet is clear.
Diffuser does not power on.	Power adapter not connected; no power from outlet.	Check power connections; try a different outlet.
Cannot connect to Wi-Fi/App.	Incorrect Wi-Fi frequency; weak signal; app pairing issue.	Ensure Wi-Fi is 2.4GHz; move diffuser closer to router; restart app and diffuser, then try pairing again.
Plastic bowl deformation/cracking.	Material degradation over time.	This may indicate material wear. Ensure proper cleaning and avoid harsh chemicals. If severe, replacement may be necessary.

SPECIFICATIONS

Feature	Detail
Brand	Ankrs
