OPERATING INSTRUCTIONS

This umbrella features an automatic open and close mechanism for ease of use.

To Open the Umbrella:

1. Ensure the umbrella is pointing away from yourself and others.
2. Press the button located on the handle firmly. The canopy will automatically extend and lock into place.

To Close the Umbrella:

1. Ensure the umbrella is pointing away from yourself and others.
2. Press the same button on the handle. The canopy will automatically retract.
3. Once the canopy is retracted, manually push both ends of the umbrella together until it clicks into its fully closed position. This step is crucial for the automatic mechanism to reset for the next opening.
4. Wrap the securing strap around the folded canopy and fasten it.

MAINTENANCE

Proper care will extend the life of your vidaXL Automatic Folding Umbrella.

- **Drying:** Always allow the umbrella to dry completely in an open position before folding and storing it. This prevents mildew and preserves the fabric.
- **Cleaning:** If the canopy becomes dirty, wipe it gently with a damp cloth and mild soap. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the umbrella in a cool, dry place when not in use. Ensure it is fully dry before storing to prevent damage.

- **Avoid Force:** Do not force the umbrella open or closed manually if the automatic mechanism is engaged. Always use the button.

TROUBLESHOOTING

Umbrella does not open automatically:

- Ensure the umbrella was fully closed manually after its last use. The automatic mechanism requires the shaft to be fully retracted and clicked into place to reset.
- Check for any obstructions in the canopy or frame.

Umbrella does not close automatically:

- Ensure the button is pressed firmly.
- Check for any obstructions preventing the canopy from retracting.

If you experience persistent issues, please contact customer support.
