## Ankr's GXZ-X909

# Ankr's Smart Aroma Diffuser 600ml (Model GXZ-X909) User Manual

## 1. PRODUCT OVERVIEW

---

The Ankr's Smart Aroma Diffuser (Model GXZ-X909) is designed to disperse essential oils and humidify your environment. Featuring a 600ml water tank, smart home compatibility with Alexa and Google Home, and customizable LED lighting, this BPA-free diffuser offers a quiet and pleasant experience. It includes an automatic shut-off function for safety when the water level is low.

## 2. PRODUCT COMPONENTS

---

- Diffuser Unit (Base and Water Tank)
- Top Cover
- Power Adapter
- User Manual

## 3. SETUP INSTRUCTIONS

---

1. **Unpack and Clean:** Carefully remove the diffuser from its packaging. Wash all removable parts (water tank and cover) with warm, soapy water. Rinse thoroughly and dry.
2. **Fill Water Tank:** Place the diffuser on a flat, stable surface. Remove the top cover. Gently fill the 600ml water tank with clean tap water up to the maximum fill line. Do not overfill.
3. **Add Essential Oil (Optional):** If desired, add 3-5 drops of your preferred essential oil directly into the water tank. Adjust the amount based on personal preference and room size.
4. **Secure Cover and Connect Power:** Replace the top cover securely onto the diffuser unit. Connect the power adapter to the diffuser's power input, then plug the adapter into a standard electrical outlet.

Image 2: An overview of the diffuser's key features, including remote control, voice control, automatic shut-off, timer, three mist modes, and LED lighting.

## 4. OPERATING INSTRUCTIONS

### 4.1 Basic Operation

- **Power On/Off:** Press the 'Mist' button to turn on the diffuser. Press again to cycle through mist modes or turn off.

- **Mist Modes:** The diffuser offers three mist modes: Low, Medium, and High. Cycle through these modes by pressing the 'Mist' button.
- **LED Lighting:** Press the 'Light' button to turn on the LED light. Press again to cycle through solid colors or gradient modes. Hold the button to turn off the light.
- **Automatic Shut-off:** The diffuser will automatically turn off when the water in the tank runs out.

## 4.2 Smart Control (App & Voice)

The Ankr's Smart Aroma Diffuser is compatible with the Smart Life application, Amazon Alexa, and Google Assistant. It supports 2.4 GHz Wi-Fi (IEEE 802.11b/g/n) only.

1. **App Control:** Download the 'Smart Life' app from your smartphone's app store. Follow the in-app instructions to connect your diffuser to your home Wi-Fi network. Through the app, you can individually control mist intensity, LED lighting (on/off, color, brightness), and set timers or countdowns for operation.
2. **Voice Control:** Once connected to the Smart Life app, link your Smart Life account to Amazon Alexa or Google Assistant. You can then use voice commands such as:
  - "Alexa, turn on/off the diffuser."
  - "Hey Google, set diffuser mist to high."
  - "Alexa, change diffuser light to blue."

# Voice Control

"Alexa, turn on the diffuser"

"Ok"

*Image 3: Demonstrates voice control functionality with Amazon Alexa, allowing hands-free operation of the diffuser.*

# Multicolor LED Light

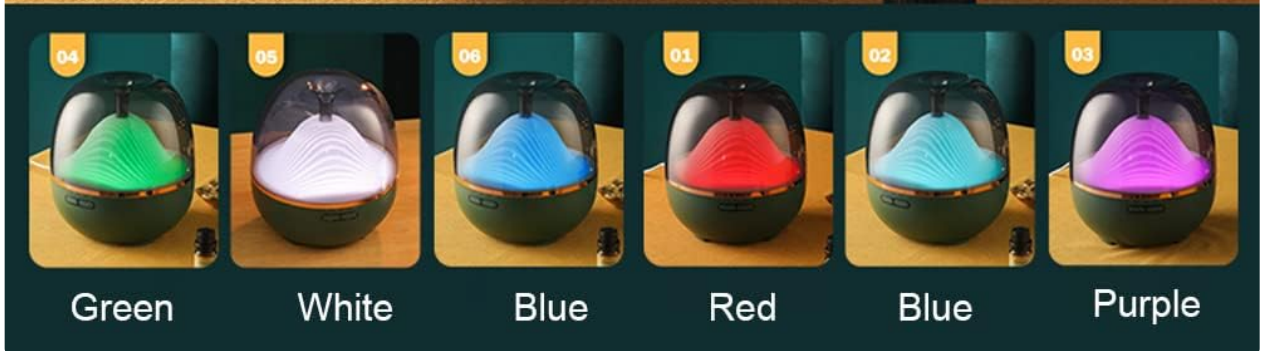

Image 4: Illustrates the multicolor LED light feature of the diffuser, showing various color options.

# Timer & Schedule

Image 5: Shows the timer and schedule function, allowing users to program the diffuser to turn on and off at specific times.

## 5. MAINTENANCE

Regular cleaning is essential to ensure optimal performance and longevity of your diffuser.

- **Daily Cleaning:** After each use, empty any remaining water from the tank. Wipe the inside of the water tank and the lid with a clean, soft cloth.
- **Weekly Deep Cleaning:** Disconnect the power. Remove the top cover. Add a small amount of white

vinegar (about 1 teaspoon) to the water tank and fill with clean water. Let it sit for 15-20 minutes. Drain the water and gently wipe the ultrasonic disc with a cotton swab to remove any mineral buildup. Rinse the tank thoroughly with clean water and dry all parts before reassembling.

- **Do Not:** Use harsh detergents, abrasive cleaners, or sharp objects to clean the diffuser. Do not immerse the main unit in water.

## 6. SAFETY WARNINGS

---

**Please read and follow these safety warnings carefully to prevent injury or damage to the product.**

- Avoid direct skin contact with undiluted essential oils.
- Keep out of reach of children and pets.
- Ensure proper ventilation when using the diffuser.
- Do not ingest essential oils.
- Always follow the instructions provided with the essential oils you are using.
- Do not place the diffuser on uneven surfaces or near heat sources.
- Only use the provided power adapter.
- Do not block the mist outlet.
- If the diffuser emits an unusual smell or sound, immediately unplug it and discontinue use.

## 7. TROUBLESHOOTING

---

If you encounter issues with your Ankr's Smart Aroma Diffuser, please refer to the following common solutions:

Problem	Possible Cause	Solution
No mist or weak mist	Low water level; water tank or ultrasonic disc dirty; mist outlet blocked.	Refill water to max line; clean the water tank and ultrasonic disc; ensure mist outlet is clear.
Diffuser does not power on	Power adapter not connected; no power from outlet.	Ensure power adapter is securely plugged into both the diffuser and the wall outlet; test the outlet with another device.
Smart control not working	Incorrect Wi-Fi network (not 2.4 GHz); app not properly linked; diffuser not in pairing mode.	Verify your Wi-Fi is 2.4 GHz; re-link Smart Life app with Alexa/Google Home; follow app instructions to put diffuser in pairing mode.
Unusual noise	Water level too low; diffuser not on a flat surface.	Add water; place the diffuser on a stable, flat surface.

If the problem persists after attempting these solutions, please contact customer support.

## 8. SPECIFICATIONS

---

Feature	Specification
Brand	Ankrs
Model Number	GXZ-X909
Color	Green
Dimensions (L x W x H)	15.24 x 17.78 x 15.24 cm
