SoBuy BZR55-DG

SoBuy BZR55-DG Wall Cabinet with Mirror and Louvered Door Instruction Manual

1. Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your SoBuy BZR55-DG Wall Cabinet. Please read these instructions carefully before beginning assembly and retain them for future reference. This cabinet is designed for bathroom use, offering both storage and a mirror in a compact, wall-mounted design.

2. Safety Information

- Always follow the assembly instructions precisely. Incorrect assembly can lead to instability and potential injury.
- Ensure the wall you intend to mount the cabinet on is suitable for supporting its weight (8.5 kg) plus the maximum load capacity (25 kg). Use appropriate wall anchors for your wall type (e.g., drywall, concrete, tile).
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Do not overload the cabinet shelves. The maximum weight capacity is 25 kg.
- Regularly check all screws and fittings to ensure they remain tight.
- Avoid placing hot items directly on the cabinet surface.

3. Package Contents

Before assembly, verify that all components are present and undamaged. Refer to the parts list provided in the separate assembly guide included with your product. Typically, the package includes:

- Cabinet panels (top, bottom, sides, back)
- Louvered door and mirror door
- Adjustable shelves
- Hinges, handles, and all necessary assembly hardware (screws, dowels, wall anchors)
- Assembly instructions

4. Setup and Assembly

This cabinet requires self-assembly and wall mounting. Follow the step-by-step instructions provided in the separate assembly manual included in the packaging. A general overview of the process includes:

1. **Unpack and Identify Parts:** Lay out all components on a clean, soft surface to prevent scratches. Identify each part using the provided labels and diagrams.
2. **Assemble the Cabinet Frame:** Connect the side panels to the top and bottom panels using the designated hardware.
3. **Install Back Panel:** Secure the back panel to the assembled frame.
4. **Attach Doors:** Mount the louvered door and the mirror door using the hinges. Ensure they open and close smoothly.
5. **Install Handles:** Attach the handles to the doors.
6. **Insert Adjustable Shelves:** Place the shelf supports at your desired height and insert the shelves.
7. **Wall Mounting:**
    - Choose a suitable location on a sturdy wall.
    - Mark the drilling points accurately according to the assembly guide.
    - Drill holes and insert appropriate wall anchors.
    - Carefully lift and secure the cabinet to the wall using the provided mounting hardware. It is recommended to have two people for this step.

5. Operating and Usage

The SoBuy BZR55-DG wall cabinet is designed for practical storage in your bathroom.

- **Storage:** Utilize the interior compartments and adjustable shelves to store various bathroom essentials such as towels, cosmetics, and personal care items.
- **Adjustable Shelves:** The shelves can be repositioned to accommodate items of different heights. Simply remove the shelves, adjust the shelf supports to the desired level, and reinsert the shelves.
- **Mirror Functionality:** The mirror door provides a convenient reflection for daily routines.
- **Ventilation:** The louvered door promotes air circulation within the cabinet, which helps to prevent moisture buildup and potential mold growth, especially in a bathroom environment.

Figure 6: Detail of the louvered door for ventilation.

6. Maintenance

- **Cleaning:** Wipe the cabinet surfaces with a dry, soft cloth. For stubborn marks, a slightly damp cloth followed by a dry cloth can be used. Avoid abrasive cleaners or harsh chemicals, as these can damage the lacquered finish and mirror.
- **Mirror Care:** Clean the mirror with a standard glass cleaner and a soft, lint-free cloth.
- **Hardware Check:** Periodically check all screws, hinges, and wall mounting hardware to ensure they are secure. Tighten any loose fittings to maintain stability.
- **Moisture Control:** While the louvered door aids ventilation, ensure the bathroom is adequately ventilated to minimize excessive moisture exposure to the cabinet.

7. Troubleshooting

- **Wobbly Cabinet:** Ensure all assembly screws are tightened. If wall-mounted, re-check the wall anchors and mounting screws for security.
- **Doors Not Aligning:** Check that hinges are correctly installed and tightened. Some hinges may offer minor adjustment screws for alignment. Refer to the specific assembly guide for hinge adjustment

details.

- **Missing Parts:** If any parts are missing upon unpacking, contact SoBuy customer support immediately with your product model number and a description of the missing part.
- **Damage During Assembly:** If a part is damaged during assembly, stop and contact customer support for assistance.

8. Specifications

Feature	Specification
Model Number	BZR55-DG
Brand	SoBuy
Color	Dark Grey
Material	MDF (E1) Lacquered, Engineered Wood
Product Dimensions (D x W x H)	15 cm x 65 cm x 49 cm
Item Weight	8.5 kg
Maximum Weight Capacity	25 kg
Mounting Type	Wall Mount
Number of Doors	2
Number of Compartments	3 (with adjustable shelves)
Special Features	2-in-1 design (cabinet & mirror), Louvered door for ventilation, Adjustable shelves
Care Instructions	Wipe with a dry cloth
Assembly Required	Yes (Self-assembly)
