ACREO A8

ACREO OpenBuds True Wireless Open Ear Headphones

Model: A8
Manufacturer: ACREO

1. INTRODUCTION

The ACREO OpenBuds are a new generation of true open-ear wireless earbuds designed for comfort and stability during various activities. They feature ear hooks for a secure fit and an open-ear design that allows you to remain aware of your surroundings while enjoying high-quality audio. These earbuds are built with advanced acoustic technology to deliver a powerful sound experience.

ENJOY YOUR MUSIC AND MONITOR THE SURROUND

So Convenient for Running, Sport and Workout Outdoor

3. SETUP & PAIRING

Follow these steps to set up and pair your ACREO OpenBuds for the first time:

1. **Power On:** Open the charging case. The earbuds will automatically power on and enter pairing mode.
2. **Activate Bluetooth:** On your smartphone or device, enable Bluetooth.
3. **Connect:** In your device's Bluetooth menu, search for "ACREO OpenBuds" and select it to connect.
4. **Automatic Reconnection:** After the first successful connection, the earbuds will automatically connect to the most recently paired device when removed from the case.

4. OPERATING CONTROLS

The ACREO OpenBuds feature a single physical button on each earbud for controlling various functions:

- **Power On/Off:** Press and hold either earbud for 5 seconds.
- **Play/Pause:** Short press either earbud once.
- **Volume Up:** Double press the Right earbud.
- **Volume Down:** Double press the Left earbud.
- **Next Track:** Long press the Right earbud for 2 seconds.
- **Previous Track:** Long press the Left earbud for 2 seconds.
- **Activate Voice Assistant (Siri):** Triple press either earbud.
- **Answer/Hang Up Call:** Short press either earbud once.
- **Reject Call:** Long press either earbud.

5. CHARGING

The ACREO OpenBuds charging case supports both USB-C cable charging and wireless charging. The earbuds provide up to 6 hours of playtime on a single charge, and the charging case extends total playtime to up to 18 hours.

- **Charging the Case:** Connect the provided USB-C cable to the charging port on the case, or place the case on a compatible wireless charging pad. Four white indicator lights on the case will show the charging status.
- **Charging the Earbuds:** Place the earbuds into the charging case. They will automatically begin charging.

- **Charging Time:** Approximately 1.5 hours for a full charge.

6. MAINTENANCE & DURABILITY

The ACREO OpenBuds are designed for durability and reliability, featuring IPX7 waterproofing. This makes them suitable for active lifestyles and various weather conditions.

- **IPX7 Waterproof:** The earbuds are sweat-proof, splash-proof, and rainproof. They are ideal for workouts, running, and other sports activities.
- **Cleaning:** Regularly wipe the earbuds and charging case with a soft, dry cloth to remove sweat, dirt, or debris.
- **Storage:** Store the earbuds in their charging case when not in use to protect them and ensure they remain charged.

8. TROUBLESHOOTING

If you encounter any issues with your ACREO OpenBuds, try the following troubleshooting steps:

- **No Sound/Connection Issues:** Ensure both earbuds are charged and correctly paired with your device. Try turning Bluetooth off and on again on your device.
- **Manual Power On/Off:** If earbuds do not power on automatically, press and hold either earbud for 5 seconds to manually turn them on or off.
- **Factory Reset:** If persistent issues occur, perform a factory data reset. Refer to the user manual for specific instructions on how to press the function button seven times to restore factory settings.
- **Low Latency Mode:** If experiencing audio delay, press the function button four times to switch between Low Latency Mode and Music Mode.

9. WARRANTY AND SUPPORT

ACREO products are designed for reliability and user satisfaction. For warranty information, technical support, or any product-related inquiries, please refer to the contact details provided in your user manual or visit the official ACREO website.
