Safety Information

Adherence to the following safety guidelines is crucial for preventing injury and damage to the product:

- Do not exceed the maximum weight limit of **160 lbs** on the table.
- Always assemble the table strictly according to the provided instructions to ensure stability and safety.
- Ensure all screws are securely tightened before use.
- Place the table on a flat, level surface to prevent tipping.

PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged:

- Pre-assembled Tabletop (1)
- Bottom Shelf (1)
- Legs (4)
- Screws (8)
- Assembly Tool (1)
- Assembly Instructions (This manual)

WEATHER RESISTANT

Not be damaged when exposed to the elements.

LOW MAINTAINENCE

The fade-resitant makes it always attractive.

EASY TO CLEAN

Wiped away stains easily with soapy water.

SETUP AND ASSEMBLY INSTRUCTIONS

The LUE BONA Adirondack Outdoor Side Table is designed for minimal and straightforward assembly. The desktop is

pre-assembled, requiring only 8 screws to complete the setup.

Required Tools:

- Included Assembly Tool (e.g., Allen wrench)

Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging and place them on a clean, soft surface to prevent scratches. Refer to the 'Package Contents' section to ensure all parts are present.
2. **Attach Legs to Tabletop:** Position the pre-assembled tabletop upside down. Align the four legs with the designated attachment points on the underside of the tabletop. Insert screws and partially tighten them using the provided assembly tool.
3. **Attach Bottom Shelf:** Align the bottom shelf with the lower attachment points on the legs. Insert the remaining screws and partially tighten them.
4. **Final Tightening:** Once all components are in place, gradually tighten all 8 screws completely. Ensure the table is stable and all connections are secure. Do not overtighten.
5. **Upright Position:** Carefully turn the table upright. It is now ready for use.

PRODUCT FEATURES

The LUE BONA Adirondack Outdoor Side Table offers several features designed for durability and convenience:

- **Compact Size:** Measures 12.9" D x 16.1" W x 16.7" H, making it an ideal companion for Adirondack chairs or other outdoor seating.
- **Stable Two-Tier Structure:** Provides additional storage space for items such as books, drinks, or small decor. The tabletop can support a maximum weight of 160 lbs.
- **Weather Resistant:** Constructed from HDPS material, this table is designed to withstand various weather conditions. It resists fading, rusting, and peeling, and its slatted design helps water drain quickly, keeping the surface dry.
- **Versatile Use:** Suitable for both indoor and outdoor environments, including patios, gardens, lawns, terraces, pool areas, living rooms, bedrooms, and kitchens. It can function as an end table or a plant stand.

CARE AND MAINTENANCE

To maintain the appearance and longevity of your LUE BONA Adirondack Outdoor Side Table, follow these simple care instructions:

- **Cleaning:** Wipe the table with a damp cloth to remove dust and dirt. For more stubborn stains, use a mild soap solution and rinse thoroughly. Finish by wiping with a dry cloth.
- **Low Maintenance:** The HDPS material is designed to be fade-resistant and requires minimal upkeep. Avoid harsh chemicals or abrasive cleaners that could damage the surface.
- **Weather Protection:** While weather-resistant, storing the table indoors or covering it during extreme weather conditions (e.g., heavy snow, prolonged freezing temperatures) can further extend its lifespan.

Image: A close-up showing water beading on the table's surface and a hand wiping it dry, illustrating the table's waterproof and easy-to-clean properties.

TROUBLESHOOTING

If you encounter any issues with your LUE BONA Adirondack Outdoor Side Table, consider the following common solutions:

- **Table Instability:** If the table wobbles or feels unstable after assembly, re-check all screw connections. Ensure each screw is fully tightened. Also, verify that the table is placed on a flat and level surface.
- **Missing Parts:** If any parts were missing upon unboxing, please refer to the 'Warranty and Support' section for contact information.
- **Surface Damage:** For minor scratches or blemishes, the durable HDPS material is generally resistant. Avoid attempting to sand or paint the surface, as this may void any potential warranty.

SPECIFICATIONS
