HomeSpot HS-JM100

HomeSpot JM100 Trucker Bluetooth Headset User Manual

Your guide to clear communication with AI Noise Canceling technology.

Product Overview

The HomeSpot JM100 is a wireless Bluetooth headset engineered for superior audio clarity and comfort, especially in noisy environments. It integrates advanced AI noise-canceling technology to ensure your voice remains crystal clear during calls. Designed for extended use, this headset offers versatile compatibility with a wide range of devices and communication platforms, making it ideal for trucking, home office, and call center professionals.

Key Features

- **Superior AI Noise Cancellation:** Equipped with advanced AI noise-canceling technology which filters out 96% of ambient noises, keeping your voice crystal clear during calls.

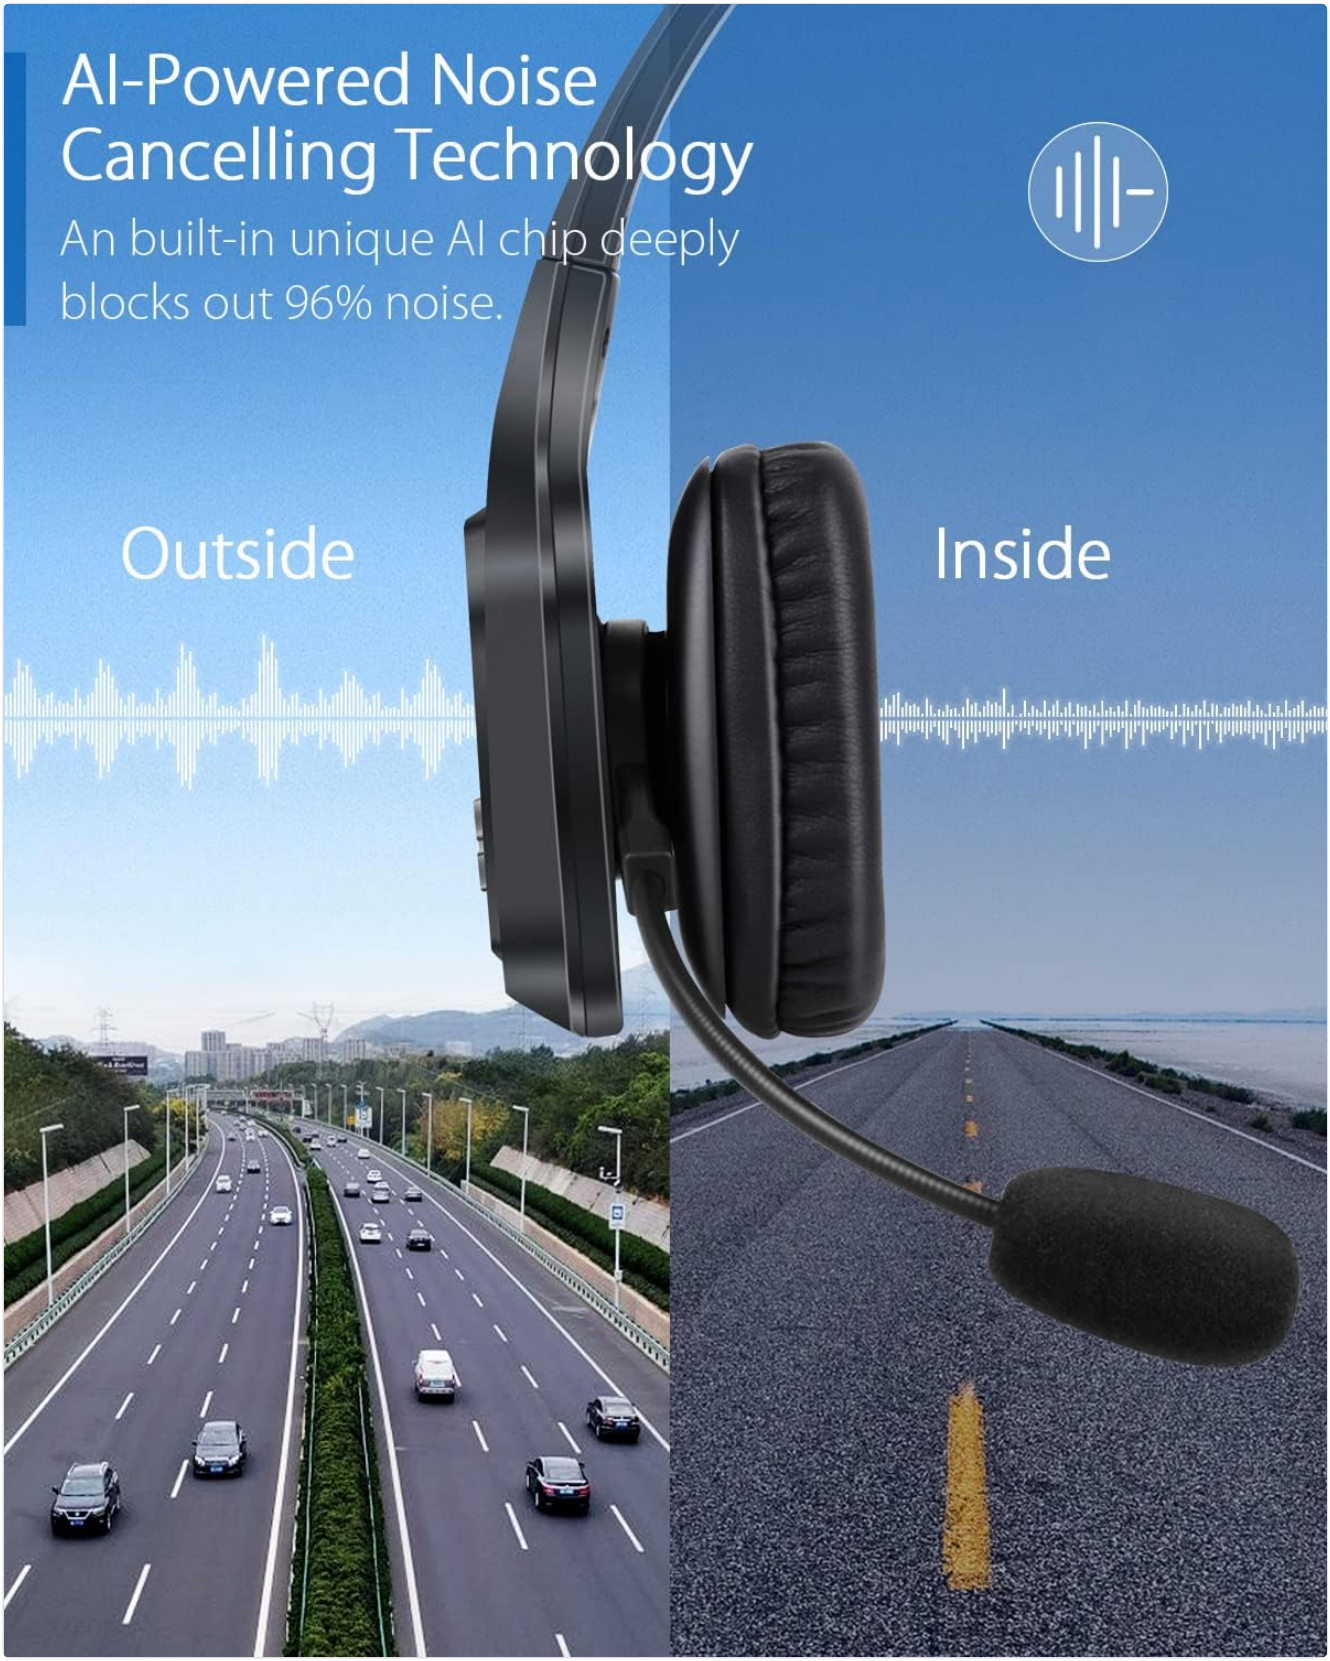

Image: Visual representation of AI noise canceling technology, showing reduced noise from outside compared to inside the headset.

- **Stable Connection:** Powered by Qualcomm QCC3020 Bluetooth chipset, providing a trouble-free connection with your smart devices, even when two Bluetooth devices are connected to the headset simultaneously.

Image: Close-up of the headset highlighting the internal Qualcomm QCC3020 chipset for stable connectivity.

- **Excellent Battery Life:** Up to 34 hours of talk time and 100+ hours of standby time on a single charge.

Image: Diagram illustrating the headset's battery performance, including 34 hours talk time, 85 hours standby, and 1.5 hours charging time.

- **Made for Prolonged Usage:** Softly cushioned ear cup and adjustable headband makes it ideal for long driving trip. The 270° rotatable boom microphone lets you wear the headset on either side. A BIG and easy-to-reach mute button allows you to mute and un-mute your voice quickly and safely. Built-in battery level voice prompt lets you check the headset battery level without fiddling with the phone.

Super Comfortable and Easy Controllable

270° rotatable microphone arm, stretchable headband, anti-slip pad and velvety ear cushion.

Setup Guide

What's in the Box

- HomeSpot Wireless Mono Headsets (JM-100) x 1
- USB-C Charging Cable x 1
- User Manual x 1
- Thank You Card x 1

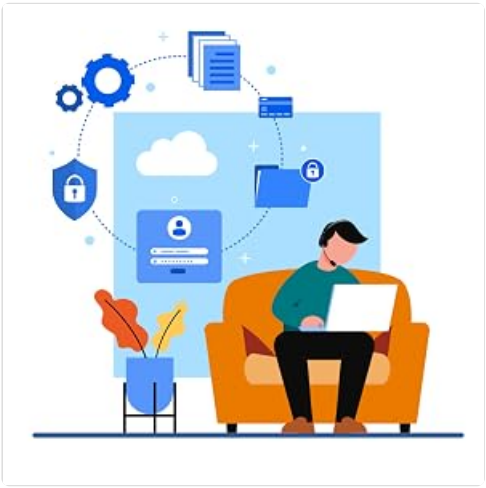

Image: Contents of the product package including the headset, USB-C cable, and user manual.

Charging the Headset

1. Connect the provided USB-C charging cable to the charging port on the headset.
2. Connect the other end of the USB-C cable to a compatible USB power source (e.g., computer USB port, wall adapter).

3. The LED indicator on the headset will show charging status. A full charge takes approximately 1.5 hours.
4. Once fully charged, the headset provides up to 34 hours of talk time.

Pairing the Headset

1. Ensure the headset is powered off.
2. Press and hold the Multi-function Button until the LED indicator flashes blue and red alternately, indicating pairing mode.
3. On your device (phone, PC, tablet), enable Bluetooth and search for new devices.
4. Select "HomeSpot JM100" from the list of available devices.
5. Once connected, the LED indicator on the headset will turn solid blue.
6. The headset supports dual device connection, allowing you to connect to two Bluetooth devices simultaneously.

Operating Instructions

Basic Controls

Button/Control	Function
Multi-function Button	Power On/Off, Play/Pause, Answer/End Call, Enter Pairing Mode
V+ / Next Button	Increase Volume, Next Track
V- / Previous Button	Decrease Volume, Previous Track
Mute Button	Mute/Unmute Microphone during a call

Microphone Adjustment

The boom microphone is rotatable by 270°, allowing you to wear the headset on either your left or right ear. Adjust the microphone arm so that the microphone is positioned close to your mouth for optimal voice pickup and noise cancellation.

Image: A person using the headset in a vehicle, demonstrating clear voice transmission despite background noise.

Maintenance

- **Cleaning:** Use a soft, dry cloth to clean the headset. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the headset in a cool, dry place away from extreme temperatures and direct sunlight.
- **Battery Care:** To prolong battery life, avoid fully discharging the headset frequently. Charge it regularly, even if not in use for extended periods.

- **Avoid Moisture:** Do not expose the headset to water or excessive moisture.

Troubleshooting

Problem	Solution
Headset does not power on	Ensure the headset is fully charged. Connect to a power source and try again.
Cannot pair with device	Ensure the headset is in pairing mode (flashing blue/red). Turn off and on Bluetooth on your device. Move closer to the headset.
No audio or low volume	Increase volume on both the headset and your connected device. Ensure the headset is properly connected.
Microphone not working	Ensure the microphone is not muted. Check microphone settings on your connected device.
Mute status not reflected in chat apps	This is a known limitation. The headset's mute button controls the headset's microphone directly, but the status may not synchronize with third-party voice chat applications.

Specifications

Feature	Detail
Model Name	HS-JM100
Noise Control	Hybrid Noise Cancellation (AI Noise Canceling)
Connectivity Technology	Bluetooth 5.0
