Bonnlo Twin Size Solid Wood Platform Bed Frame

Bonnlo Twin Size Solid Wood Platform Bed Frame Instruction Manual

Model: Twin Size Solid Wood Platform Bed Frame | Brand: Bonnlo

Safety Information Parts List Assembly Instructions Usage Guidelines Care & Maintenance Troubleshooting Specifications Warranty & Support

Important Safety Information

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- **Maximum Weight Capacity:** Do not exceed the maximum weight capacity of 264.5 lbs (120 kg).
- **Sharp Edges:** Exercise caution around sharp edges during assembly and use.
- **Stable Surface:** Ensure the bed frame is assembled on a flat, stable surface.
- **Tighten All Fasteners:** Regularly check and tighten all bolts and screws to ensure stability.
- **Children's Safety:** Keep small parts away from children during assembly.

Parts List

Before beginning assembly, ensure all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

Figure 1: Exploded view of the bed frame with labeled parts and dimensions.

This diagram illustrates all individual components of the bed frame, including the headboard, footboard, side rails, and slats, along with their respective dimensions and the overall assembled dimensions.

Figure 2: Detail of the wood slats and central support legs.

A close-up view highlighting the 12 wood slats and the additional middle support legs designed to enhance load capacity and mattress stability.

Typical components include: Headboard, Footboard, Side Rails, Wood Slats, Center Support Legs, and various fasteners

(screws, bolts, washers, Allen wrench).

Assembly Instructions

Follow these steps carefully for proper assembly. It is recommended to have two people for assembly.

1. **Unpack and Identify:** Carefully unpack all components and identify them using the provided parts list and diagrams. Place them on a soft, clean surface to prevent scratches.
2. **Attach Headboard:** Attach the headboard to the bed frame using the provided screws and tools. Ensure all connections are secure.
3. **Connect Footboard:** Connect the footboard to the bed frame, aligning the pre-drilled holes and fastening with the appropriate hardware.
4. **Install Side Rails:** Secure the side rails between the headboard and footboard. Make sure they are firmly attached.
5. **Secure Bed Slats:** Place the 12 wood slats across the bed frame. Ensure they are evenly spaced and securely fastened to the side rails. The gap between each slat is approximately 3.94 inches.
6. **Install Middle Legs:** Attach the extra middle support legs to the central beam or slats as indicated in the diagram to enhance load capacity.
7. **Final Check:** Ensure all parts are tightly fastened and the bed is stable before placing a mattress on it.

Figure 3: Headboard connection detail.

This image shows a close-up of the headboard's top post, illustrating how components connect securely.

Figure 4: Bed frame leg detail.

A detailed view of one of the bed frame's legs, demonstrating its sturdy construction and connection point to the side rail.

Usage Guidelines

The Bonnlo Twin Size Solid Wood Platform Bed Frame is designed for direct mattress placement, eliminating the need for a box spring.

- **Mattress Placement:** Place your twin-size mattress directly onto the wood slats.
- **Underbed Storage:** The 11.5-inch clearance between the bed slats and the floor provides convenient space for storage bins or other items.
- **Even Weight Distribution:** Avoid concentrating weight in one area to prevent damage to the slats or frame.

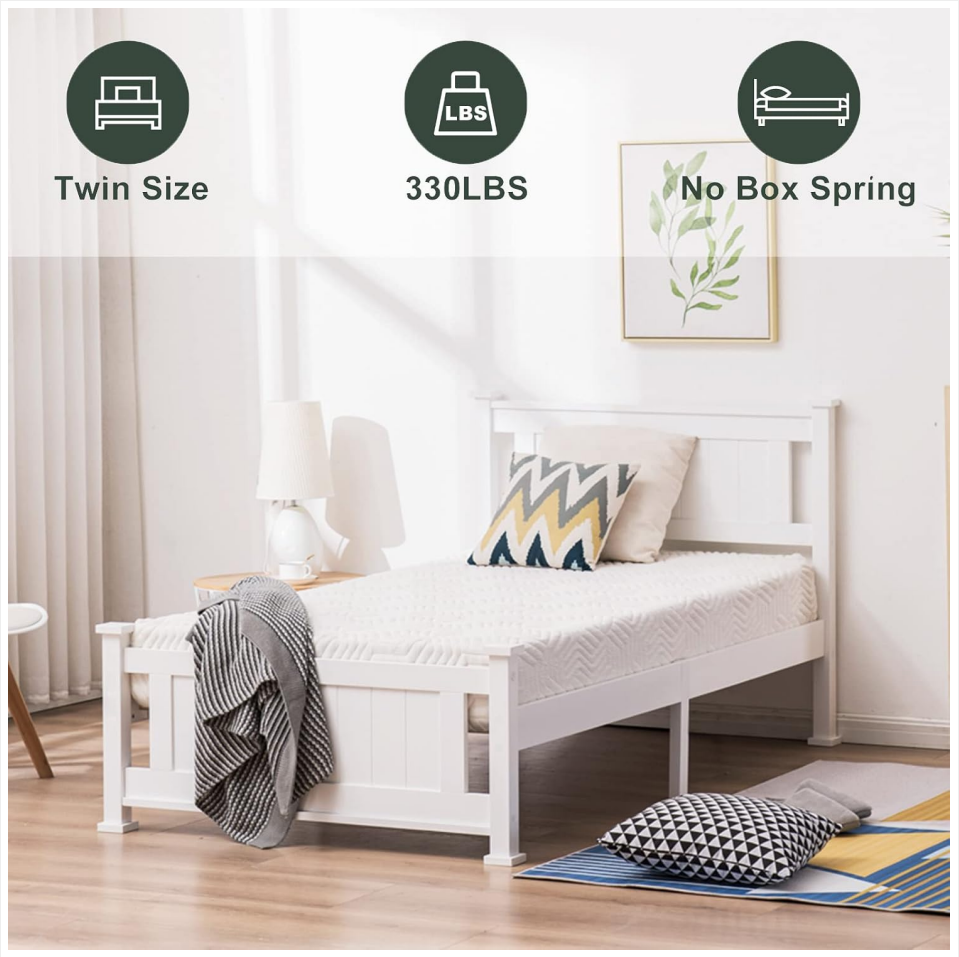

Figure 5: Bed frame ready for use with a mattress.

This image shows the assembled bed frame with a mattress placed directly on the slats, demonstrating its platform design that does not require a box spring.

Figure 6: Illustration of underbed storage space.

This image highlights the generous 11.5-inch clearance beneath the bed frame, ideal for storing various items in boxes or containers.

Care and Maintenance

Proper care will extend the life and appearance of your bed frame.

- **Cleaning:** Wipe the wood frame with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the painted finish.
- **Regular Inspection:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten if necessary to maintain structural integrity.
- **Avoid Excessive Moisture:** Keep the bed frame away from excessive moisture or humidity to prevent warping or damage to the wood.
- **Protect from Direct Sunlight:** Prolonged exposure to direct sunlight may cause fading or discoloration of the finish.

Troubleshooting

If you encounter any issues with your bed frame, refer to the following common solutions:

Problem	Possible Cause	Solution
Bed frame feels unstable or wobbly.	Loose fasteners (bolts/screws).	Check all assembly points and tighten any loose bolts or screws. Ensure all parts are correctly aligned.

Problem	Possible Cause	Solution
Slats are coming loose or breaking.	Improper installation of slats; excessive weight or impact.	Ensure slats are properly nailed or screwed into place. Avoid jumping on the bed. Verify weight capacity is not exceeded. Contact support for replacement slats if damaged.
Missing parts upon arrival.	Packaging error or transit damage.	Immediately contact Bonnlo customer support with your order details to arrange for replacement parts.

Product Specifications

Size: Twin
Product Dimensions (L x W x H): 78.54" x 42.52" x 37.79" (Headboard height) x 19.69" (Footboard height)
Inner Frame Size (W x L): 38.98" x 73.94"
Height between bed slat and floor: 9 inches (clearance for storage: 11.5 inches)
Special Feature: No Box Spring Needed
Color: White
Finish Type: Painted
Included Components: Headboard, Footboard, Side Rails, Wood Slats
Compatible Mattress Size: Twin
Brand: Bonnlo
Furniture Finish: Pine
Assembly Required: Yes
Manufacturer: Bonnlo
Form Factor: Rectangular Bed Frame with Headboard and Footboard
Headboard Material: Pine Wood
Item Weight: 43 pounds
Maximum Load Capacity: 264.5 lbs (120 kg)
Material: Engineered Wood, Pine Wood
Style: Platform
