IKIFLY Full Size LED Bed Frame

IKIFLY Modern Full Size LED Bed Frame User Manual

Model: Full Size LED Bed Frame

Introduction

Thank you for choosing the IKIFLY Modern Full Size LED Bed Frame. This bed frame is designed to provide comfort and convenience with its adjustable headboard, integrated LED lighting, and practical USB charging ports. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure optimal use of your new bed frame.

Safety Instructions

- Read all instructions carefully before assembly and use.
- Keep all small parts and packaging materials away from children.
- Ensure all connections are secure before use. Periodically check and tighten all bolts and screws.
- Do not exceed the maximum weight capacity of 550 lbs (approximately 250 kg).
- Use only the recommended mattress thickness of 8-12 inches for proper headboard adjustment.
- Avoid exposing electrical components (LED lights, USB ports) to moisture.
- Do not attempt to modify the product. Any modifications may void the warranty and pose safety risks.

Package Contents

Your IKIFLY bed frame package includes all necessary parts, hardware, and tools for assembly. Please verify that all components are present and undamaged before beginning assembly. Refer to the included parts list in your physical manual for specific item identification.

Setup and Assembly

Assembly is designed to be straightforward with numbered parts and clear instructions. It is recommended to assemble the bed frame with two people. No box spring is needed for this platform bed.

Image: Fully assembled IKIFLY Full Size LED Bed Frame in a bedroom setting.

Important Assembly Tip: When installing screws, do not tighten one side completely before securing the other. Loosely fasten all screws first, then gradually tighten them once all parts are aligned and in place. This prevents misalignment and ensures a stable structure.

Adjustable Headboard Assembly

The headboard height can be adjusted to accommodate different mattress thicknesses. Ensure the headboard is set to your desired height during assembly.

Operating Instructions

LED Lighting System

The integrated LED lights offer customizable ambiance for your bedroom. Use the provided remote control to manage the lighting features.

- **Colors:** Choose from 16 different colors.
- **Brightness:** Adjust the intensity with 6 brightness settings.
- **Patterns:** Select from 4 lighting patterns to suit your mood.

USB Charging Ports

The headboard is equipped with two USB ports for convenient charging of your electronic devices.

- Locate the USB ports on both sides of the headboard.
- Connect your mobile phone, tablet, or other USB-powered devices for charging.

Maintenance

- **Cleaning:** For the faux leather upholstery, wipe with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Dusting:** Regularly dust the bed frame with a dry, soft cloth.
- **Hardware Check:** Periodically inspect all bolts and screws to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Electrical Components:** Keep the LED strip and USB ports clean and dry. Do not immerse in water.

Troubleshooting

LED Lights Not Working

- **Check Power Connection:** Ensure the LED light strip is properly connected to its power source.

- **Remote Control Battery:** Verify that the remote control has a working battery. Replace if needed.
- **Remote Signal:** Ensure there are no obstructions between the remote and the LED receiver.

USB Ports Not Charging

- **Check Power:** Ensure the bed frame's main power connection (if applicable) is secure and receiving power.
- **Cable Connection:** Verify that your charging cable is fully inserted into both the USB port and your device.
- **Cable Functionality:** Test with a different USB cable to rule out a faulty cable.
- **Device Compatibility:** Ensure your device is compatible with standard USB charging.

Assembly Difficulties / Misalignment

- **Review Instructions:** Double-check the assembly steps and diagrams in your physical manual.
- **Loosen Screws:** If parts are misaligned, loosen all screws slightly, adjust the components, and then re-tighten them evenly.
- **Part Identification:** Ensure you are using the correct parts as indicated by their labels.

Specifications

Image: Diagram showing the full size bed frame dimensions (78.3"L x 56.9"W x 34"-41.7"H) and a weight capacity of 550 lbs.
