- USB Charging Cable

Setup

1. Initial Charging

Before first use, fully charge your aJAZZ speaker. Connect the included USB charging cable to the speaker's charging port and to a USB power source (e.g., computer, wall adapter). The charging indicator light will show charging status and turn off when fully charged. A full charge takes approximately 3 hours.

2. Powering On/Off

To power on the speaker, press and hold the power button (usually marked with the KREAFUNK 'K' logo) for a few seconds until you hear an audible cue or see the indicator light illuminate. To power off, press and hold the power button again until the speaker turns off.

3. Bluetooth Pairing

1. Ensure the speaker is powered on and in pairing mode (the indicator light may flash).
2. On your device (smartphone, tablet, laptop), go to Bluetooth settings.
3. Search for available devices and select "aJAZZ" from the list.
4. Once connected, the speaker will provide an audible confirmation, and the indicator light will typically become solid.

Operating Instructions

Playing Music

Once paired, you can play audio from your connected device. Use your device's media controls to play, pause, skip tracks, and adjust volume. The speaker's physical buttons may also offer basic playback control (refer to specific button functions in your speaker's quick start guide).

Stereo Pairing (True Wireless Stereo - TWS)

To achieve a wider soundstage and enhanced audio experience, you can pair two aJAZZ speakers together:

1. Ensure both aJAZZ speakers are powered on and not connected to any other Bluetooth device.
2. On one speaker (this will be your primary speaker), press and hold the power button until it enters TWS pairing mode (refer to your speaker's quick start guide for specific button press duration).
3. The two speakers will automatically search for and connect to each other. You will hear an audible confirmation once they are successfully paired in stereo.
4. Now, connect your device to the primary aJAZZ speaker via Bluetooth as described in the
