

AMT AMT1273

AMT Star Wars: Mandalorian Razor Crest 1:72 Scale Model Kit

Instruction Manual

1. INTRODUCTION

This manual provides detailed instructions for assembling and displaying your AMT Star Wars: Mandalorian Razor Crest 1:72 Scale Model Kit. This Skill 2 model kit faithfully recreates the iconic bounty hunter's transport from *Star Wars: The Mandalorian*. Designed for intermediate builders, it features detailed parts and screen-accurate design for an authentic display piece.

The kit contains 100 detailed parts and, once assembled, measures over 13 inches long. It offers options for displaying the model with cargo ramps and landing gear, or in an 'in-flight' position on the included stand.

2. SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small parts. Not for children under 3 years.

This product is a plastic model kit and contains small components. Adult supervision is recommended during assembly, especially for younger builders. Keep all parts and tools out of reach of small children.

Paint and cement are required for assembly and are not included in this kit. Always use these materials in a well-ventilated area and follow the manufacturer's safety instructions for paints and adhesives.

3. PACKAGE CONTENTS

Upon opening the box, please verify that all components are present. Your AMT Razor Crest model kit includes:

- Plastic model parts molded in gray (approximately 100 pieces)
- Clear parts for the cockpit
- Decal sheet with 'like-new' and weathered striping options
- Display stand
- Instruction manual (this document)

Figure 3.2: Back view of the model kit box, showing the included water-slide decals and options for displaying the model on a stand or with landing gear.

4. ASSEMBLY INSTRUCTIONS

Follow the numbered steps provided in the included diagrammatic instructions for precise assembly. The following points offer general guidance:

1. **Preparation:** Carefully remove all parts from the sprues using a hobby knife or sprue cutters. Clean any excess plastic (flash) from the parts with a hobby file or sandpaper.
2. **Cockpit Assembly:** The intricate cockpit includes detailed figures of the Mandalorian and Grogu. Assemble these components first. Use clear parts for the cockpit canopy.

Figure 4.1: Detailed view of the assembled cockpit interior, featuring The Mandalorian and Grogu.

3. **Main Hull Assembly:** Join the main hull sections. Ensure a snug fit before applying cement.
4. **Engine Nacelles:** Assemble the engine nacelles. The kit is suitable for custom lighting, with pre-drilled holes in the turbines for easy integration of LED components (lighting components not included).
5. **Landing Gear / Cargo Ramps:** Decide whether to display the model in a landed position or in-flight. The kit includes optional cargo ramps and landing gear that can be assembled in either deployed or retracted configurations.
6. **Painting:** Paint and cement are required and not included. Refer to reference images of the Razor Crest for accurate color schemes. The 'chrome' trim detail can be striped on with silver paint for added realism.

7. **Decal Application:** Apply the water-slide decals as per the instructions on the decal sheet. The kit includes both 'like-new' and weathered striping options to customize your model's appearance.

5. DISPLAY OPTIONS

Once assembled, your Razor Crest model can be displayed in two primary configurations:

- **In-Flight Display:** Use the included display stand to showcase the Razor Crest as if it were soaring through space. This option typically involves assembling the landing gear in a retracted position.
- **Landed Position:** Assemble the landing gear in the deployed position and optionally extend the cargo ramps to depict the ship on a planetary surface.

6. CARE AND MAINTENANCE

To ensure the longevity and appearance of your model:

- **Cleaning:** Dust your model regularly with a soft, dry brush or a can of compressed air. Avoid using harsh chemicals or abrasive materials, which can damage paint and plastic.
- **Handling:** Handle the model by its main body whenever possible to avoid stressing delicate parts.
- **Storage:** Store the model in a stable environment, away from direct sunlight, extreme temperatures, and

high humidity, which can cause warping or paint fading.

7. TROUBLESHOOTING TIPS

While assembling model kits, minor issues can sometimes arise. Here are some common tips:

- **Parts Not Fitting:** If parts do not fit perfectly, gently sand or trim the edges with a hobby knife. Test fit parts before applying cement.
- **Decals Not Sticking:** Ensure the surface is clean and smooth. Use a decal setting solution to help decals conform to irregular surfaces and adhere better. Apply a clear coat over decals once dry to seal them.
- **Paint Issues:** Always apply paint in thin, even coats. Allow each coat to dry completely before applying the next to prevent runs or uneven textures.

8. PRODUCT SPECIFICATIONS

Specification	Detail
Brand Name	AMT
Model Name	AMT Star Wars: Mandalorian Razor Crest 1:72 Scale Model Kit
Model Number	AMT1273
Scale	1:72 Scale
Item Weight	1.5 Pounds
Item Dimensions	14.5 x 3.5 x 10 inches (packaging)
Material Type	Plastic
UPC	849398050989
GTIN	849398050989
Assembly Required	Yes
Recommended Age	Adult (Manufacturer Minimum Age: 18 months)

9. WARRANTY AND SUPPORT

This product comes with a Manufacturer Warranty. For specific details regarding the warranty coverage and duration, please refer to the documentation included in your product packaging or contact AMT directly. For further assistance, questions about assembly, or to report missing/damaged parts, please contact AMT customer support. You can find more information and contact details by visiting the official AMT website or their store on Amazon: [AMT Store on Amazon](#).
