Razer Kraken BT Headset User Manual

Model: RZ04-03520300-R3M1

1. INTRODUCTION

The Razer Kraken BT Headset, Hello Kitty & Friends Edition, is a wireless Bluetooth headset designed for an immersive audio experience. It features custom-tuned drivers, a beamforming microphone, and is powered by Razer Chroma RGB for customizable lighting. This manual provides essential information for setting up, operating, and maintaining your headset.

Key Features:

- **Officially licensed Hello Kitty and Friends:** Reimagined with a heart of gold. Freshly baked with Razer Chroma RGB and a burst of stream-reactive lighting, this licensed headset is the perfect companion for those who speak from the heart.
- **Bluetooth 5.0:** When not in Gaming Mode, its wireless connection remains just as stable and uses less power—meaning the headset can last up to 20 hours with lighting on, or up to 50 hours with the lighting off.
- **40ms Low Latency Connection:** Activate Gaming Mode to boost the headset's wireless performance during competitive games, and be quicker to aim or react with audio and video that's even more in sync.
- **Custom-Tuned 40mm Drivers:** At its core, the headset provides a rich audio experience that increases your gaming enjoyment, pushing out clear trebles and midrange as well as deep, impactful bass.
- **Beamforming Microphone:** With a sweet spot for voice that's designed to pick up less noise from every other direction, the mic has no problems helping you sound as good as you look.

2. SETUP

2.1 Charging the Headset

Before first use, ensure your Razer Kraken BT Headset is fully charged. The headset comes with a Lithium Ion battery included. Connect the provided charging cable to the headset's charging port and a compatible USB power source. A full charge provides up to 50 hours of listening with lighting off, or up to 20 hours with lighting on.

40MS LOW LATENCY CONNECTION

For seamless sound and gaming advantaging

2.2 Bluetooth Pairing

The headset utilizes Bluetooth 5.0 for a stable and energy-efficient wireless connection. To pair your headset with a device:

1. Ensure the headset is powered off.
2. Press and hold the power button until the LED indicator flashes, indicating pairing mode.
3. On your device (smartphone, tablet, PC), enable Bluetooth and search for "Razer Kraken BT Headset".
4. Select the headset from the list of available devices to complete pairing.

For optimal gaming performance, activate Gaming Mode for a 40ms low latency connection, ensuring audio and video are perfectly synchronized.

BLUETOOTH 5.0

For a reliable, energy-efficient connection

3. OPERATING THE HEADSET

3.1 Audio Experience

The Razer Kraken BT Headset features custom-tuned 40mm drivers that deliver a rich audio experience. Enjoy clear trebles, balanced midrange, and deep, impactful bass for both movies and gaming.

CUSTOM-TUNED 40MM DRIVERS

For clear, immersive sound

3.4 Controls

The headset features intuitive media controls for easy management of audio playback and calls. Refer to the quick start guide included in the packaging for detailed button functions.

4. MAINTENANCE

To ensure the longevity and optimal performance of your Razer Kraken BT Headset, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to wipe down the headset. Avoid using harsh chemicals or abrasive materials. For earcups, gently wipe with a damp cloth and allow to air dry completely.
- **Storage:** When not in use, store the headset in a cool, dry place away from direct sunlight and extreme temperatures. The headset is foldable for compact storage.
- **Battery Care:** To preserve battery health, avoid fully discharging the battery frequently. Charge the headset regularly, even if not in constant use.

5. TROUBLESHOOTING

If you encounter issues with your Razer Kraken BT Headset, consider the following common solutions:

- **No Power:** Ensure the headset is fully charged. Connect it to a power source and check the charging indicator.
- **Cannot Pair:** Make sure the headset is in pairing mode (LED flashing). Disable and re-enable Bluetooth on your device. Ensure no other devices are currently connected to the headset.
- **No Sound/Poor Sound Quality:** Check the volume levels on both the headset and your connected device. Ensure the headset is selected as the audio output device. If using Gaming Mode, ensure your device supports the low latency connection.
- **Microphone Issues:** Verify the microphone is not muted. Check microphone settings on your connected device to ensure the headset's microphone is selected and input volume is adequate.
- **Intermittent Connection:** Ensure you are within the Bluetooth range of your device. Avoid obstacles that may interfere with the signal.

For further assistance, please refer to the official Razer support website or contact customer service.

6. SPECIFICATIONS

Feature	Specification
Model Name	Kraken
Connectivity Technology	Bluetooth 5.0, USB
Wireless Communication Technology	Bluetooth
Included Components	Headset, Cable, User Manual
