2. Safety Guidelines

Please observe the following safety guidelines during assembly and use of the TV stand:

- Always follow the assembly instructions carefully. Incorrect assembly can lead to instability and potential injury.
- Ensure all hardware is securely tightened before use. Periodically check and re-tighten fasteners as needed.
- Do not overload the shelves or the top surface of the TV stand. Refer to the specifications for weight limits.
- Place the TV stand on a level and stable surface to prevent tipping.
- Keep small parts and assembly hardware away from children and pets to prevent choking hazards.
- The glass doors are made of tempered glass for safety. Handle with care during assembly and avoid striking the glass.
- For added safety, consider securing the TV stand to a wall using anti-tip hardware (not included unless specified in package contents) to prevent accidental tipping, especially in homes with children.

3. Package Contents

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

5.2. Adjustable Shelves

The cabinets are equipped with adjustable shelves that can be set to three different heights. This flexibility allows you to customize the storage space to fit items of various sizes, such as books, tableware, or daily necessities. Shelves can also be removed if a larger open space is required.

5.3. Tempered Glass Doors

The four glass doors are constructed from tempered glass, which is designed to be more resistant to breakage and safer than regular glass. This feature allows for both display and protection of your items.
