One Fire WH-D04B

One Fire Bathroom Clock Night Light Instruction Manual

Model: WH-D04B | Brand: One Fire

INTRODUCTION AND OVERVIEW

The One Fire Bathroom Clock Night Light is a versatile plug-in device designed to enhance your bathroom experience with its multi-functional features. It serves as a dimmable night light, a clear digital clock, and a convenient shower timer, all controllable via a remote. With 10 levels of brightness and 3 light colors, it provides optimal illumination for various situations, from gentle night light to bright task lighting. Its sleek design ensures it does not obstruct other outlets, making it practical for any room.

SETUP

- Unpack:** Carefully remove the night light and remote control from their packaging.
- Plug In:** Insert the night light directly into a standard wall outlet. Ensure it is securely seated. The clock display will illuminate upon connection.
- Remote Control:** The remote control is pre-paired. If it does not respond, ensure the battery tab is removed (if present) or replace the battery.

2 Night Light Clocks + 2 Remotes

Super Easy to Operate

OPERATING INSTRUCTIONS

Setting the Time

The clock can be set using the buttons on the side of the unit or via the remote control. Use the 'Hour Setting Button' and 'Minutes Setting Button' on the unit, or the corresponding directional buttons on the remote, to adjust the time.

Light Control (Dimmable & Colors)

The night light offers 10 levels of dimmable brightness and 3 light colors (3500K Warm, 4500K Natural, 6000K White). Use the brightness adjustment buttons (+ / -) and light color button (**light bulb icon**) on the remote to cycle through settings and adjust intensity.

Remote & AUTO Timer

- More Convenient for Mom
- More Caring for Baby Sleeping

15min  30min  60min

Shower Timer

Utilize the built-in shower timer with options for 15, 30, or 60 minutes. Select the desired duration using the dedicated buttons on the remote control. The light will automatically turn off after the set time, allowing for peaceful sleep or timed activities.

Video: A demonstration of the night light's features, including brightness adjustment, color temperature changes, and the auto-off timer function, useful for setting sleep or shower durations.

MAINTENANCE

To ensure the longevity and proper functioning of your One Fire Bathroom Clock Night Light, follow these simple maintenance guidelines:

- **Cleaning:** Always unplug the device from the wall outlet before cleaning. Use a soft, dry cloth to gently wipe the surface. Do not use abrasive cleaners, solvents, or immerse the device in water.

- Storage:** If storing the device for an extended period, unplug it and keep it in a cool, dry place away from direct sunlight and extreme temperatures.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Clock display is off or incorrect.	Device not powered; Time not set.	Ensure the device is securely plugged into a working outlet. Refer to 'Setting the Time' section to adjust.
Light is not turning on/off or adjusting.	Remote control battery low/dead; Obstruction between remote and unit; Incorrect button pressed.	Replace remote control battery. Ensure clear line of sight. Press the correct light or power button.
Shower timer not working.	Timer not activated; Incorrect duration selected.	Press one of the timer buttons (15min, 30min, 60min) on the remote.

SPECIFICATIONS

- Model Number:** WH-D04B
- Product Dimensions:** 3.4"D x 3.4"W x 1.7"H
- Item Weight:** 0.51 Pounds (approx. 8.1 ounces)
- Light Source Type:** LED
- Light Colors:** 3 (Warm, Natural, White)
- Brightness Levels:** 10 (Dimmable)
- Lumen Output:** 90 Lumen
- Power Consumption:** 0.8W
- Control Method:** Remote Control
- Power Source:** Corded Electric (Plug-in)
- Material:** Polypropylene, Fireproof ABS
- Room Type:** Kitchen, Bathroom, Bedroom, Living Room
- Included Components:** Night Light Unit, Remote Control
