LEGO 10309

LEGO Botanical Collection Succulents Building Set (10309) Instruction Manual

Detailed instructions for assembly, arrangement, and care of your LEGO Succulents.

1. SETUP AND ASSEMBLY

This section guides you through the initial setup and assembly process for your LEGO Succulents set. Ensure all components are present before beginning construction.

1.1 Unpacking the Set

Carefully open the packaging and verify the contents. The set includes:

- 771 LEGO building elements.
- 3 separate instruction booklets for building 9 unique succulents.

Figure 1: The LEGO Botanical Collection Succulents set box, displaying the variety of plant models included.

1.2 Building Instructions

Follow the step-by-step instructions provided in the three booklets. Each booklet guides the assembly of three distinct succulent models. It is recommended to build one succulent at a time to ensure accuracy and enjoyment.

1.3 Assembly Demonstration Videos

For visual guidance during assembly, refer to the following official demonstration videos:

Video 1: A comprehensive demonstration of the LEGO Succulent Set 10309 assembly process.

Video 2: A review highlighting the assembly and features of the LEGO plant set.

2. ARRANGEMENT AND DISPLAY

The LEGO Succulents set is designed for versatile display options, allowing you to customize your arrangement.

2.1 Modular Design

Each succulent model is built on its own small, black container. These containers can be connected to form a larger display or separated for individual placement.

- **Combined Display:** Connect multiple succulent bases to create a cohesive plant arrangement.
- **Individual Placement:** Display each succulent separately to accent different areas of your home or office.
- **Adjustable Elements:** Many succulents feature adjustable leaves or petals, allowing for personalized positioning.

Figure 4: A detailed view of the LEGO succulents, emphasizing their realistic textures and colors.

2.2 Arrangement Demonstration Videos

Observe different arrangement possibilities and the modularity of the set:

Video 3: A demonstration of the LEGO Succulents set, showing how individual plants can be arranged and connected.

3. CARE AND MAINTENANCE

Unlike live plants, your LEGO Succulents require minimal maintenance to retain their appearance.

3.1 Cleaning Instructions

- **Dusting:** Regularly dust the models with a soft brush or cloth to prevent dust buildup.
- **Deep Cleaning:** For more thorough cleaning, gently wipe the bricks with a damp cloth and mild soap. Avoid harsh chemicals or abrasive materials.
- **Drying:** Allow the models to air dry completely before reassembling or displaying.

4. TROUBLESHOOTING

Encountering issues during or after assembly? Refer to the common solutions below.

Issue	Solution
Missing or damaged pieces	Contact LEGO Customer Service for replacement parts.
Loose connections between bricks	Ensure bricks are firmly pressed together. Refer to the instruction manual for correct placement.
Difficulty connecting succulent bases	Use the red connector pins provided to securely link the individual plant bases.

5. PRODUCT SPECIFICATIONS

Feature	Detail
Model Number	10309
Piece Count	771 pieces
Product Dimensions (assembled)	Over 5 in. (13 cm) high, 6.5 in. (17 cm) wide, and 6.5 in. (17 cm) deep
Item Weight	1.5 pounds
Recommended Age	18 years and up
Release Date	April 26, 2022

6. WARRANTY AND SUPPORT

LEGO products are manufactured to high-quality standards. If you experience any issues or require assistance, please contact LEGO Customer Service.

- **Missing Bricks:** If any bricks are missing from your new set, LEGO will send them to you free of charge.
- **Damaged Bricks:** If a brick is damaged, you may be able to order a replacement.
- **General Inquiries:** For any other questions or support, visit the official LEGO website.
