SMIBUY SBSHB01

SMIBUY Wall-Mounted Coat Hooks with Shelf Instruction Manual

Model: SBSHB01 | Brand: SMIBUY

PRODUCT OVERVIEW

The SMIBUY Wall-Mounted Coat Hooks with Shelf is a versatile and practical storage solution designed for various rooms in your home. Made from 100% polished solid bamboo wood with a protective eco-friendly lacquer coating, this unit features a large display shelf and five double metal hooks, offering ample space for organization and decoration.

INCLUDED COMPONENTS

Before beginning assembly, please ensure all components listed below are present in your package:

- 1 x Wall Mounted Coat Shelf
- 1 Bag Accessory Kit (includes screws, anchors)
- 1 Instruction Sheet
- 5 Double J Hooks

Figure 2: Detail of the 5 Double Heavy-Duty Streamlined Hooks and 33 lbs weight capacity.

SETUP AND INSTALLATION

The SMIBUY Wall-Mounted Coat Hooks with Shelf is designed for easy assembly and installation. Follow the steps below for proper setup:

- Unpack Components:** Carefully remove all parts from the packaging and verify against the 'Included Components' list.
- Assemble Hooks:** Attach the 5 double metal hooks to the pre-drilled holes on the bamboo backboard using the provided screws. Ensure they are securely fastened.
- Attach Shelf:** Secure the top shelf to the main bamboo frame using the designated screws.
- Mark Mounting Points:** Hold the assembled unit against the desired wall location. Use a pencil to mark the positions for drilling, ensuring the rack is level. The unit measures approximately 29.13 x 4.72 x 7.87 inches (L x W x H).
- Drill Holes:** Drill pilot holes at the marked locations. For optimal stability, it is recommended to mount into wall studs where possible. If mounting into drywall, use appropriate wall anchors (included in the accessory kit).

6. **Mount to Wall:** Align the pre-drilled holes on the rack with the drilled holes on the wall. Insert screws through the rack and into the wall anchors or studs, tightening them until the unit is firmly secured to the wall.

The shelf can hold up to 33 lbs (15 kg) of weight when properly installed.

OPERATING AND USAGE

This wall-mounted coat rack with shelf is designed for versatile use throughout your home, providing both storage and decorative display options.

General Use:

- **Shelf Functionality:** The top shelf (29.2 x 4.7 inches) is ideal for displaying decorative items such as small plants, picture frames, candles, or storing frequently used items like keys and wallets. The integrated baffle helps prevent items from falling off.
- **Hook Functionality:** The five double metal hooks can be used to hang coats, jackets, hats, bags, scarves, and other garments. The 5.12-inch center-to-center distance between hooks allows for maximum usability.

Recommended Applications:

- **Entryway/Hallway:** Organize coats, hats, keys, and bags right as you enter or leave your home.
- **Bedroom:** Hang robes, scarves, or display personal items.
- **Bathroom:** Store bathrobes, towels, and toiletries on the shelf.
- **Kitchen:** Hang dishcloths, coffee mugs, or kitchen utensils.

- **Living Room/Mudroom:** Display decorative items or organize various household essentials.

MAINTENANCE

To ensure the longevity and appearance of your SMIBUY Wall-Mounted Coat Hooks with Shelf, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the bamboo surface with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as they may damage the protective lacquer finish.
- **Drying:** After cleaning, dry the surface immediately with a clean, dry cloth to prevent water spots or moisture damage to the bamboo.
- **Hook Care:** The metal hooks are rust-resistant. If they become dull, a gentle metal polish can be used, following the polish manufacturer's instructions.
- **Avoid Overloading:** Do not exceed the maximum weight capacity of 33 lbs (15 kg) to prevent damage to the unit or the wall.
- **Regular Inspection:** Periodically check all screws and mounting hardware to ensure they remain tight and secure. Re-tighten if necessary.

Figure 5: The product features a smooth finish and is made from 100% well-sanded solid bamboo.

TROUBLESHOOTING

If you encounter any issues with your SMIBUY Wall-Mounted Coat Hooks with Shelf, please refer to the following common solutions:

Problem	Possible Cause	Solution
Unit feels wobbly after installation.	Screws are not fully tightened or not properly anchored.	Ensure all mounting screws are securely tightened. If using wall anchors, verify they are correctly installed and suitable for your wall type. Consider mounting into wall studs for maximum stability.
Missing parts or damaged components upon arrival.	Manufacturing or shipping error.	Contact SMIBUY customer support immediately for assistance. Refer to the 'Support and Warranty' section for contact information.

Problem	Possible Cause	Solution
Hooks are loose.	Screws attaching hooks to the board are loose.	Tighten the screws on each hook. Avoid overtightening to prevent stripping.
