2. WHAT'S IN THE BOX

Your package should contain the following items:

- 1 x Texton M101 Smart Watch
- 1 x K1 Wireless Bluetooth Headset
- 1 x User Manual

3. SETUP GUIDE

3.1. Smart Watch Setup

Charging the Smart Watch: The M101 Smart Watch features a USB quick removal direct charge method. Simply detach one

side of the wristband and plug the watch directly into a standard USB port (e.g., a computer USB port or a USB wall adapter). Ensure the charging contacts align correctly.

USB Quick Removal Direct Charge

Brand new bracelet charging method, quick-release detachable wristband design, can be charged by plugging in the USB interface, eliminating the trouble of carrying a charging cable and charging stand

Image: Diagram showing the smart watch being charged by plugging its integrated USB connector directly into a USB power adapter.

Pairing with Your Smartphone:

1. Ensure your smartphone's Bluetooth is turned on.
2. Turn on the Smart Watch by pressing and holding the power button.
3. On your smartphone, search for available Bluetooth devices.
4. Select the Smart Watch (usually named 'M101' or similar) from the list to pair.
5. Follow any on-screen prompts to complete the pairing process.

3.2. Bluetooth Headset Setup

Charging the Bluetooth Headset: Connect the K1 Wireless Bluetooth Headset to a power source using the provided charging cable. The indicator light will show charging status.

Pairing with Your Smartphone:

1. Ensure your smartphone's Bluetooth is turned on.
2. Turn on the K1 Headset by pressing and holding the multi-function button until the indicator light flashes, indicating pairing mode.
3. On your smartphone, search for available Bluetooth devices.
4. Select 'K1 Headset' or similar from the list to pair.
5. Once paired, the indicator light will change, and you will hear a confirmation tone.

4. OPERATING INSTRUCTIONS

4.1. Smart Watch Functions

The M101 Smart Watch features a full touch screen for easy navigation and interaction. It offers a variety of functions to monitor your health and fitness, and to stay connected.

- **Touch Screen & Wallpapers:** Navigate through menus by swiping and tapping. Customize your watch face from a collection of pre-installed options or create your own style.
- **Fitness Tracking:** Monitor your daily activity including pedometer (step count), distance covered, and calories burned.
- **Health Monitoring:** Features include Heart Rate Monitor and Blood Pressure Monitor.
- **Sleep Monitor:** Tracks your sleep patterns to help you understand and improve your sleep quality.
- **Sport Modes:** Supports various sport modes for more accurate fitness records, such as walking, running, cycling, skipping, swimming, badminton, basketball, and football.
- **Notifications:** Receive alerts for SMS, WhatsApp, and other app notifications directly on your watch.
- **Call Management:** Supports answering and making calls directly from the watch when connected to your phone.
- **Music Playback:** Control music playback on your connected smartphone.
- **Remote Camera Control:** Use your watch as a remote shutter for your smartphone's camera.

4.2. Bluetooth Headset Functions

The K1 Wireless Bluetooth Headset provides high-quality audio for calls and music, with stable connectivity.

- **Crystal Clear Audio:** Supporting A2DP, it provides clear speeches during calls and HD stereo music playback.
- **Stable Connection:** Utilizes Bluetooth 4.0 technology for a wireless transmission range of up to 10 meters.
- **Hands-Free Calling:** Integrated microphone allows for convenient hands-free phone calls.

5. MAINTENANCE

To ensure the longevity and optimal performance of your Smart Watch and Bluetooth Headset, follow these maintenance guidelines:

- **Cleaning:** Wipe both devices regularly with a soft, dry cloth. For stubborn dirt, slightly dampen the cloth with water. Do not use harsh chemicals or abrasive cleaners.
- **Water Resistance:** The M101 Smart Watch is waterproof. However, avoid prolonged submersion in water or exposure to hot water/steam. The K1 Headset is not specified as waterproof; avoid contact with liquids.
- **Storage:** Store the devices in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** Charge the devices regularly, even if not in use, to maintain battery health. Avoid fully draining the battery frequently.
- **Avoid Impacts:** Protect the devices from drops and impacts, which can damage internal components.

6. TROUBLESHOOTING

If you encounter any issues with your Texton M101 Smart Watch or K1 Wireless Bluetooth Headset, please refer to the following common problems and solutions:

Problem	Possible Solution
Smart Watch / Headset won't turn on	Ensure the device is fully charged. Press and hold the power button for a few seconds.
Unable to pair with smartphone	Ensure Bluetooth is enabled on your phone. Make sure the device is in pairing mode. Restart both devices and try again. Clear previous Bluetooth connections on your phone.
Inaccurate health/fitness data	Ensure the watch is worn snugly on your wrist. Calibrate the device if an option is available in the companion app. Ensure your personal information (height, weight) is accurate in the app.
Notifications not appearing on watch	Check app permissions on your phone to allow notification access for the companion app. Ensure the watch is connected via Bluetooth. Check notification settings within the watch's companion app.
Headset audio quality is poor or intermittent	Ensure the headset is fully charged. Move closer to your connected device to avoid interference. Disconnect and re-pair the headset.
