SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Do not load more than 300 lbs per chair.
- Keep sharp edges away from children.
- Store under a covered area when not in use to prolong product life.
- Assemble according to instructions for stability and safety.

SETUP AND ASSEMBLY

Assembly is required for these chairs. All necessary hardware and a detailed instruction manual are included in the

package. Please follow the step-by-step guide provided with your product for correct and safe assembly.

The removable cushions can be easily placed or removed depending on preference or weather conditions.

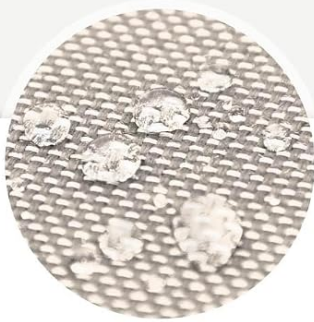

MAINTENANCE

Proper maintenance will extend the life and appearance of your PHI VILLA chairs:

- **Cleaning:** Wipe with a damp cloth. For cushions, the water-resistant beige fabric cover is easy to clean and maintain.
- **Storage:** Store chairs under a covered area or use protective covers when not in use, especially during harsh weather conditions or off-season.
- **Inspection:** Periodically inspect the rattan material and steel legs for any signs of wear or damage.

TROUBLESHOOTING

If you encounter any issues with your PHI VILLA chairs, please refer to the following common solutions:

- **Wobbling:** Ensure all assembly hardware is securely tightened. Check that the chairs are placed on a flat, even surface.
- **Rattan Damage:** While the rattan is durable, avoid excessive force or sharp objects that could cause damage. Minor fraying can sometimes be carefully trimmed.
- **Cushion Issues:** If cushions become excessively wet, allow them to air dry completely before storing to prevent mildew.
