

CHiQ L40H7SX

CHiQ L40H7SX 40-inch Full HD Android Smart TV User Manual

Model: L40H7SX

1. SETUP

1.1 Unpacking

Carefully remove the TV from its packaging. Ensure all components are present:

- CHiQ L40H7SX Smart TV
- Remote Control
- Power Cable
- TV Stand Components (if applicable)
- User Manual (this document)

Inspect the TV for any damage. If damage is found, contact your retailer immediately.

1.2 Attaching the Stand

Place the TV screen-down on a soft, flat surface to prevent scratches. Align the stand components with the designated slots on the bottom of the TV. Secure the stand using the provided screws.

Image: The CHI Q L40H7SX television securely placed on its two-leg stand, ready for use on a flat surface.

1.3 Wall Mounting

The CHI Q L40H7SX supports VESA wall mounts. Refer to your wall mount's instructions for installation. Ensure the wall mount is compatible with the TV's weight and VESA pattern. Professional installation is recommended for wall mounting.

Image: The CHIQ L40H7SX television mounted flush against a wall, showcasing its slim profile and suitability for wall installation.

1.4 Connecting Peripherals

Connect your power cable, antenna, and any external devices (e.g., set-top box, gaming console, soundbar) to the appropriate ports on the TV. The TV features multiple HDMI and USB ports for connectivity.

2. OPERATING INSTRUCTIONS

2.1 Initial Power On and Android TV Interface

After connecting the power cable, press the power button on the remote control or the TV. Follow the on-screen instructions to complete the initial setup, including language selection, network connection, and Google account login. The Android TV interface provides access to apps, settings, and content.

Image: A screen capture showing the Android 9 Pie interface with various application icons such as YouTube, Spotify, Google Play Games, and other streaming services.

2.2 Google Assistant

Your CHiQ L40H7SX TV integrates Google Assistant. Press the Google Assistant button on your remote and speak into the microphone to control your TV, search for content, get information, and manage smart home devices.

What's the weather today ?

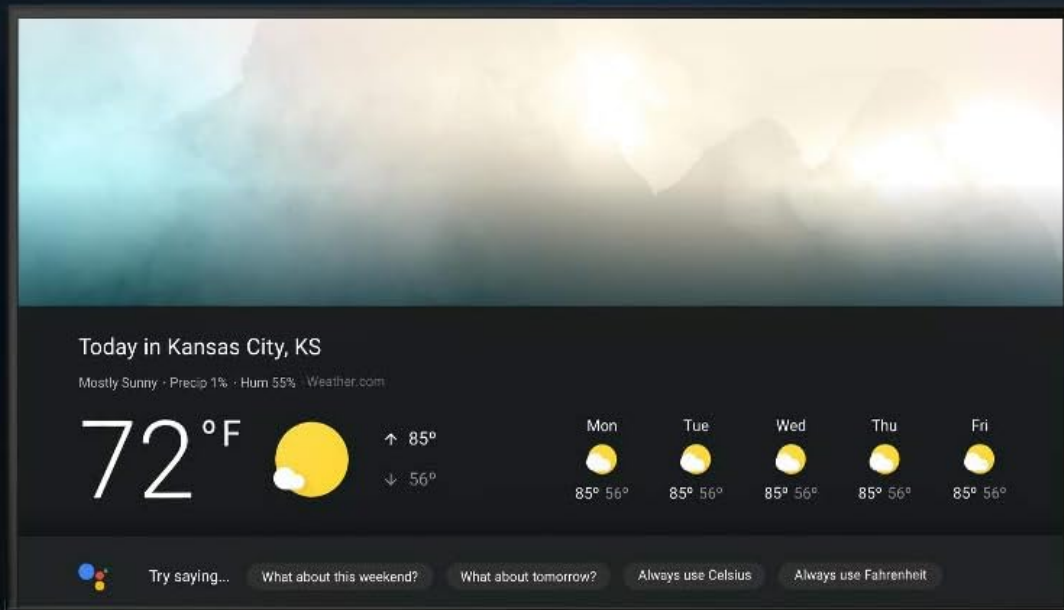

Image: The Google Assistant interface displayed on the TV screen, showing a weather forecast for Kansas City, KS, in response to the query "What's the weather today?".

2.3 Connectivity

- **Wi-Fi:** Connect to your home wireless network via the settings menu to access online content and smart features.
- **Bluetooth:** Pair Bluetooth-enabled devices such as headphones or game controllers for enhanced audio or gaming experiences.
- **Chromecast Built-in:** Cast content from your compatible smartphone, tablet, or computer directly to your TV screen.

Image: A smartphone displaying a football match, with a wireless casting icon indicating that the content is being mirrored to a larger television screen, also showing the same match.

2.4 Smart Features

Access popular streaming services and applications directly from your TV:

- **Netflix:** Stream movies and TV shows.
- **YouTube:** Watch videos and subscribe to channels.
- **Amazon Prime Video:** Access a wide library of content.

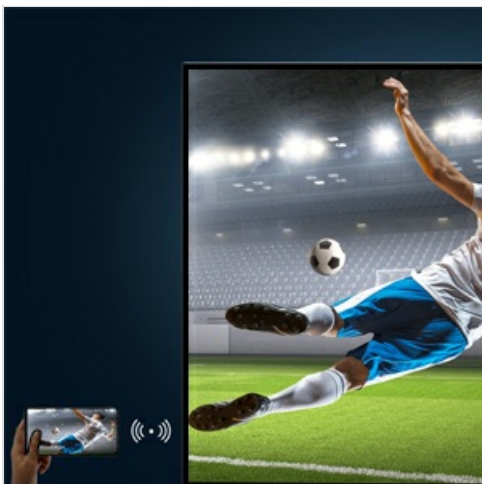

Image: A dark background displaying the prominent logos for Netflix, YouTube, and Amazon Prime Video, indicating their availability on the device.

2.5 HDR10 and Dolby Audio

Experience enhanced picture quality with HDR10 support, offering greater contrast and a wider range of colors. Dolby Audio provides rich, clear, and powerful sound for an immersive viewing experience.

HDR10

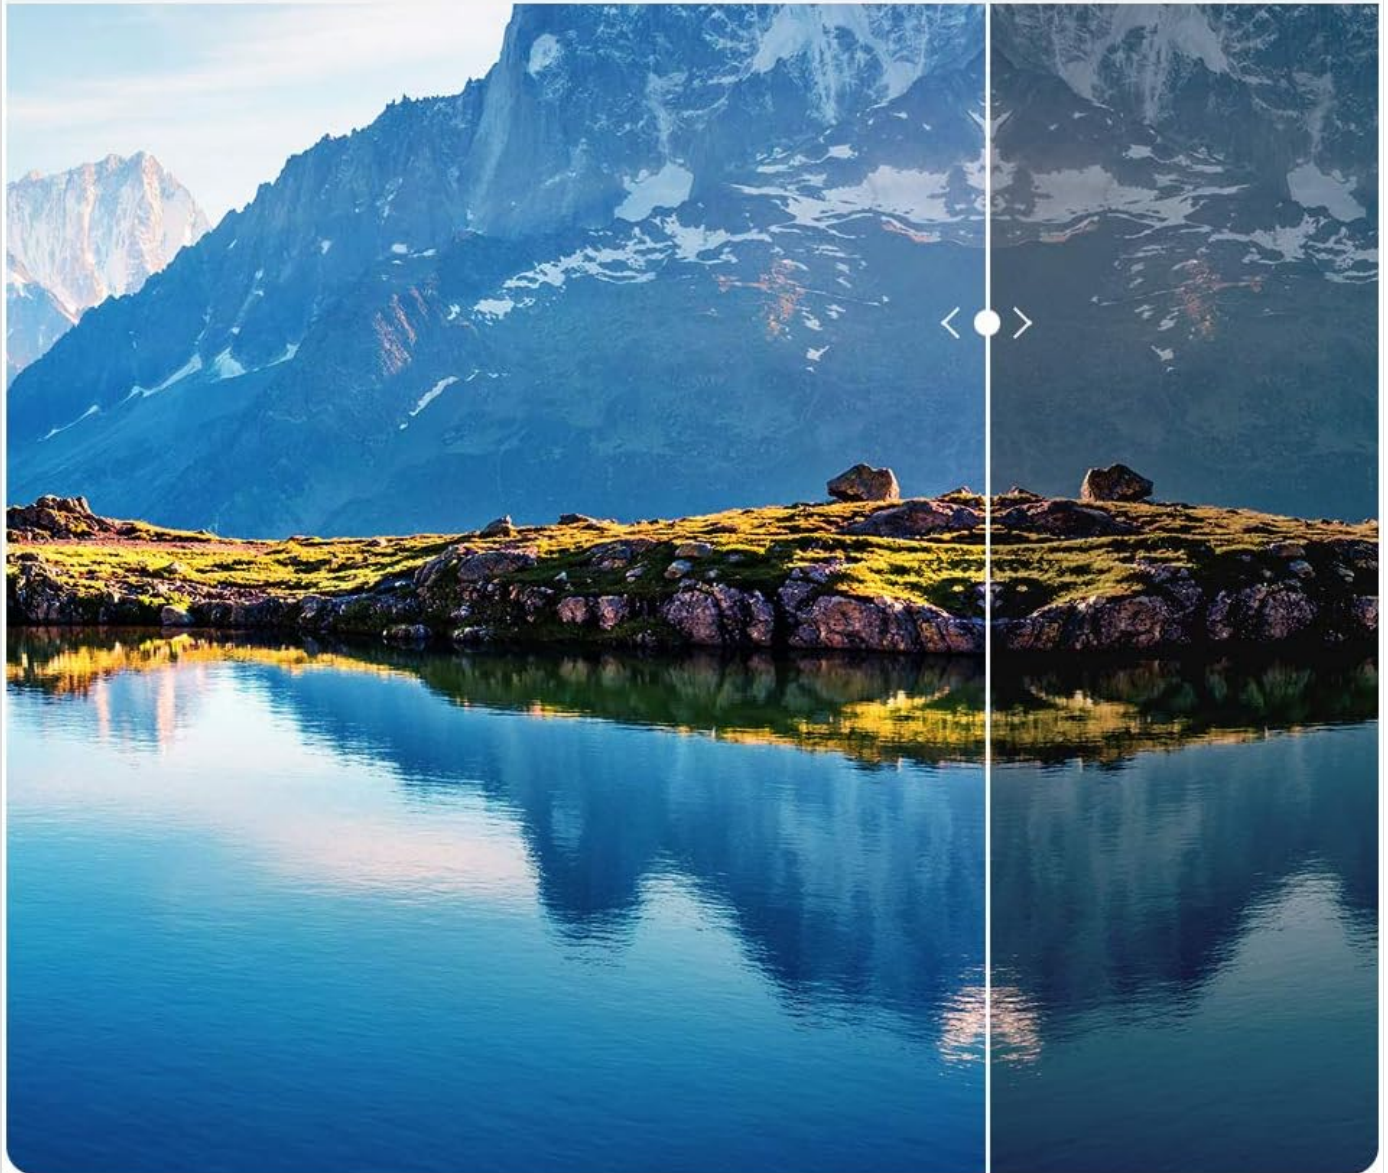

Image: A split screen comparison showing the visual difference between HDR10 and non-HDR content, with the HDR10 side displaying more vibrant colors and deeper contrast in a landscape scene.

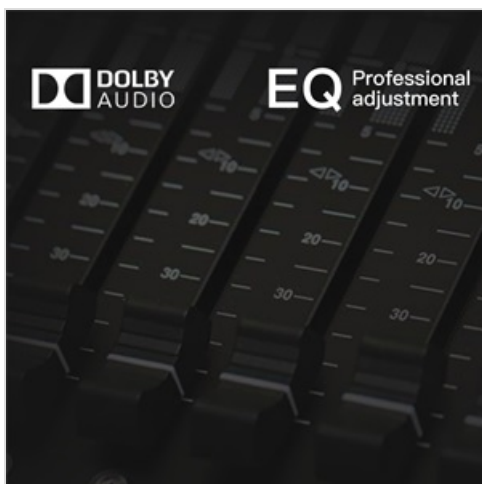

Image: A close-up of an audio equalizer interface, labeled with "Dolby Audio" and "Professional adjustment EQ," indicating advanced sound customization features.

3. MAINTENANCE

3.1 Cleaning the Screen

Before cleaning, unplug the TV from the power outlet. Use a soft, lint-free cloth, slightly dampened with water or a specialized screen cleaner. Do not spray liquid directly onto the screen. Avoid using abrasive cleaners or solvents.

3.2 General Care

Keep the TV away from direct sunlight, heat sources, and excessive dust. Ensure proper ventilation around the TV to prevent overheating. Do not block the ventilation openings.

4. TROUBLESHOOTING

This section addresses common issues you might encounter with your CHiQ L40H7SX TV.

Problem	Possible Cause / Solution
No Power	Ensure the power cable is securely connected to both the TV and a working power outlet. Try a different outlet.
No Picture / No Sound	Check input source. Ensure external devices are powered on and connected correctly. Check volume settings.
Remote Control Not Working	Replace batteries. Ensure no obstructions between the remote and the TV's IR sensor.
Wi-Fi Connection Issues	Restart your router and modem. Re-enter Wi-Fi password. Ensure the TV is within range of your Wi-Fi network.
Slow Performance / Unresponsive Interface	Close unused applications. Clear cache in settings. Perform a factory reset if issues persist (note: this will erase all personal data and settings). Ensure the TV's software is up to date.
No Signal (Terrestrial/Cable)	Check antenna/cable connection. Perform a channel scan in the TV settings. Ensure your antenna is properly positioned.
Settings Resetting / Deconfiguring	Ensure the TV's software is up to date. If the issue persists, a factory reset might be necessary, followed by careful re-configuration.
