JEKCA 02S-M01

JEKCA Maneki Neko 02S-M01 Building Block Instruction Manual

Model: 02S-M01

INTRODUCTION

Welcome to the JEKCA Maneki Neko 02S-M01 Building Block Instruction Manual. This guide provides comprehensive instructions for assembling your JEKCA model. Please read through all sections carefully before beginning construction to ensure a smooth and enjoyable building experience. This product is designed for individuals aged 14 and above.

SAFETY INFORMATION

- **Small Parts Warning:** This product contains small parts which may pose a choking hazard. Keep out of reach of children under 3 years of age.
- **Age Recommendation:** Recommended for ages 14 and above.
- **Handling:** Handle components with care. Avoid excessive force during assembly to prevent damage.

PACKAGE CONTENTS

Before you begin, please verify that all components are present in your package:

- Bricks (over 2230 pieces)
- Instruction Guide
- Pin Driver
- Pins
- Quick Guide

SETUP AND ASSEMBLY INSTRUCTIONS

The JEKCA building system utilizes a unique interlocking brick-through technology, ensuring a sturdy model without the need for glue. Follow the steps below for proper assembly:

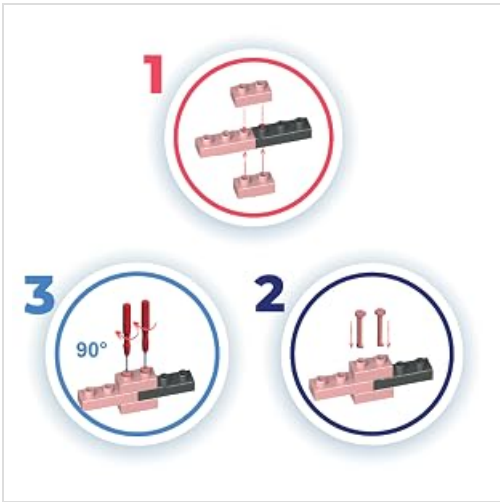

1. **Understand the Interlocking System:** JEKCA bricks are designed to interlock securely using pins. Each brick has holes for pin insertion.
2. **Step 1: Align Bricks.** Place the bricks in the desired position, ensuring the holes align.
3. **Step 2: Insert Pins.** Use the provided pins to connect the aligned bricks. Push the pins through the holes.

4. **Step 3: Secure Pins.** Use the pin driver to turn the pins 90 degrees, locking the bricks firmly in place. This creates a strong, stable connection.

Diagram illustrating the three-step interlocking brick-through system: 1. Align bricks, 2. Insert pins, 3. Secure pins by turning 90 degrees.

Refer to the included Instruction Guide for detailed, step-by-step visual instructions specific to the Maneki Neko 02S-M01 model. The guide will show you the exact placement of each brick and pin.

MAINTENANCE

To keep your JEKCA Maneki Neko 02S-M01 model in optimal condition:

- **Cleaning:** Dust the model regularly with a soft, dry cloth. For more stubborn dirt, gently wipe with a slightly damp cloth and then dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the model in a stable location away from direct sunlight and extreme temperatures to prevent material degradation or discoloration.

Troubleshooting

If you encounter any issues during or after assembly, consider the following:

- **Loose Bricks:** If a section feels loose, ensure all pins are fully inserted and turned 90 degrees to lock them. Re-check the instruction guide for correct pin placement.
- **Missing Parts:** Carefully check all packaging materials. If parts are genuinely missing, please contact JEKCA customer support with your product details and proof of purchase.
- **Difficulty with Pin Insertion:** Ensure bricks are perfectly aligned. Do not force pins; if resistance is met, re-check alignment.

Specifications

Model Number	02S-M01 (ST28JPY09-M01)
Brand	JEKCA
Material	Plastic
Dimensions (L x W x H)	8.86 x 5.67 x 10.16 inches (22.5 x 14.4 x 25.8 cm)
Number of Pieces	2230+
Item Weight	2.78 pounds
Age Range	14 years and above
Special Feature	Sturdy without glue (Interlocking Brick-through System)
