UGREEN CD270

UGREEN Nexode 7-in-1 GaN Power Strip

Model: CD270 | Brand: UGREEN

INTRODUCTION

The UGREEN Nexode 7-in-1 GaN Power Strip is a versatile charging station designed to streamline your power needs at home or in the office. It combines multiple charging ports and AC outlets into a single, compact device, reducing clutter and enhancing efficiency. Featuring advanced GaN II technology, it delivers powerful and safe charging for a wide range of electronic devices.

2 AC outlets.

Package Contents

Please ensure all items are present in the package:

- DigiNest Pro 100W Charging Station with 6ft Extension Cord
- User Manual

Product Features

- **7-in-1 Charging Station:** Equipped with 3 USB-C ports, 1 USB-A port, and 3 AC outlets (1875W/15A), allowing simultaneous power for mobile devices, tablets, laptops, and home appliances.
- **100W of Charging Power:** Delivers rapid charging, capable of charging an iPhone 15 to 60% and a MacBook Pro 13" to 36% in just 30 minutes.
- **8-Layer Safety System:** Provides comprehensive protection against overload, overcurrent, and grounding issues, ensuring safe operation.
- **GaN II Technology:** Utilizes advanced Gallium Nitride (GaN) chips for up to 95% conversion rate, improved heat dissipation, and a more compact design.
- **Organize Your Desktop:** Consolidates multiple chargers and power strips, saving space and contributing to a tidier workspace.

Setup Instructions

1. **Unpack:** Carefully remove the charging station and all accessories from the packaging.
2. **Placement:** Place the charging station on a stable, flat surface, ensuring adequate ventilation.
3. **Connect to Power:** Plug the integrated 6ft extension cord into a standard 125V AC wall outlet.
4. **Power On:** Press the power button on the side of the unit to activate the charging station. The power indicator light will illuminate.

Operating Instructions

1. **Charging Devices:** Connect your devices to the available USB-C, USB-A, or AC outlets using their respective charging cables.
2. **Optimal Charging:** The GaN II technology intelligently distributes power to connected devices for optimal charging speeds. For 100W max output, use a single USB-C port.
3. **AC Outlet Usage:** The 3 AC outlets support up to 1875W/15A, suitable for various home and office electronics.
4. **Power Button:** Use the power button to easily turn the entire charging station on or off.

MAINTENANCE

- **Cleaning:** Disconnect the power strip from the wall outlet before cleaning. Use a dry, soft cloth to wipe the surface. Do not use liquid cleaners or aerosols.
- **Storage:** Store the power strip in a cool, dry place away from direct sunlight and moisture when not in use for extended periods.

TROUBLESHOOTING

- **Device not charging:** Ensure the power strip is plugged into a live wall outlet and the power button is pressed (indicator light on). Check if the device's charging cable is securely connected to both the power strip and the device.
- **Slow charging:** Verify that your device and cable support fast charging. Power output may be distributed among multiple connected devices; try charging fewer devices simultaneously for faster speeds.
- **Power indicator off:** Check the wall outlet and the power strip's connection. If an overload occurs, the power strip's safety system may have tripped; disconnect devices, wait a few minutes, and try again.

SPECIFICATIONS

Feature	Detail
Product Dimensions	14 x 2 x 0.04 inches
Item Weight	1.51 pounds
Item Model Number	CD270
Brand	UGREEN
Color	Black + Gray
Total Power Outlets	7
Voltage	125 Volts
Manufacturer	Ugreen Group Limited
Country of Origin	China

SAFETY INFORMATION

Always use the power strip in a dry environment. Do not expose it to water or excessive moisture. Avoid overloading the outlets beyond their specified wattage (1875W/15A). Ensure proper grounding for connected devices. Keep out of reach of children.

WARRANTY AND SUPPORT

This product comes with a standard manufacturer's warranty. For detailed warranty information or technical support, please visit the official UGREEN website or contact their customer service. Protection plans are also available for extended coverage.
