Bellemave Toddlers House Bed Metal Floor Bed Frame Twin Size

Bellemave Toddlers House Bed Metal Floor Bed Frame Twin Size Montessori Bed Instruction Manual

Model: Toddlers House Bed Metal Floor Bed Frame Twin Size

Important Safety Information

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- **Weight Limit:** Do not exceed the maximum weight recommendation of 44 pounds (20 kg). This bed is designed for toddlers and young children.
- **Sharp Edges:** Exercise caution around all edges during assembly and use to prevent injury.
- **Assembly:** Ensure all hardware is securely tightened before use. Periodically check and re-tighten hardware as needed.
- **Supervision:** Always supervise children when they are using the bed, especially during initial use.
- **Placement:** Place the bed on a level surface. Do not place near windows where cords or blinds could pose a strangulation hazard.
- **Mattress:** Use only a twin-size mattress that fits snugly within the bed frame to prevent entrapment.

Product Overview

The Bellemave Toddlers House Bed is a metal floor bed frame designed for children. Its unique house-shaped structure provides a cozy and imaginative sleeping space. This twin-size bed features a low-profile design, making it easily accessible for toddlers.

Package Contents

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Metal Bed Frame Components
- Hardware Components (screws, bolts, washers, Allen wrench)
- Bed Slats
- Instruction Manual

Assembly Instructions

Assembly is required. It is recommended that two adults assemble this bed. Please follow the steps carefully.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a soft, clean surface to prevent scratches. Identify each part using the provided parts list (if applicable) and the dimension diagram below.

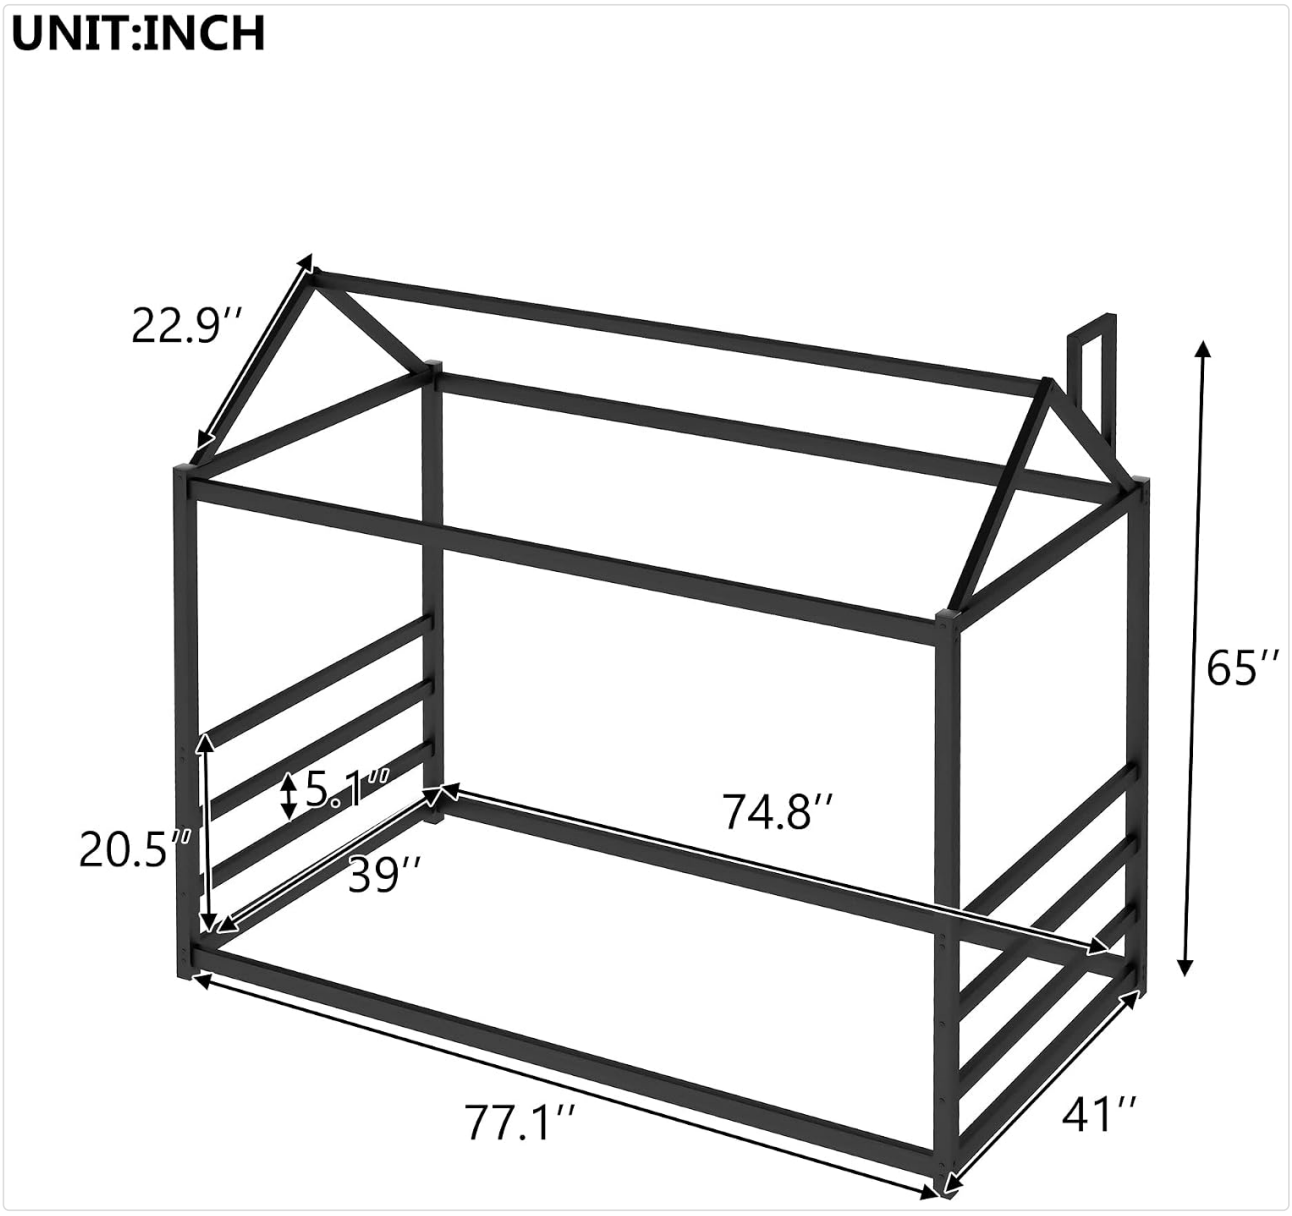

Image: Technical drawing displaying the overall dimensions of the bed frame, including length (77.1"), width (41"), and height (65").

2. **Assemble Base Frame:** Connect the side rails and end rails to form the rectangular base of the bed. Secure with the appropriate bolts and an Allen wrench. Do not fully tighten bolts until all parts are aligned.
3. **Attach Vertical Supports:** Fasten the vertical support posts to the corners of the base frame.
4. **Construct House Frame:** Assemble the roof-shaped sections of the house frame and attach them to the top of the vertical supports. Ensure the chimney-like structure is correctly oriented.

5. **Install Bed Slats:** Place the bed slats across the support beams within the base frame. Secure them according to the instructions, typically by screwing them into place or using plastic caps.
6. **Final Tightening:** Once all components are in place and aligned, systematically tighten all bolts and screws using the provided Allen wrench. Ensure all connections are firm and stable.
7. **Inspect:** Double-check all connections for tightness and stability. Ensure there are no sharp edges or protruding hardware.

Usage Guidelines

To ensure safe and proper use of your Bellemave Toddlers House Bed, please adhere to the following guidelines:

- **Mattress Compatibility:** This bed is designed for a Twin size mattress.
- **Mattress Thickness:** The recommended mattress thickness is between 8 and 10 inches.
- **Weight Capacity:** The bed has a maximum weight capacity of 44 pounds (20 kg). Do not exceed this limit.
- **Intended Use:** This bed is intended for sleeping and resting. Discourage jumping or rough play on the bed.
- **Decorations:** While the house frame encourages decoration, ensure any items hung or attached are lightweight,

securely fastened, and do not pose a choking or strangulation hazard.

Maintenance

Regular maintenance will help prolong the life and safety of your bed frame.

- **Cleaning:** Wipe the metal frame with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Hardware Check:** Periodically inspect all bolts, screws, and connections to ensure they remain tight. Re-tighten any loose hardware immediately.
- **Damage Inspection:** Regularly check the frame for any signs of damage, such as bends, cracks, or rust. Discontinue use if significant damage is found and contact customer support.

Troubleshooting

If you encounter any issues with your Bellemave Toddlers House Bed, refer to the following common problems and solutions:

- **Squeaking Noises:**
  Solution: Squeaking often indicates loose hardware. Re-tighten all bolts and screws on the bed frame. Ensure the bed is on a level surface.
- **Bed Feels Unstable/Wobbly:**
  Solution: This is typically due to improperly tightened hardware. Go through all connections and ensure every bolt and screw is securely fastened. Verify that the bed is placed on a flat, even floor.
- **Parts Do Not Align During Assembly:**
  Solution: Loosen all previously tightened bolts slightly. Re-align the parts and then gradually tighten all hardware once everything is in place. Sometimes, parts need a little flexibility to fit together correctly before final tightening.

Specifications

Product Dimensions	77.1"L x 41"W x 65"H
Finish Type	Matte
Included Components	Hardware Components, Slats
Compatible Mattress Size	Twin
Brand	Bellemave
Furniture Finish	Black
Assembly Required	Yes
UPC	733805964351
