### 3. SETUP

---

The MINISO Minions Bob Plush Toy requires minimal setup. Upon receiving the product:

1. **Unboxing:** Carefully remove the plush toy from its packaging.
2. **Initial Inspection:** Check for any tags or protective coverings. Remove all tags before giving the toy to a child. Inspect the toy for any loose threads or damage.
3. **Fluffing:** Gently pat and reshape the plush toy to restore its original form, as it may be compressed during shipping.

### 4. OPERATING INSTRUCTIONS

---

This plush toy is designed for various forms of interaction and display:

- **Play:** Suitable for imaginative play for children and toddlers.
- **Comfort:** Can be used as a soft pillow or a comforting companion for sleeping or travel.
- **Decoration:** Ideal for decorating living rooms, bedrooms, nurseries, or cars.

## 5. MAINTENANCE

To maintain the quality and cleanliness of your MINISO Minions Bob Plush Toy, follow these guidelines:

- **Spot Cleaning:** For minor stains, use a damp cloth with mild soap. Gently rub the affected area and then blot dry.
- **Hand Washing:** For a more thorough clean, hand wash the plush toy in cool water with a gentle detergent. Rinse thoroughly and gently squeeze out excess water.
- **Drying:** Air dry the plush toy completely. Avoid direct sunlight or high heat, which can damage the fabric. Do not machine dry.
- **Avoid Bleach:** Do not use bleach or harsh chemicals, as these can discolor or damage the material.
- **Regular Dusting:** Periodically dust the plush toy to prevent accumulation of dirt.

## 6. TROUBLESHOOTING

If you encounter any issues with your plush toy, consider the following:

- **Compressed Appearance:** If the toy appears flattened after unboxing, gently fluff and reshape it by hand. The stuffing will expand over time.
- **Loose Threads or Stitching:** While the product is designed for durability, occasionally a loose thread may appear. Carefully trim any loose threads with scissors. If stitching appears to be coming undone, gentle hand-stitching may be required.
- **Goggle Adhesion:** In rare cases, the goggles may show signs of adhesive. This is typically a manufacturing artifact and does not affect the toy's functionality or safety. Avoid picking at the adhesive to prevent damage.
- **Odor:** A new product may have a slight manufacturing odor. Allow the toy to air out in a well-ventilated area for a few hours.
