SAFETY INFORMATION

To ensure safe operation and prevent injury or damage, please observe the following safety precautions:

- Keep the recliner away from open flames or high heat sources.
- Do not use the heating function while sleeping or if unattended.
- Supervise children and pets to avoid entrapment risks during operation.
- Unplug the sofa from the power outlet when not in use or before cleaning.
- Always follow the assembly instructions carefully to ensure safe installation.
- Do not allow children to play on or around the recliner.
- Ensure all electrical connections are secure and free from damage.
- Do not place heavy objects on the footrest when it is extended.

ASSEMBLY INSTRUCTIONS

Assembly is required. It is recommended that two people assemble this product. All necessary tools are included.

1. **Connect Bases:** Align and connect the right, console, and left bases using the provided hardware. Ensure all connections are secure.
2. **Attach Armrests:** Slide the armrests onto the corresponding base brackets until they click into place.
3. **Secure Backrests:** Slide the backrests onto the metal posts on the bases. Ensure they are fully seated and secure.
4. **Connect Wiring:** Locate and connect the massage wires, USB & buttons wire, and power adapter. Ensure the power switch is in the OFF position before connecting the power adapter. Secure loose wires with cable ties.
5. **Final Checks:** Ensure all components are securely attached and all wires are properly connected and tucked away.

OPERATING INSTRUCTIONS

The MCombo 6095 Loveseat Recliner offers multiple comfort features:

- **Power Reclining:** Use the buttons located on the side of each seat to recline to your desired position. The recliner features a zero-gravity position (approximately 155°) for enhanced comfort.
- **Lumbar Heat:** Activate the lumbar heating function via the remote control for soothing warmth in the lower back area.
- **Vibration Massage:** The recliner includes multiple vibration nodes with various modes and intensities. Control these functions using the remote control.
- **USB Charging:** A built-in USB port allows you to charge your devices conveniently while relaxing.

MAINTENANCE

To maintain the appearance and longevity of your MCombo Loveseat Recliner:

- **Cleaning:** Wipe clean with a dry cloth. Avoid using harsh chemicals or abrasive cleaners.

- **Spills:** Blot spills immediately with a clean, dry cloth.
- **Inspection:** Periodically check all bolts and connections to ensure they are tight. Retighten if necessary.
- **Electrical Components:** Ensure all electrical cords and connections are free from damage. If any damage is observed, discontinue use and contact customer support.

TROUBLESHOOTING

If you encounter any issues with your recliner, please refer to the following common solutions:

- **Recliner Not Operating:** Ensure the power cord is securely plugged into a working outlet and the power switch on the recliner is turned ON. Check all internal wiring connections.
- **Heat/Massage Not Working:** Verify that the remote control is properly connected and the power is on. Check for any loose connections in the massage wires.
- **Unusual Noises:** Inspect the reclining mechanism for any obstructions. Ensure all assembly bolts are tightened.
- **USB Port Not Charging:** Confirm the recliner is powered on and the USB cable is fully inserted into both the port and your device.

If the problem persists after attempting these steps, please contact MCombo customer support for further assistance.
