AJAZZ K685T

Ajazz K685T Mechanical Keyboard User Manual

Model: K685T

PRODUCT OVERVIEW

The Ajazz K685T is a compact 68-key mechanical keyboard designed for versatility and performance. It supports three connection modes: Bluetooth, 2.4G wireless, and USB wired, allowing seamless switching between multiple devices. The keyboard features hot-swappable switches, enabling users to customize their typing experience without soldering. It also boasts vibrant RGB backlighting with 18 different effects and a long-lasting built-in battery.

Setup and Connection

Connection Modes

The Ajazz K685T supports three distinct connection methods:

- **Bluetooth Mode:** Ideal for mobile devices such as smartphones, tablets, and laptops that do not have available USB ports.

- **2.4G Wireless Mode:** Provides a clean, cable-free desktop experience. Requires a USB port on your PC or laptop for the 2.4G receiver.

- **USB Wired Mode:** Offers a fast and responsive connection to PCs and laptops. This mode also charges the keyboard simultaneously. Requires a USB port.

最大5台の接続デバイス クイック切り替え

Fn + Tab：有線モード/無線モードを切り替えます（有線モードなら一台のみ接続）

ワイヤレスモードの場合：

Fn + Q/W/E Bluetoothデバイスに接続します（Bluetooth接続には3つまでのデバイスが保存されます）

Fn + R：2.4Gレシーバーに接続します（一台まで対応）

Visual representation of the keyboard's three connection modes: Bluetooth (no USB interface needed), 2.4G wireless (no cable needed, uses receiver), and USB wired (fast response, charges keyboard).

Switching Between Modes and Devices

The keyboard allows connection to up to five devices with quick switching functionality:

- To switch between **Wired Mode** and **Wireless Mode**: Press **Fn + Tab**. (Note: Wired mode connects to only one

device.)

- In **Wireless Mode**:

  - For **Bluetooth Devices**: Press **Fn + Q**, **Fn + W**, or **Fn + E** to connect to and save up to three different Bluetooth devices.
  - For **2.4G Receiver**: Press **Fn + R** to connect to the 2.4G receiver (supports one device).

1900mAの大容量リチウム電池を搭載し、通常の使用には、バックライトありは約15時間、バックライトなしは100時間、待機時間の時は2700時間となります。
（実際の使用強度によって異なる場合があります）

OPERATING INSTRUCTIONS

Key Functions and Layout

The 68-key layout is compact for easy storage and portability. Many functions typically found on a full-size keyboard are accessible via combinations with the **Fn** key. This includes F1-F12, Print Screen (Prtsc), Scroll Lock (Scrlk), Pause, Insert

(Ins), and End.

Hot-Swappable Switches

The Ajazz K685T features hot-swappable sockets, allowing users to easily change mechanical switches without soldering. This feature is compatible with 3-pin switches.

RGB Backlight Modes

The keyboard is equipped with dynamic RGB backlighting, offering 18 different lighting effects. Users can customize the light color (full RGB spectrum and 7 single colors), brightness, and direction using **Fn** key combinations. To toggle the backlight on or off, press **Fn + X**. In Bluetooth mode, the backlight is off by default to conserve power.

MAINTENANCE

Battery Information

The Ajazz K685T features a built-in 1900mAh large-capacity lithium battery. Battery life varies based on usage:

- With backlight: Approximately 15 hours of continuous use.
- Without backlight: Approximately 100 hours of continuous use.
- Standby time: Up to 2700 hours.

Note: Actual battery life may vary depending on usage intensity and environmental factors.

Power Saving Modes

The keyboard incorporates two power-saving stages:

- If the keyboard is inactive for 1 minute, the backlight will automatically turn off.
- If the keyboard is inactive for 30 minutes, it will enter sleep mode to further conserve battery.

TROUBLESHOOTING

Connection Issues

- **Keyboard not connecting via Bluetooth/2.4G:** Ensure the keyboard is in the correct wireless mode (Fn + Tab). For Bluetooth, verify the device is discoverable and paired. For 2.4G, ensure the receiver is properly inserted into a USB port.

- **Difficulty switching devices:** Confirm you are using the correct Fn key combinations (Fn + Q/W/E for Bluetooth, Fn + R for 2.4G).

Backlight Issues

- **Backlight not turning on:** Press Fn + X to toggle the backlight. Ensure the keyboard is not in Bluetooth mode, as

backlight is off by default in this mode. Check battery level.

- **Backlight not changing effects/colors:** Refer to the backlight settings section for correct Fn key combinations to adjust effects, colors, brightness, and direction.

General Performance

- **Keys not responding:** Ensure the keyboard is charged. If using wireless mode, try switching to wired mode to rule out connectivity issues.

- **Unexpected behavior:** Perform a factory reset by pressing and holding **Fn + Spacebar** for 3 seconds. The keyboard backlight will flash 3 times, indicating a successful reset to factory settings.

SPECIFICATIONS

Brand	AJAZZ
Model	K685T
Connection Method	Bluetooth, 2.4Ghz Wireless, USB Wired
Product Dimensions	311 x 102 x 35 mm
Product Weight	580 g
