## Sojag Ventura II 500-9165197

# Sojag Ventura II 10' x 14' Hardtop Gazebo

**Model:** Ventura II 500-9165197

**Brand:** Sojag

## INTRODUCTION

The Sojag Ventura II Hardtop Gazebo provides a durable and stylish outdoor shelter. Designed to offer protection from UV rays and outdoor elements, this 10' x 14' gazebo features a robust aluminum frame and a galvanized steel double roof. It includes a two-track system for mosquito netting, enhancing your outdoor experience.

## SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions

may result in injury or damage to the product.

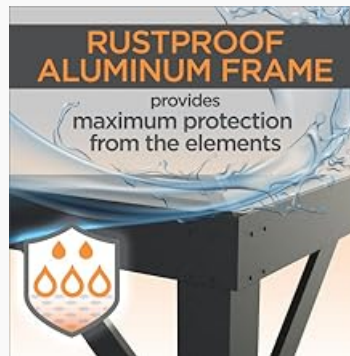

- Always follow assembly instructions carefully.
- Secure the gazebo to a stable foundation to prevent it from tipping over in windy conditions.
- Remove any accumulation of snow from the roof during winter to prevent structural damage.
- Disassemble or cover the included curtains and netting during winter to prevent damage from snow and ice.

## SETUP

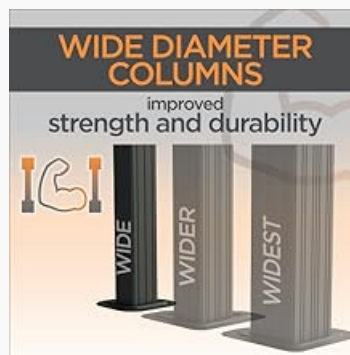

Assembly of the Sojag Ventura II Gazebo is required. It is recommended to have at least two adults for assembly. Refer to the detailed assembly manual included in your product packaging for step-by-step instructions, including part identification and fastening procedures.

### Key Structural Features

- **Rustproof Aluminum Frame:** The gazebo features a premium Interpon AkzoNobel powder-coated aluminum frame, designed for maximum protection against corrosion and the elements.
- **Wide Diameter Columns:** The structural columns are designed with a wide diameter to enhance overall strength and durability of the gazebo.
- **Galvanized Steel Double Roof:** A durable, galvanized steel roof provides ample shade and protection, while the double-roof design promotes increased air circulation.

## OPERATING THE GAZEBO

### Mosquito Netting System

The Ventura II Gazebo is equipped with a discrete two-track system. This system allows for the simultaneous use of the included mosquito netting and any additional curtains you may wish to install (curtains sold separately). To deploy the mosquito netting, simply slide it along the track. To retract, gather and secure it to the gazebo posts using the provided ties.

*Image: Close-up view of the double-track system, illustrating how both mosquito netting and curtains can be used simultaneously.*

## MAINTENANCE

Proper maintenance ensures the longevity and performance of your gazebo.

- **Seasonal Care:** While the gazebo is designed for year-round use, it is crucial to remove any accumulation of snow from the roof during winter months to prevent structural damage.
- **Netting and Curtains:** Remove the included mosquito netting and any additional curtains during winter to protect them from snow, ice, and harsh weather conditions. Store them in a dry, protected area.
- **Cleaning:** Clean the aluminum frame and galvanized steel roof with mild soap and water. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Inspection:** Periodically inspect all fasteners and connections to ensure they remain tight and secure.

## TROUBLESHOOTING

This section addresses common issues you might encounter.

- **Gazebo Instability:** Ensure the gazebo is securely anchored to a stable, level foundation. Check all frame connections for tightness.
- **Water Accumulation on Roof:** Verify that the roof panels are correctly installed and that there are no obstructions preventing proper water runoff. Remove snow promptly.
- **Difficulty with Netting/Curtains:** Inspect the two-track system for any debris or damage that might impede smooth operation. Ensure the tracks are clean.

## SPECIFICATIONS

Feature	Detail
Brand	Sojag
Model Number	500-9165197
Product Dimensions (L x W x H)	144"L x 120"W x 108"H (10' x 14' x 9')
Frame Material	Aluminum (Interpon AkzoNobel powder coated)
Roof Material	Galvanized Steel
Color	Dark Grey
Water Resistance Level	Water Resistant

UV Protection	Yes
Assembly Required	Yes
Occupancy	4-6 People
UPC	772830165197
