MERITLINE 517lk

MERITLINE Twin Size Loft Bed with Desk and Shelves

Model: 517lk

1. Important Safety Information

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- **Weight Limit:** Do not exceed the maximum weight capacity of 300 pounds for the bed.
- **Assembly:** Ensure all parts are securely fastened before use. Periodically check and tighten all connectors.
- **Mattress:** Use only a twin-size mattress. The recommended mattress thickness is 6 inches. Ensure the mattress surface is at least 5 inches below the upper edge of the guardrails.
- **Guardrails:** Always use the guardrails on both sides of the upper bunk.
- **Ladder Safety:** Always use the ladder for entering and exiting the upper bunk. Do not allow children to play on or under the bed without supervision.
- **No Jumping:** Do not allow jumping on the bed.
- **Ventilation:** Ensure adequate ventilation around the bed.
- **Placement:** Position the bed away from windows, cords, or other items that could pose a strangulation hazard.

2. Package Contents

Before beginning assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, do not proceed with assembly and contact customer support.

Figure 2.1: Overall dimensions and component layout of the loft bed, including the bed frame, desk, shelves, and ladder.

The package includes all necessary tools and an installation manual. Specific hardware and component lists will be detailed in the included assembly guide.

- Bed Frame Components (Headboard, Footboard, Side Rails, Slats)
- Desk Components (Desktop, Legs, Support Beams)
- Shelf Unit Components (Side Panels, Shelves, Back Panel)
- Ladder Components (Side Rails, Steps)
- Hardware Pack (Screws, Bolts, Washers, Nuts, Allen Wrench)
- Assembly Manual

3. Assembly Instructions

Assembly typically requires two adults. Clear a spacious area for assembly and keep all hardware within reach. Follow the step-by-step instructions provided in the separate assembly manual included in your package.

Figure 3.1: An overview of the assembled MERITLINE Twin Loft Bed, featuring the elevated bed, integrated desk, and shelving unit.

General Assembly Steps:

1. **Unpack and Identify:** Carefully unpack all components and hardware. Lay them out and identify each part using the provided parts list.
2. **Assemble Bed Frame:** Attach the side rails to the headboard and footboard. Ensure all connections are secure.
3. **Install Bed Slats:** Place and secure the bed slats onto the side rails.
4. **Assemble Desk and Shelves:** Construct the desk frame and attach the desktop. Assemble the shelving unit according to the diagrams.
5. **Integrate Desk and Shelves:** Attach the assembled desk and shelving unit to the main bed frame structure.
6. **Attach Ladder:** Securely attach the ladder to the designated side of the loft bed. The ladder can typically be assembled on either side.
7. **Final Check:** Double-check all bolts, screws, and connections to ensure they are tight and secure.

4. Usage Guidelines

4.1 Bed Usage

- Ensure a twin-size mattress is properly placed on the bed slats.
- Always use the ladder to access the upper bunk.
- Do not hang items from the bed frame or guardrails.

4.2 Desk and Shelf Usage

Figure 4.1: Detailed view of the spacious U-shaped desk and the three-tier open shelving unit, designed for study and storage.

- The desk provides a dedicated space for studying, reading, or creative activities.

- The integrated shelves are suitable for storing books, stationery, small electronics, or decorative items.
- Do not overload the desk or shelves beyond their reasonable capacity.

5. Maintenance and Care

- **Cleaning:** Wipe surfaces with a soft, dry cloth. For stubborn marks, a slightly damp cloth can be used, followed by immediate drying. Avoid abrasive cleaners or harsh chemicals, as these can damage the finish.
- **Hardware Check:** Periodically (every 3-6 months) check all bolts, screws, and connectors to ensure they are tight. Re-tighten if necessary to maintain stability and safety.
- **Avoid Moisture:** Keep the bed away from excessive moisture or direct sunlight to prevent warping or fading of the wood.
- **Moving the Bed:** When moving the bed, lift it rather than dragging it to prevent damage to the frame and flooring.

6. Troubleshooting

Problem	Possible Cause	Solution
Bed feels wobbly or unstable	Loose hardware connections	Check and tighten all bolts and screws. Ensure all parts are correctly aligned.
Parts do not fit together	Incorrect orientation of parts; manufacturing defect	Review the assembly manual to ensure parts are oriented correctly. If still an issue, contact customer support.
Missing hardware or damaged parts	Packaging error; shipping damage	Do not proceed with assembly. Contact customer support immediately for replacement parts.
Ladder feels loose	Ladder not securely attached	Ensure the ladder is fully engaged and all attachment bolts are tightened.

7. Product Specifications

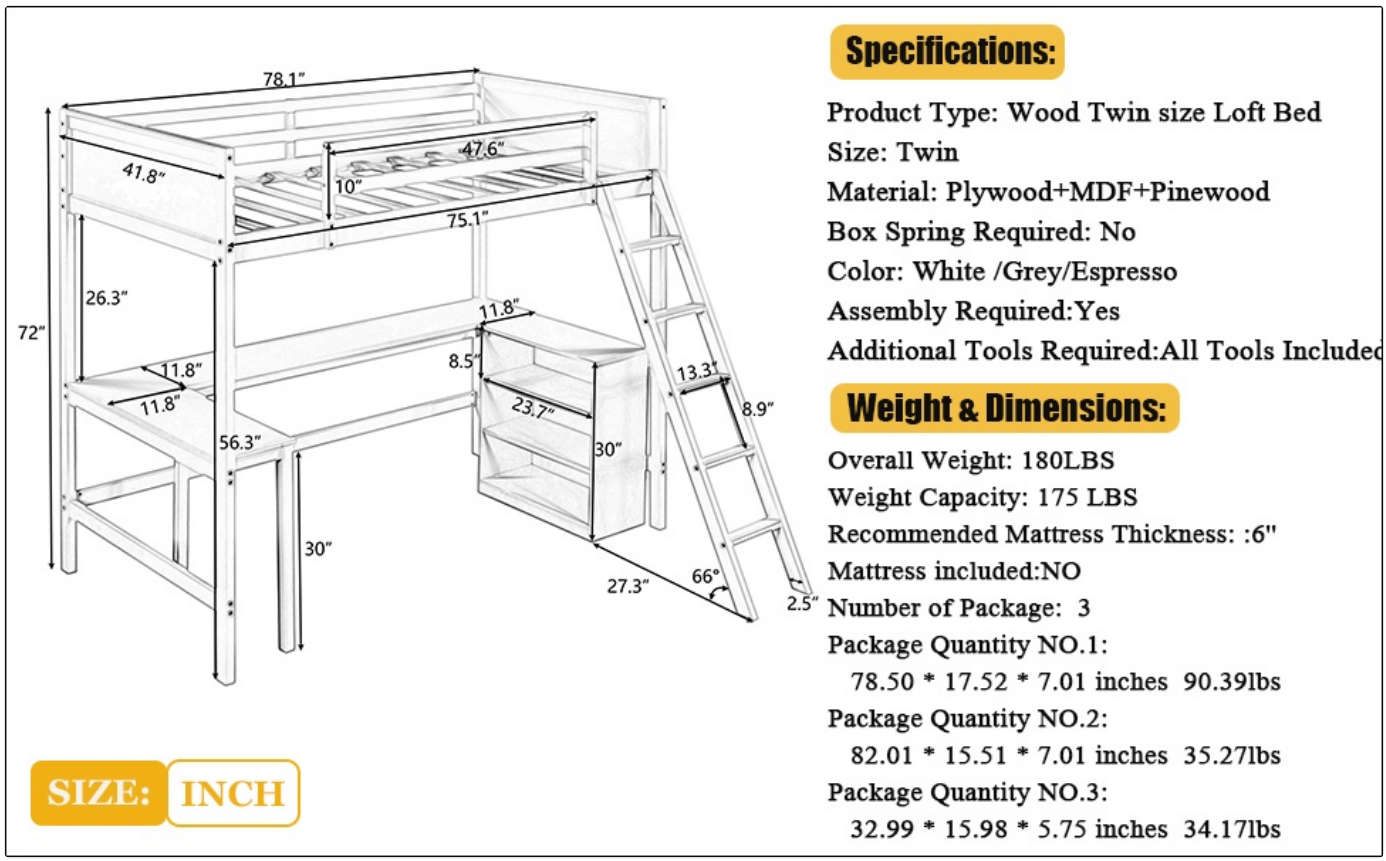

Figure 7.1: Key features of the MERITLINE Loft Bed, highlighting safety and functional design elements.

Feature	Detail
Model Number	517lk
Overall Dimensions (L x W x H)	79" x 41.8" x 68.3"
