Bestqool MK-02B

Bestqool LED Mask Photon LED Light Therapy - User Manual

Model: MK-02B

1. Introduction and Overview

The Bestqool LED Mask Photon LED Light Therapy device offers a professional-grade light therapy experience for skin rejuvenation and care in the comfort of your home. It features a multifunctional touch screen and a modular, double-layer folding design for ease of use and storage. This device utilizes 7 different light colors, including Near Infrared Light, to address various skin concerns.

The device is designed for versatile application across multiple body areas, providing targeted light therapy. It is built for durability and comfortable use, generating minimal heat with a built-in heat dissipation area.

2. Safety Information

Always read and understand all instructions before using the device. Statements regarding dietary supplements have not been evaluated by the FDA and are not intended to diagnose, treat, cure, or prevent any disease or health condition.

- **Eye Protection:** Always wear the provided protective goggles during operation to shield your eyes from the intense light.
- **Placement:** Ensure the device is placed on a stable, flat surface during use.
- **Heat Dissipation:** Do not block the heat dissipation areas on the device.
- **Cleaning:** Disconnect from power before cleaning. Use a soft, dry cloth. Do not use abrasive cleaners or immerse in water.
- **Storage:** Store in a cool, dry place away from direct sunlight and moisture.

3. Product Components

Your Bestqool LED Mask package includes the following components:

- Bestqool LED Mask Photon LED Light Therapy Device
- Power Adapter
- Protective Goggles
- User Manual (this document)

Figure 2: Included accessories with the Bestqool LED Mask.

4. Setup

To set up your Bestqool LED Mask for first use:

1. Carefully remove all components from the packaging.
2. Place the main device on a flat, stable surface. The device features a double-layer folding design, allowing it to be expanded for use or folded for storage.
3. Connect the power adapter to the device's power input port and then plug it into a suitable electrical outlet.
4. Ensure you have the protective goggles readily available before beginning your session.

5. Operating Instructions

The Bestqool LED Mask features an intuitive touch screen control panel:

Figure 3: Control Panel Layout.

1. **Power On/Off:** Press the **Power** button (circle with line) to turn the device on or off.
2. **Set Time:** Use the **+** and **-** buttons to adjust the session duration.
3. **Select Light Color:** Press the dedicated buttons for **Red**, **Blue**, **Green**, or **NIR** (Near Infrared) to activate specific light modes.
4. **Cycle Mode:** Press **Cycle** to rotate through all available light colors.
5. **Other Colors (Orange/Yellow/Purple):** Press **Others O/Y/P** to access orange, yellow, and purple light modes.
6. **Lock Screen:** Use the **Lock** icon to prevent accidental changes to settings during a session.
7. **Eye Protection:** Always wear the protective goggles before starting a light therapy session.

6. Light Therapy Modes and Benefits

The Bestqool LED Mask offers 7 distinct light colors, each with specific benefits for skin health:

Figure 4: Seven Light Effects & Benefits.

- **Red Light (630nm):** Enhances collagen production and helps reduce wrinkles.
- **Blue Light (460nm):** Diminishes inflammation and helps reduce excess oil.
- **Green Light (518nm):** Improves pigmentation and fine lines.
- **Yellow Light (590nm):** Smoothens skin and helps improve dullness.
- **Orange Light (610nm):** Boosts blood flow and metabolism.
- **Purple Light:** Offers relaxing effects and improves overall skin appearance.
- **Near Infrared Light (850nm):** Increases blood flow and helps relieve pain. This light is invisible to the human eye.

The device also supports combined light modes for targeted treatments:

- **Red + Green:** Improves skin clarity.
- **Red + Blue:** Aids in the inhibition of sebaceous gland activity.
- **Blue + Green:** Helps clear imperfections.
- **Red + Green + Blue:** Balances skin tone.
- **Any Light + NIR:** Supports deep skin repair.

The Near Infrared (NIR) light is not visible to the naked eye. To verify its operation, you can use a smartphone camera, which may show a pink glow from the NIR LEDs.

Figure 5: Verifying Near Infrared (NIR) Light.

Consistent use of the device may lead to visible improvements in skin texture, firmness, and reduction in breakouts and redness.

Figure 6: Potential Skin Improvements with Use.

7. Usage Frequency

For optimal results, adhere to the suggested usage frequency:

- **Beauty Applications:** 30 minutes per day, 4 days per week.
- **Therapeutic Applications:** 60 minutes per day, 5 days per week.

Doctors recommend using it for 2-3 weeks to see noticeable results.

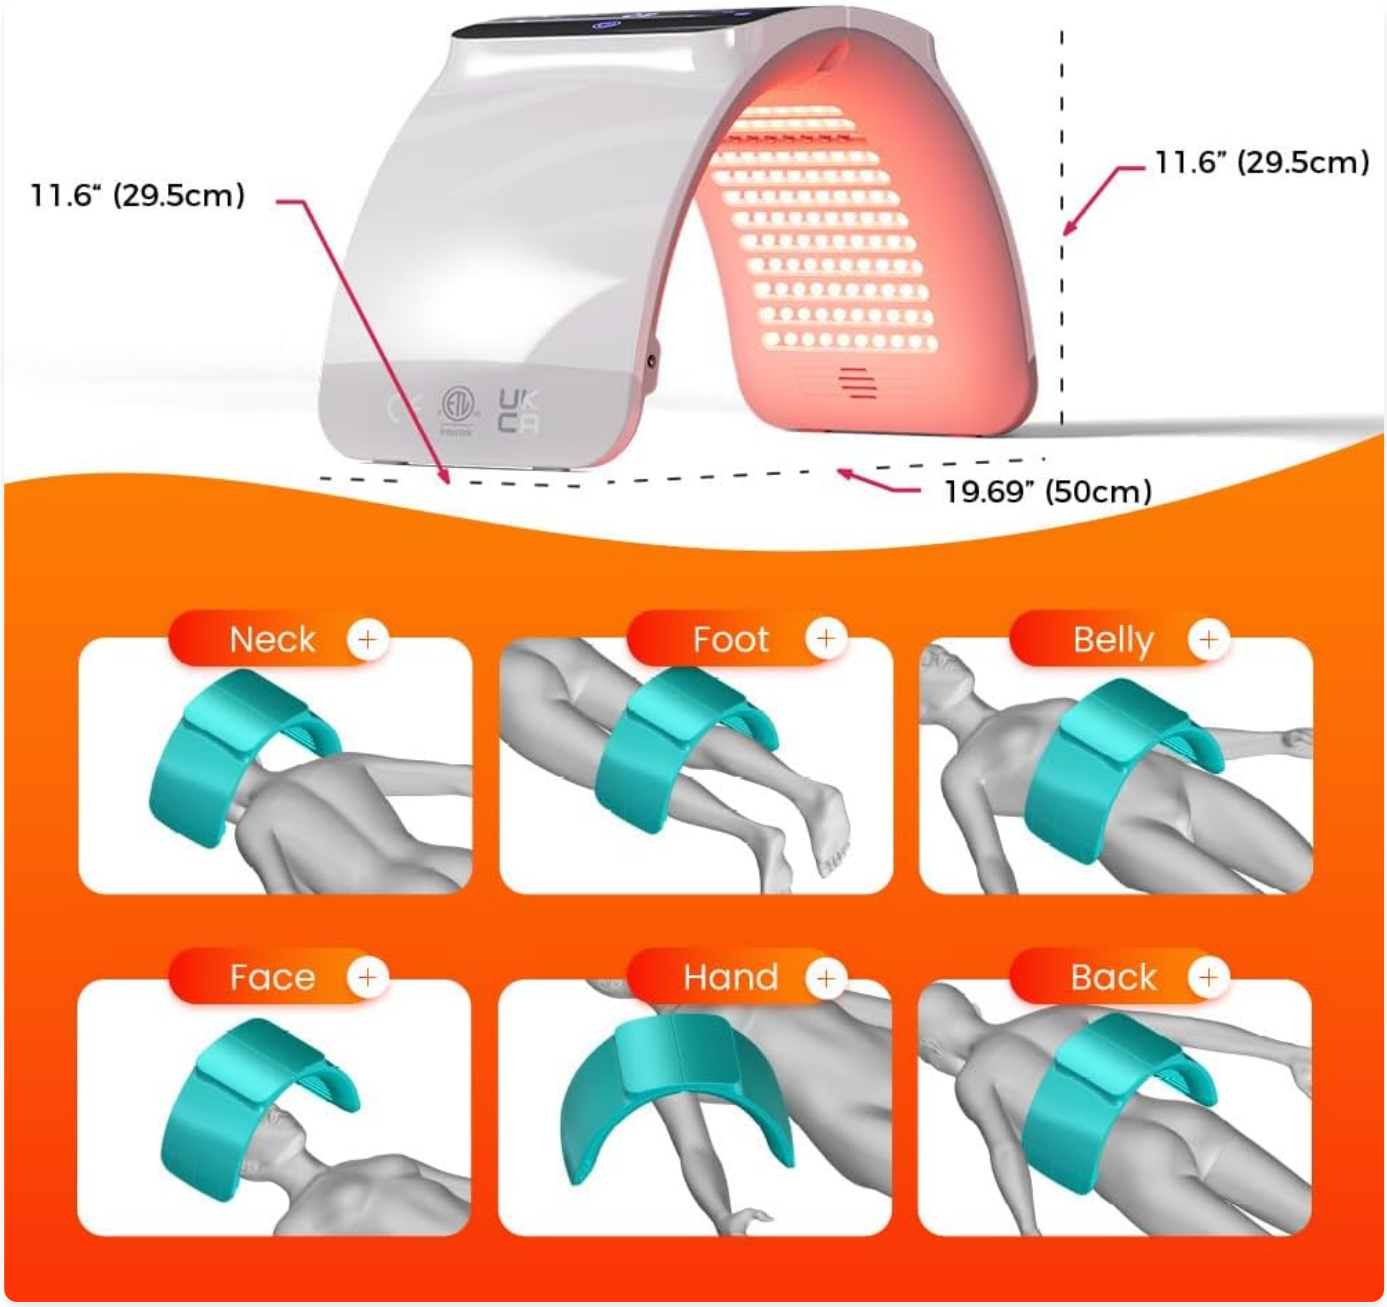

Figure 7: Suggested Use Frequency.

8. Maintenance

Proper maintenance ensures the longevity and effectiveness of your device:

- **Cleaning:** Always unplug the device before cleaning. Wipe the surface with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.
- **Storage:** When not in use, fold the device for compact storage. Store it in a clean, dry environment away from direct sunlight and extreme temperatures.

9. Troubleshooting

If you encounter any issues with your Bestqool LED Mask, please refer to the following common troubleshooting tips:

- **Device Not Powering On:** Ensure the power adapter is securely connected to both the device and a working electrical outlet. Check if the outlet is functional.
- **Lights Not Emitting:** Verify that the device is powered on and a light mode has been selected. For Near Infrared (NIR) light, remember it is invisible to the naked eye; use a smartphone camera to check for a faint glow.
- **Controls Unresponsive:** Check if the screen lock function is activated. Unlock the screen if necessary.
- **Unusual Odor or Noise:** Immediately discontinue use and unplug the device. Contact customer support.

For persistent issues or concerns not covered here, please contact Bestqool customer support.

10. Specifications

Feature	Detail
