DESIGN

The DB LLC Wireless Earbuds feature an in-ear style for comfortable and secure fit. Constructed from durable ABS and PVB materials, they are designed for longevity. With an IPX7 waterproof rating, these earbuds are protected against water immersion up to 1 meter for 30 minutes, making them suitable for various activities.

MAGNETIC SWITCH

The magnetic induction storage compartment does not need to be pressed hard to easily open the cabin door, which greatly enhances the user experience.

● The red area represents N level

● blue area represents magnet S level

SETUP

Charging the Earbuds and Case

1. Place the earbuds into the charging case. Ensure they are properly seated to initiate charging.
2. Connect the charging case to a power source using a compatible USB cable. The digital display on the case will indicate the charging progress.
3. The charging case takes approximately 2 hours to fully charge. The earbuds will fully charge in about 1 hour when placed in a charged case.

Pairing with Your Device

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, computer), go to Bluetooth settings.

3. Search for available devices and select "F9-5C" (or similar name) from the list.
4. Once connected, you will hear a confirmation tone, and the earbuds will be ready for use.

OPERATING

Touch Controls

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud during an incoming call.
- **Reject Call:** Press and hold either earbud for 2 seconds during an incoming call.
- **Activate Voice Assistant:** Triple tap on either earbud.

Volume Control

Volume control functionality is available directly on the earbuds. Refer to the specific touch control gestures for volume adjustment, typically a long press or multiple taps on a specific earbud.

Microphone Usage

The built-in microphone allows for hands-free calls. Ensure the earbuds are properly connected to your device for call functionality.

MAINTENANCE

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry cloth. Avoid using abrasive materials or harsh chemicals.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage.
- **Water Resistance:** While IPX7 waterproof, avoid prolonged submersion in water. Ensure the charging port is dry before charging.
- **Battery Care:** To prolong battery life, avoid fully discharging the earbuds and case frequently. Charge them regularly.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Earbuds not pairing	Out of range, low battery, pairing mode not active.	Ensure earbuds are charged and in pairing mode. Move closer to the device. Restart Bluetooth on your device.
No sound	Volume too low, not connected, incorrect audio output.	Increase volume on both earbuds and device. Reconnect earbuds. Check device's audio output settings.
Charging issues	Dirty charging contacts, faulty cable/adapter.	Clean charging contacts on earbuds and case. Try a different USB cable and power adapter.

Intermittent connection	Interference, too far from device.	Move away from sources of interference (Wi-Fi routers, other Bluetooth devices). Stay within 10m range.
