## HITHOS B09QSSWJ4N

# HITHOS 3-in-1 Metal Hall Tree Instruction Manual

Model: B09QSSWJ4N

## INTRODUCTION

---

Thank you for choosing the HITHOS 3-in-1 Metal Hall Tree. This industrial-style clothes rack with shelves and a shoe bench is designed to provide heavy-duty storage and organization for your living room or entryway. This manual provides essential information for assembly, usage, and maintenance to ensure optimal performance and longevity of your product.

## PRODUCT FEATURES

- **Stable Structure:** Constructed from high-grade MDF wood and heavy-duty steel with a contemporary black finish, ensuring long-lasting sturdiness and superior durability. The ladder structure enhances stability, supporting up to 300 lbs.
- **3-in-1 Design:** Features 5 storage shelves for folded clothing and accessories, a built-in clothes rod, and 4 metal hooks for hanging coats, bags, jackets, or dresses. The bottom 2-layer rack can also function as a shoe bench.
- **Ample Storage:** Offers various storage options within its extra-large 6ft body, making it a practical piece for organizing clothes or displaying items. Overall measurements: 11" D X 46.9" W x 71.7" H.
- **Versatile Rack:** Its stylish mixed-material look and elegant A-frame structure allow it to be placed in any space, serving as a coat stand in the hallway, a clothing organizer in the bedroom, or a utility shelf in a home office.

## PACKAGE CONTENTS

---

Upon opening the package, please verify that all necessary components and hardware are present and undamaged. The HITHOS 3-in-1 Metal Hall Tree includes all parts required for assembly, along with clear, visual instructions.

- Metal frame components
- MDF wood shelves and bench top
- Hanging rod and hooks
- Assembly hardware (screws, bolts, Allen wrench)
- Instruction manual

## SAFETY INFORMATION

---

- Always assemble the product on a soft, clean surface to prevent scratches.
- Ensure all screws and bolts are securely tightened before use. Periodically check and re-tighten as needed.

- Do not overload the shelves or hanging rod beyond the stated weight capacity (up to 300 lbs total).
- For added stability and safety, especially in homes with children or pets, utilize the included wall anchor kit to secure the hall tree to a wall.
- Keep small parts and packaging materials away from children to prevent choking hazards.

## SETUP AND ASSEMBLY

---

Assembly of the HITHOS Hall Tree is designed to be straightforward, typically taking 3-4 hours for one person. Follow the visual instructions provided in the package carefully. It is recommended to loosely tighten all screws initially and then fully tighten them once the entire structure is assembled to ensure proper alignment.

1. Unpack all components and lay them out on a protected surface. Identify each part using the provided labels in the instruction manual.
2. Begin by assembling the main frame sections according to the step-by-step diagrams. Pay close attention to the orientation of each piece and the direction of pre-drilled holes.
3. Attach the shelves and the shoe bench, ensuring they are properly seated and secured.
4. Install the hanging rod and the metal hooks onto the designated panel.
5. Once all components are in place, go back and fully tighten all screws and bolts.
6. Adjust the leveling feet at the bottom of the unit to ensure stability on uneven floors.
7. Secure the unit to the wall using the anti-tip kit if desired or required for safety.

## OPERATING INSTRUCTIONS / USAGE

The HITHOS 3-in-1 Metal Hall Tree is designed for versatile storage and organization. Utilize the hanging rod and hooks for coats, jackets, scarves, and bags. The multiple shelves are ideal for folded clothing, hats, decorative items, or storage bins. The lower mesh shelves and bench area provide convenient space for shoes, boots, or a place to sit while putting on footwear.

## MAINTENANCE

To maintain the appearance and longevity of your HITHOS Hall Tree, follow these simple care instructions:

- **Cleaning:** Wipe the surfaces with a dry, soft cloth. Avoid using harsh chemicals or abrasive cleaners, which may damage the finish.
- **Inspection:** Periodically check all connections and hardware to ensure they remain tight. Re-tighten any loose screws or bolts to maintain stability.
- **Placement:** Avoid placing the unit in direct sunlight or near heat sources, as this may cause warping or discoloration over time.

## TROUBLESHOOTING

---

If you encounter any issues with your HITHOS Hall Tree, consider the following common solutions:

- **Instability/Wobbling:** Ensure all assembly screws are fully tightened. Adjust the leveling feet at the base of the unit to compensate for uneven flooring. Verify that the unit is placed on a flat, stable surface.
- **Missing Parts:** Double-check the packaging and all components against the parts list in the instruction manual. If parts are genuinely missing, contact HITHOS customer support.
- **Difficulty Assembling:** Review the instruction manual carefully, paying close attention to the orientation of parts. Sometimes, a piece may need to be rotated 180 degrees to fit correctly. Do not force components together.

For issues not covered here, please refer to the Warranty and Support section for contact information.

## SPECIFICATIONS

---
