# **Serta 8-inch Cooling Gel Memory Foam Mattress, Twin Size**

Instruction Manual

## **INTRODUCTION**

This manual provides essential information for the setup, use, maintenance, and care of your new Serta 8-inch Cooling Gel Memory Foam Mattress, Twin Size. Please read these instructions carefully to ensure optimal performance and longevity of your mattress.

## SETUP INSTRUCTIONS

Your Serta mattress is conveniently packaged in a box for easy delivery and setup. Follow these steps to prepare your mattress for use:

1. **Unpack:** Carefully lift the box to the desired bedroom and remove the mattress from the box.
2. **Unroll:** Unroll the compressed mattress onto your bed frame or foundation. Carefully remove the plastic and/or paper wrapping. **Do not use a sharp knife or scissors to open the plastic wrap as you can risk damaging the mattress fabric.**
3. **Unwind:** Allow the mattress to expand fully. It can take 24-72 hours for your mattress to reach its full size and comfort level.

#### A history built on the belief that comfort is everything.

With over 90 years of experience, we believe that mattress shopping shouldn't be stressful. We believe whether you are buying a mattress online or shopping for a bed in-store, you should feel supported, relaxed and comfortable during the entire purchase process. This is why Serta is one of the best brands out there that help people like you get the sleep they need and deserve no matter if you're a back, stomach or side sleeper. Check out some of the things we've learned along the way that have helped us believe this way and continue to be able to bring new sleep innovations to the table.

Image: A visual guide illustrating the three steps for setting up a mattress that arrives compressed in a box: unpack, unroll, and unwind.

For optimal comfort, allow one week of use for your mattress to fully break in and air out.

## OPERATING (USAGE)

The Serta 8-inch Cooling Gel Memory Foam Mattress is designed for supportive and comfortable sleep. Key features include:

- **Serta Gel Memory Foam:** This layer contours to your body for cushioning comfort and promotes airflow to help regulate temperature.
- **Serta Foam Core:** Provides durable, consistent support across the entire mattress surface.
- **Medium-Firm Feel:** Ideal for stomach and back sleepers, offering extra support and lift.

## **GEL MEMORY FOAM**

**All night cooling; Cool, comfortable  
memory foam support night after night.**

### Compatible Bases

Your Serta mattress is compatible with a variety of bed bases, including:

- Traditional Box Springs
- Platform Frames (with no more than 2 inches between slats)
- Adjustable Bases

Please refer to Serta's Mattress Warranty Information for specific guidelines on foundation requirements to ensure warranty validity.

### MAINTENANCE

Proper care will extend the life of your Serta mattress:

- **Cleaning:** Spot clean only. Do not apply liquids directly to the mattress. For spills, use baking soda to absorb moisture and odors, then vacuum after 15 minutes.
- **Protection:** Utilizing a mattress protector is highly recommended to safeguard against spills and stains.
- **Cover:** Do not remove the mattress cover.

## TROUBLESHOOTING

- **New Mattress Odor:** It is normal for a new mattress to have a slight odor upon unpacking. This is due to the fresh materials and will dissipate as the mattress airs out. Allow one week of use for the mattress to fully air out.
- **Incomplete Expansion:** If your mattress does not appear to have fully expanded after 24-72 hours, ensure it is placed on a flat surface in a well-ventilated room. Continued use will help it reach its maximum comfort.

## SPECIFICATIONS

Feature	Detail
Product Dimensions	76" L x 40" W x 8" Th
Item Weight	37.2 pounds
Manufacturer	Serta
Item Model Number	500776578-1010
