1. Product Overview

The ZURU MAX Build More Mystery Egg Capsule is a construction brick toy designed to inspire creativity and building skills. Each capsule contains a mystery set of building parts that can be assembled into various models, compatible with other major building brick brands. This manual provides essential information for the safe and proper use of your ZURU MAX Build More product.

2. Important Safety Information

WARNING: CHOKING HAZARD - Small parts. Not for children under 3 years.

This product contains small components which may pose a choking hazard. Always supervise children during play. Keep all building parts and packaging materials out of reach of infants and young children to prevent accidental ingestion or injury.

3. Package Contents

Each ZURU MAX Build More Mystery Egg Capsule contains:

- Assorted Building Parts (quantity and specific parts vary by mystery capsule)

Image: A single ZURU MAX Build More Mystery Egg Capsule, showcasing its design and branding.

4. Initial Setup

Follow these steps to begin playing with your ZURU MAX Build More Mystery Egg Capsule:

1. **Unpack the Capsule:** Carefully open the plastic egg capsule. You may need to twist or gently pry it open.
2. **Identify Parts:** Empty all contents onto a clean, flat surface. Sort the building parts if desired to help with

assembly.

3. **Review Instructions (if included):** Some capsules may include small instruction sheets for specific models. Refer to these for guided builds, or use your imagination for free-form construction.

5. Building Instructions

ZURU MAX Build More bricks are designed for easy connection and disconnection, allowing for endless creative possibilities. The bricks are compatible with other major building brick brands, expanding your building potential.

General Building Tips:

- **Connect:** Align the studs on one brick with the holes on another and press firmly to connect.
- **Disconnect:** Gently pull bricks apart. For stubborn connections, a brick separator (not included) may be helpful.
- **Experiment:** Don't be afraid to try different combinations and designs. The mystery nature of the capsule encourages improvisation.

Example Builds:

While each capsule contains a mystery assortment, here are examples of models that can be constructed with ZURU MAX Build More bricks, demonstrating the versatility of the system:

Image: A red race car model, assembled using ZURU MAX Build More construction bricks.

Image: An off-road jeep model, featuring green and grey bricks, constructed with ZURU MAX Build More parts.

Image: A red fire truck model, complete with a ladder, built using ZURU MAX Build More construction bricks.

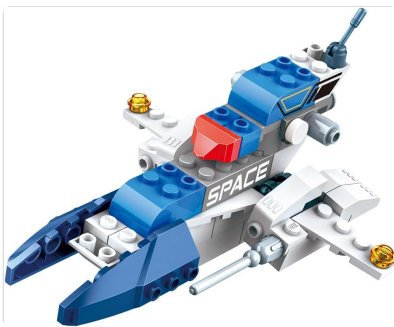

Image: A blue and white space shuttle model, showcasing intricate details, assembled from ZURU MAX Build More bricks.

Image: A white and blue airplane model, featuring wings and tail, constructed with ZURU MAX Build More parts.

Image: A blue police car model, complete with siren lights, built using ZURU MAX Build More construction bricks.

6. Care and Maintenance

To ensure the longevity of your ZURU MAX Build More bricks, follow these simple care instructions:

- **Cleaning:** Wipe bricks with a damp cloth and mild soap if necessary. Rinse thoroughly and air dry. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store bricks in a clean, dry place away from direct sunlight and extreme temperatures. The original capsule can be used for storage.
- **Avoid Heat:** Do not expose bricks to high heat, as this may cause warping or damage.

7. Troubleshooting

If you encounter any issues with your ZURU MAX Build More Mystery Egg Capsule, please refer to the table below:

Problem	Possible Cause	Solution
Difficulty connecting bricks	Incorrect alignment; new bricks may be stiff.	Ensure studs and holes are perfectly aligned. Apply firm, even pressure. Bricks may loosen slightly with use.
Difficulty disconnecting bricks	Very tight connection.	Gently twist and pull. A brick separator (not included) can assist.
Missing parts for a specific model	Mystery capsules contain random assortments; not guaranteed to build a specific model.	Embrace creative building! Use the parts you have to design your own unique creations.

8. Product Specifications

Feature	Detail
