2. SAFETY INFORMATION

- **Anti-Toppling Device:** For your safety, an anti-toppling device is included. Please ensure it is properly installed to prevent accidental tipping, especially in households with children or pets.
- **Weight Capacity:** Do not exceed the maximum weight capacity for the tabletop (110 lbs) and the stool (330 lbs).
- **Anti-Slip Foot Pads:** The vanity and stool are equipped with anti-slip foot pads for stability. Ensure they are securely in place before use.
- **Electrical Safety:** When using the charging station and lighted mirror, ensure all connections are secure and avoid exposing electrical components to water. Unplug when not in use or during cleaning.

3. ASSEMBLY INSTRUCTIONS

Your CHARMAID Vanity Desk is designed for straightforward assembly. Please follow the step-by-step instructions provided in the included assembly manual. Ensure all parts are present before beginning. A drill may expedite the process for certain screws.

- Unpack all components and verify against the parts list.
- Attach the legs to the vanity desk and stool using the provided hardware.
- Secure the mirror to the tabletop.
- Install the anti-toppling device to a wall stud for maximum safety.
- Connect the power cable for the lighted mirror and charging station.

4. OPERATING INSTRUCTIONS

5. MAINTENANCE

- **Cleaning:** Wipe the vanity desk and mirror with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish or mirror surface.
- **Spills:** Promptly clean any spills to prevent staining, especially on the rustic brown finish.
- **Hardware:** Periodically check and tighten any loose screws or hardware to maintain stability.

6. TROUBLESHOOTING

- **Mirror Light Not Working:** Ensure the power cable is securely plugged into both the mirror and a working electrical outlet. Check if the touch button is responsive.
- **Charging Station Not Functioning:** Verify the power connection. Test with different devices and cables to rule out device-specific issues.
- **Drawers Sticking:** Check for any obstructions in the drawer slides. Ensure the slides are clean and free of debris.
- **Vanity Wobbles:** Confirm all leg screws are tightened. Ensure the vanity is placed on a flat, even surface. Adjust anti-slip foot pads if necessary.
