› DELSEY PARIS Chatelet Air 2.0 Hardside Luggage with Spinner Wheels, Chocolate Brown, Checked-Large 28 Inch User Manual

DELSEY PARIS 40167682106

DELSEY PARIS Chatelet Air 2.0 Hardside Luggage User Manual

Model: 40167682106

INTRODUCTION

The DELSEY PARIS Chatelet Air 2.0 Hardside Luggage is designed for travelers seeking a blend of timeless elegance and practical innovation. Named after the central district of Paris, this luggage features a durable polycarbonate shell and thoughtful interior design. It is engineered for resilience against temperature changes and impacts, ensuring your belongings are protected during travel.

KEY FEATURES

- **Lightweight 100% polycarbonate shell:** Extremely resilient to cracking or breaking, designed with stylish faux leather accents and additional corner protectors for extra durability.
- **Dual Density, double-spinner wheels:** Assure a stable base with multi-directional rolling with zero weight on your hand for easy travel.
- **Recessed 3-dial TSA approved combination lock:** For security; features patented SECURITECH zip, a closing system that is 3 times more resistant to intrusion than a conventional zipper.
- **SILVADUR technology coated lining:** Provides effective odor control.
- **Ergonomical handle:** For easy maneuverability and soft-grip side and top carrying handles.
- **Included accessories:** Laundry bag, shoe bag, and mesh zippered pockets for additional organization.

SETUP

Before your first use, familiarize yourself with the luggage components.

1. Handle Extension and Retraction

To extend the telescoping handle, press the button located on the top of the handle and pull upwards. To retract, press the button again and push the handle downwards until it is fully nested.

Figure 1: Front view of the luggage with the handle extended, showing its ergonomic design.

2. Wheel Functionality

The luggage is equipped with dual density, double-spinner wheels designed for multi-directional movement. These wheels allow the luggage to glide smoothly beside you, eliminating the need to tilt and pull, reducing strain on your arm.

Figure 2: Detailed view of the durable dual spinner wheels, designed for smooth movement.

3. Setting the TSA Combination Lock

Your luggage comes with a recessed 3-dial TSA approved combination lock. To set your personal combination:

1. Ensure the lock is set to its factory default combination (usually 0-0-0).
2. Locate the reset button (a small, recessed button, often requiring a pen tip to press).
3. Press and hold the reset button. While holding, set your desired 3-digit combination by rotating the dials.

4. Release the reset button. Your new combination is now set.
5. To lock the zippers, insert the zipper pulls into the lock slots and scramble the dials. To unlock, dial your set combination and press the release button.

OPERATING INSTRUCTIONS

1. Packing Your Luggage

The Chatelet Air 2.0 offers a deluxe interior designed for optimal organization. Utilize the mesh zippered pockets for smaller items and the included laundry and shoe bags to keep your belongings separated and tidy.

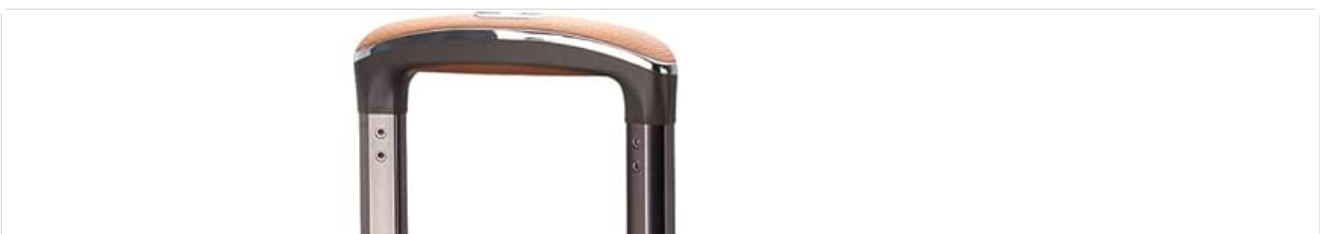

Figure 4: The spacious interior with multiple compartments and securing straps for organized packing.

2. Maneuvering the Luggage

Thanks to its dual spinner wheels, the luggage can be effortlessly pushed or pulled in any direction. For navigating tight spaces, use the top or side soft-grip carrying handles. The ergonomic handle ensures comfortable grip and control.

MAINTENANCE

To maintain the appearance and functionality of your DELSEY PARIS luggage:

- **Exterior Cleaning:** The polycarbonate shell is designed to be easy to clean. Wipe down the exterior with a soft, damp cloth and mild soap. Avoid abrasive cleaners that may damage the finish.
- **Interior Care:** The lining is treated with SILVADUR technology for odor control. For spills or stains, spot clean with a gentle fabric cleaner. Allow to air dry completely before closing.
- **Wheel Maintenance:** Periodically check the wheels for any debris or hair that might impede smooth rolling. Clean as necessary.
- **Storage:** Store your luggage in a cool, dry place away from direct sunlight when not in use.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Handle stuck or difficult to extend/retract	Debris in mechanism, bent handle tubes, or excessive force.	Ensure the release button is fully pressed. Check for visible obstructions and gently clear them. Avoid forcing the handle. If bent, professional repair may be needed.
Wheels not rolling smoothly	Hair, lint, or debris caught in wheel axles.	Turn the luggage upside down and carefully remove any obstructions from the wheels. You may use tweezers or a small tool.
TSA lock not opening with correct combination	Combination incorrectly set or dials misaligned.	Double-check your combination. Ensure each dial clicks precisely into place. If still locked, try the factory default (0-0-0) or consult the lock instructions for reset procedures.
Zippers difficult to move	Dirt or debris in zipper teeth, or zipper misalignment.	Clean zipper teeth with a small brush. Apply a small amount of zipper lubricant (e.g., wax or silicone spray) if needed. Ensure zipper teeth are properly aligned.

SPECIFICATIONS

Product Dimensions: 20.75 x 12.75 x 30 inches (includes handles & wheels)

Item Weight: 11.1 pounds

Capacity: 110 Liters

Shell Material: 100% Polycarbonate

Wheels: Dual Density, Double-Spinner

Lock Type: Recessed 3-dial TSA Approved Combination Lock
