mDesign Lumiere Collection Organizer Bin, 8x6x4 inch (Pack of 2)

mDesign Lumiere Collection Stackable Organizer Bin User Manual

Model: Lumiere Collection Organizer Bin, 8x6x4 inch (Pack of 2)

1. PRODUCT OVERVIEW

The mDesign Lumiere Collection Stackable Organizer Bin with Pull-Out Drawer is designed to provide versatile and efficient storage solutions for various items in your home. Made from durable plastic, these clear bins allow for easy visibility of contents and feature a convenient pull-out drawer for quick access. Their stackable design maximizes vertical storage space, making them ideal for cabinets, shelves, and countertops.

2. FEATURES

- **Clear View Design:** Transparent plastic construction allows for easy identification of stored items, saving time and effort.
- **Pull-Out Drawer:** Each bin features a smooth-gliding drawer for convenient access to contents.
- **Stackable:** Designed to stack securely, optimizing vertical storage in compact spaces.
- **Durable Construction:** Made from robust plastic for long-lasting use.
- **Versatile Use:** Suitable for organizing bathroom accessories, kitchen items, office supplies, craft materials, and more.

3. SETUP

The mDesign Lumiere Collection Stackable Organizer Bins require no assembly. They are ready for use directly out of the packaging.

1. **Unpack:** Carefully remove the organizer bins from their packaging.
2. **Inspect:** Check for any signs of damage during transit. If any damage is found, please contact customer support.
3. **Placement:** Place the bins on a flat, stable surface. If stacking multiple units, ensure they are aligned properly for stability.

4. OPERATING INSTRUCTIONS

Using your mDesign organizer bins is straightforward:

- **Storing Items:** Open the pull-out drawer and place your desired items inside. The clear design helps you categorize and locate items easily.
- **Accessing Items:** Gently pull the drawer forward to access its contents. Push it back in until it is fully closed.

- **Stacking:** To stack multiple bins, place one bin directly on top of another. The design ensures a stable stack. Avoid stacking more units than is practical for your space and the weight of the contents to maintain stability.

5. MAINTENANCE

To ensure the longevity and appearance of your organizer bins, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the bins with a soft, damp cloth and mild soap. Avoid abrasive cleaners or harsh chemicals, as these can scratch or damage the plastic.
- **Drying:** Dry thoroughly with a soft, dry cloth to prevent water spots.
- **Avoid Extreme Temperatures:** Do not expose the bins to extreme heat or cold, as this may cause warping or cracking.

6. TROUBLESHOOTING

- **Drawer not sliding smoothly:** Ensure the drawer is properly aligned within its tracks. Check for any debris or obstructions that might be hindering movement.
- **Bins not stacking securely:** Verify that the bins are placed on a level surface and that each unit is

correctly seated on the one below it. Avoid overloading the drawers, which can cause bowing and affect stability.

- **Product appears tinted, not clear:** Some variations of the clear plastic may have a slight tint. This is generally a cosmetic characteristic and does not affect functionality.

7. SPECIFICATIONS

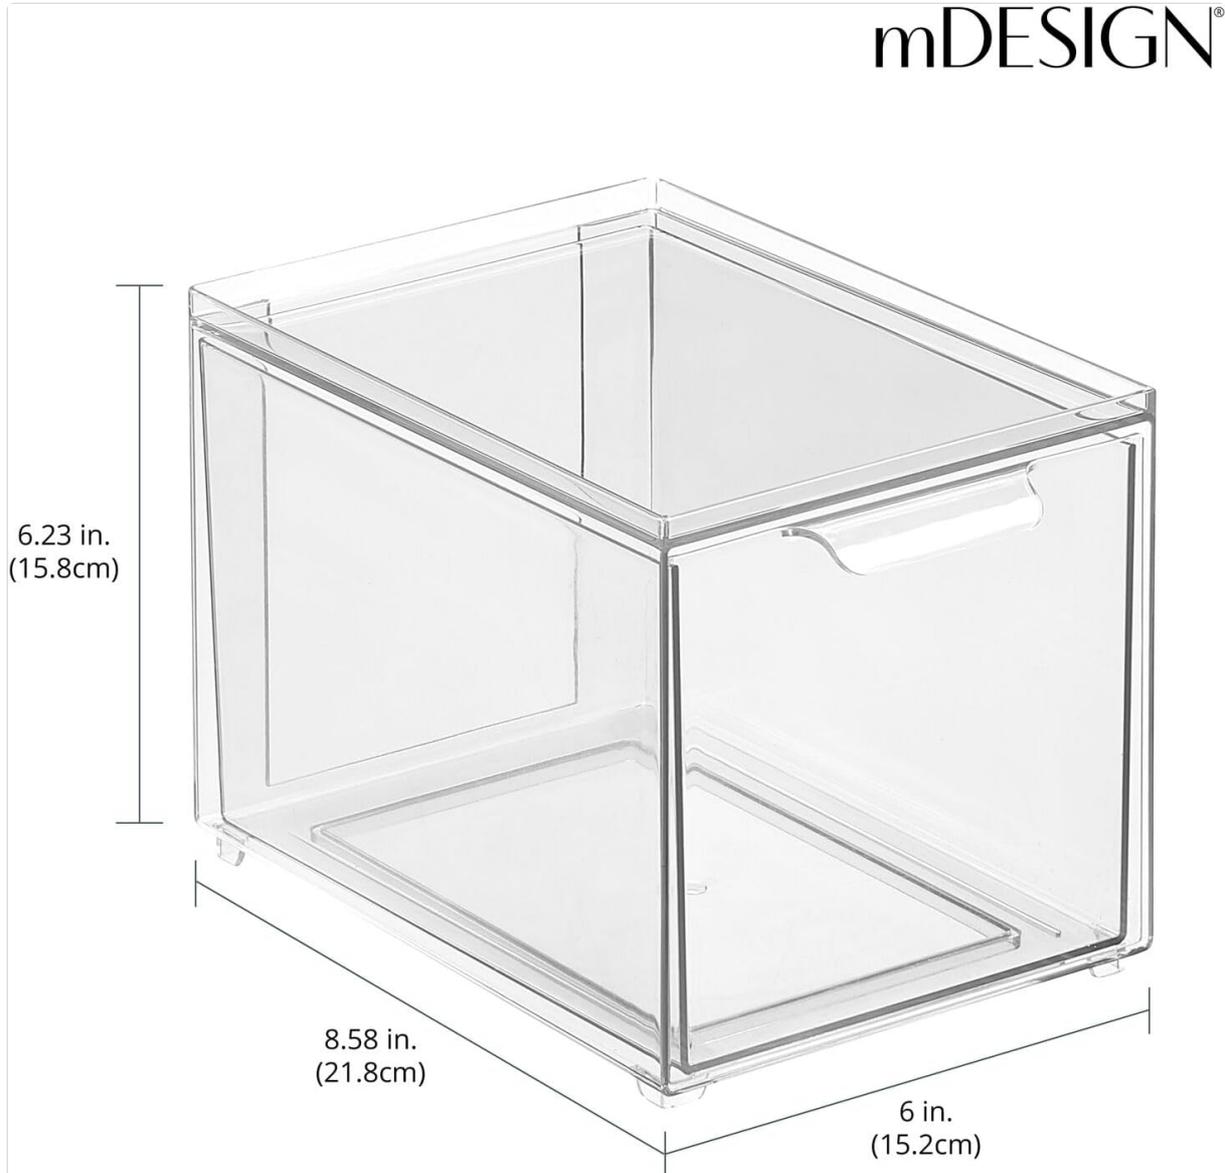

Image 7.1: Detailed dimensions of the mDesign Lumiere Collection Stackable Organizer Bin.

Attribute	Detail
Brand	mDesign
Model	Lumiere Collection Organizer Bin
Color	Clear
Material	Plastic
Product Dimensions (D x W x H)	6.23"D x 6"W x 8.58"H
