## 1. INTRODUCTION

The Bruder 62611 bworld Cow and Calf Barn with Farmer playset offers a detailed and interactive farm experience. This set includes a modern stable for a cow, a separate calf box, a farmer figure, and various accessories to simulate daily farm activities. It is designed to encourage imaginative play and can be combined with other bworld elements to expand the play environment.

### Included Components:

- Cow shed with fence and feed trough
- Calf box with bottom and equipment
- Farmer figure with wheelbarrow and accessories
- Cow figure
- Calf figure

**Safety Warning:** This product contains small parts and is not suitable for children under 3 years old. Recommended age is 4 years and above.

## 2. SETUP

The Bruder 62611 playset requires no complex assembly. All components are designed for easy placement and interaction. Follow these steps to set up your farm scene:

1. **Unpack Components:** Carefully remove all items from the packaging.
2. **Position the Cow Shed:** Place the cow shed structure on a flat, stable surface. Ensure the fence and feed trough are securely attached.
3. **Set up the Calf Box:** Position the calf box next to the cow shed or in a suitable area. Ensure the bottom is in place

and the drinking bucket is accessible.

4. **Arrange Accessories:** Place the wheelbarrow, farming tools (rake, shovel), and other accessories within the play area as desired.
5. **Place Figures and Animals:** Position the farmer figure, cow, and calf within their respective areas in the barn.

Image 1: Initial setup of the cow and calf barn, showing the farmer attending to the calf and the cow at the feed trough.

Image 2: A wider view of the fully arranged barn playset, including the farmer, cow, and calf in their respective areas.

### 3. OPERATION AND PLAY

The bworld Cow and Calf Barn playset is designed for interactive and imaginative play. Here are some ways to engage with the set:

- **Caring for the Cow:** Use the feed trough to "feed" the cow. The stable includes massage brushes for the cow's comfort.
- **Attending to the Calf:** The calf box provides a safe space for the calf. Use the drinking bucket to "provide water" to the calf.
- **Farmer's Duties:** The farmer figure can use the wheelbarrow and included tools (rake, shovel) to "feed" the animals and "clean" the shed, promoting realistic farm activities.
- **Expanding the Play:** All bworld background elements are designed to be combined, allowing for an expanded play world and more creative scenarios with other Bruder toys.

Image 3: The farmer figure standing with the cow, while the calf stands nearby, illustrating interaction.

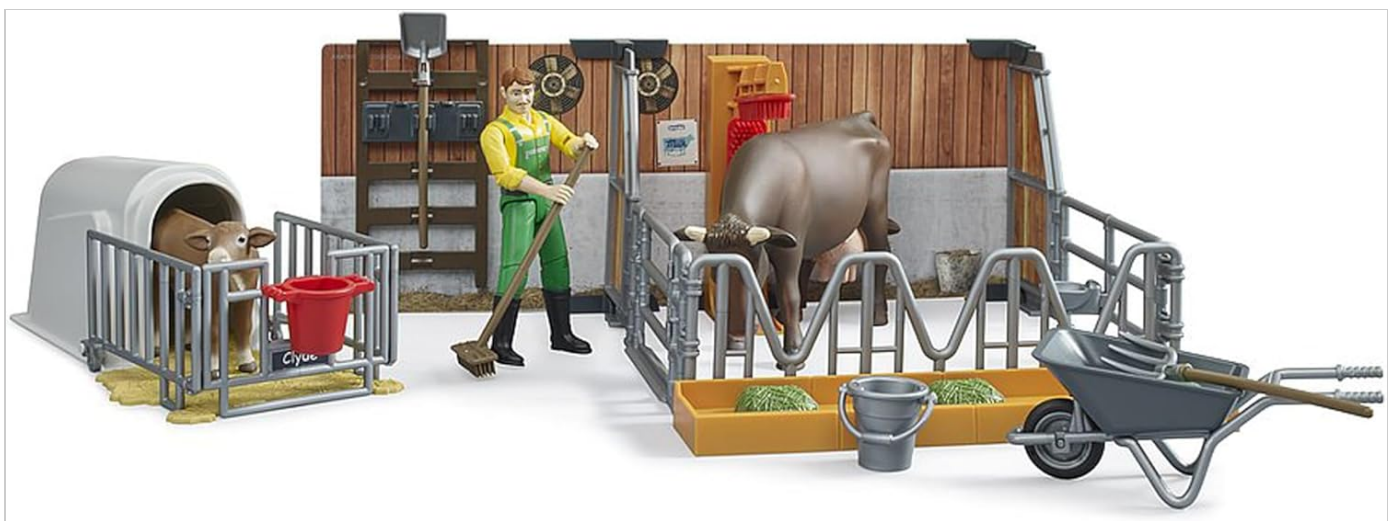

Image 4: The farmer figure engaged in cleaning the barn area with a broom, with the calf visible in its pen.

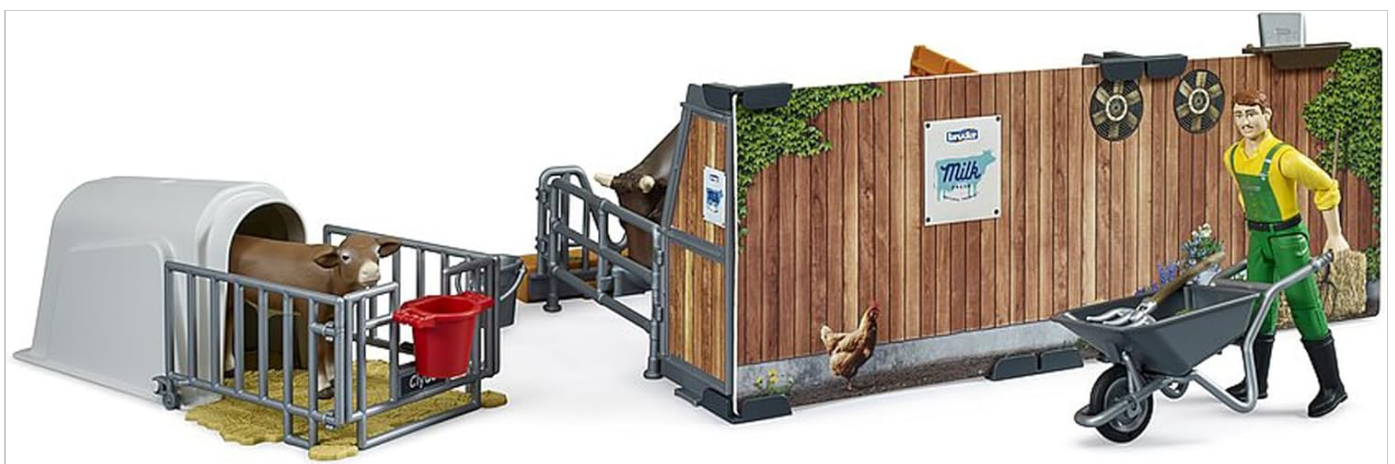

Image 5: The farmer figure pushing a wheelbarrow filled with tools, demonstrating typical farm work.

## 4. MAINTENANCE

To ensure the longevity and cleanliness of your Bruder bworld playset, follow these simple maintenance guidelines:

- **Cleaning:** Wipe down all plastic components with a damp cloth and mild soap if necessary. Avoid harsh chemicals or abrasive cleaners, as these can damage the plastic.

- **Drying:** Ensure all parts are thoroughly dry before storing to prevent any potential damage.
- **Storage:** Store the playset in a clean, dry environment away from direct sunlight and extreme temperatures to prevent material degradation.
- **Inspection:** Periodically inspect all parts for any signs of wear or damage. Replace any broken components if possible, or discontinue use if safety is compromised.

## 5. TROUBLESHOOTING

This playset is designed for durability and simple operation. Should you encounter any minor issues, consider the following:

- **Missing Components:** Verify all included components against the "Included Components" list in the Introduction section. If a part is genuinely missing upon unboxing, contact customer support.
- **Figures Not Standing:** Ensure figures are placed on a flat surface. Some figures may require slight adjustment to their stance for stability.
- **Difficulty Connecting Parts:** While assembly is minimal, if any parts feel stiff, ensure they are aligned correctly. Do not force connections.
