Instruction Manual

## 1. INTRODUCTION

---

Thank you for choosing the mDesign Lumiere Collection Stackable Storage Containers. These versatile and durable clear plastic drawer bins are designed to help you organize various items efficiently in your home. This manual provides essential information on the product's features, setup, usage, care, and specifications to ensure optimal performance and longevity.

## 2. PRODUCT OVERVIEW

---

The mDesign Lumiere Collection storage containers are crafted from durable clear plastic, allowing for easy visibility of contents. Each unit features two smooth-gliding pull-out drawers and is designed for stacking to maximize vertical storage space.

### 3. SETUP AND ASSEMBLY

---

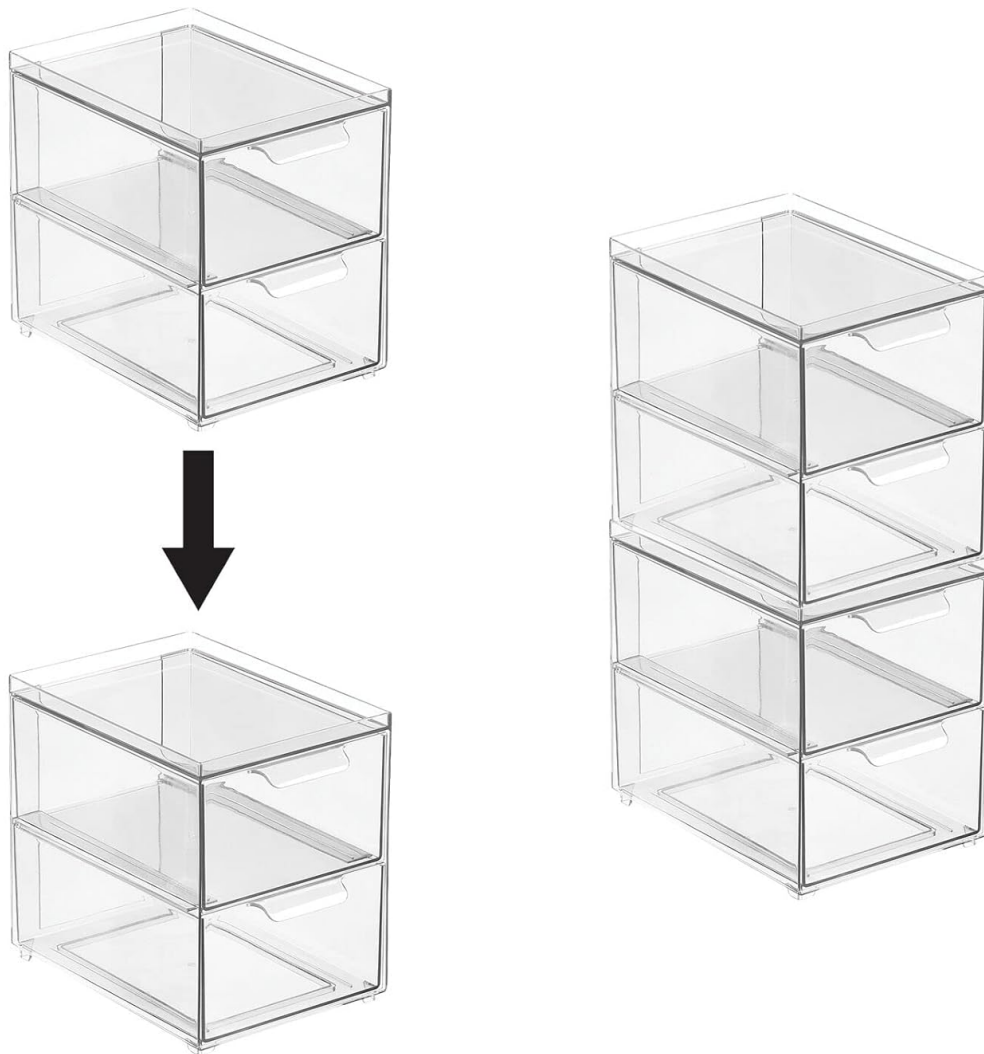

The mDesign Lumiere Collection Stackable Storage Containers require **no assembly**. They are ready to use right out of the box. Simply unpackage the units and place them in your desired location.

### 4. USAGE AND OPERATION

---

#### 4.1. Stacking

These containers are designed to be stackable, allowing you to create vertical storage solutions. To stack, simply place one container directly on top of another. The design ensures stability when stacked.

### 4.3. Versatile Storage Applications

These containers are highly versatile and can be used in various rooms and for different types of items. Their clear design makes it easy to identify contents quickly.

- **Bathroom:** Ideal for organizing medicine, bath and beauty products, accessories, hair ties, clips, brushes, combs, makeup palettes, cotton swabs, lotions, moisturizers, wipes, and small travel items.
- **Linen Closet:** Store extra supplies of bathroom basics, small towels, or other linen items.
- **Vanity/Makeup Table:** Keep makeup, skincare, and beauty tools neatly arranged.
- **Bedroom/Closet:** Organize accessories like scarves, belts, and hats.
- **Office/Craft Room:** Store office supplies, craft materials, or small tools.
- **Kitchen/Pantry:** Organize small packaged goods, spices, or other kitchen essentials.
- **Playroom/Garage:** Suitable for small toys, puzzles, games, or hardware.

To maintain the clarity and integrity of your mDesign storage containers, follow these care instructions:

- **Cleaning:** Clean the containers with mild soap and water. Use a soft cloth or sponge to wipe surfaces.
- **Drying:** Allow the containers to air dry completely or wipe with a clean, dry cloth.
- **Avoid Dishwasher:** Do not place the containers in a dishwasher, as high temperatures can cause warping or damage to the plastic.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, scouring pads, or harsh chemical solvents, as these can scratch or dull the plastic surface.

## 6. TROUBLESHOOTING

If you encounter any issues with your storage containers, consider the following:

- **Drawers sticking:** Ensure the drawers are properly aligned within their tracks. Check for any debris or obstructions that might be preventing smooth operation.
- **Units not stacking evenly:** Verify that the surfaces where the units are stacked are flat and level. Ensure no items are protruding from the top of a lower unit, which could interfere with stacking.
- **Cracks or damage:** If a unit is cracked or damaged, discontinue use to prevent injury or further breakage.
