MAINTENANCE

To ensure the longevity and appearance of your Greesum Patio Furniture Set, follow these simple maintenance guidelines:

- **Cleaning:** Wipe surfaces with a dry cloth to remove dust and debris. For deeper cleaning, use a mild soap and water solution with a soft brush or cloth. Rinse thoroughly and allow to air dry completely.
- **Fabric Care:** The Textilene fabric is water and UV resistant. For stubborn stains, a gentle fabric cleaner suitable for outdoor use can be applied. Avoid harsh chemicals or abrasive cleaners.
- **Frame Care:** The steel frame is powder-coated for rust resistance. Inspect the frame periodically for any signs of wear or rust. Touch up any scratches with appropriate outdoor paint to prevent corrosion.
- **Glass Tabletop:** Clean the tempered glass tabletop with a glass cleaner and a soft cloth. Avoid using abrasive materials that could scratch the surface.
- **Winter Storage:** In areas with harsh winters, it is recommended to store the furniture indoors or cover it with a waterproof outdoor furniture cover to protect it from extreme weather conditions.

TROUBLESHOOTING

If you encounter any issues with your Greesum Patio Furniture Set, please refer to the following common troubleshooting tips:

- **Wobbly Chairs/Table:**
Solution: Check all bolts and screws. Tighten any loose fasteners. Ensure the furniture is placed on a flat, even surface.
- **Fabric Sagging:**
Solution: Over time, fabric may stretch slightly. Ensure the fabric is properly secured in its frame. If sagging persists, contact customer support for possible solutions.
- **Rust Spots:**
Solution: While the frame is anti-corrosion, prolonged exposure to moisture or damage to the coating can cause rust. Clean the rust spot with a wire brush, apply a rust-inhibiting primer, and then touch up with outdoor-grade paint.
