PawHut D30-410

PawHut Cat Tree Climbing Scratching Post - Model D30-410

User Instruction Manual

Image: The PawHut Cat Tree, Model D30-410, featuring multiple levels, scratching posts, a cat house, and a top observation bed.

1. INTRODUCTION

Thank you for purchasing the PawHut Cat Tree Climbing Scratching Post, Model D30-410. This multi-level cat tree provides a dedicated space for your cat to play, climb, scratch, and rest. Designed with natural woven cattail and soft plush, it offers both comfort and durability. Please read this manual carefully before assembly and use to ensure proper installation and safe operation.

2. SAFETY INSTRUCTIONS

- Always assemble the cat tree on a flat, stable surface to prevent tipping.
- Ensure all screws and fasteners are tightened securely before allowing your cat to use the tree.
- Regularly check the stability of the cat tree and tighten any loose connections.
- Keep small children away from the cat tree during assembly and ensure they do not climb on it.
- Do not place the cat tree near open flames, heaters, or other heat sources.
- Inspect the cat tree periodically for any damaged parts. Discontinue use if damage is found and replace components as necessary.
- This product is designed for indoor use only.

3. PACKAGE CONTENTS

Before beginning assembly, please verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact PawHut customer service.

Image: The product is delivered in one package, as shown by the PawHut branded shipping box.

Your package should contain all necessary components for assembly, including:

- Baseboard(s)
- Scratching posts (woven cattail)
- Plush-covered posts/supports
- Cat house enclosure
- Top observation bed/basket
- Ladder
- Removable cushions (2)
- Hardware pack (screws, bolts, Allen key)
- Instruction manual (this document)

4. ASSEMBLY INSTRUCTIONS (SETUP)

Assembly is required for this cat tree. Please follow these steps carefully. It is recommended to have a second person

assist with assembly for easier handling and stability.

- 1. **Unpack and Identify Parts:** Lay out all components on a clean, soft surface. Refer to the parts list (if provided in the physical manual) to identify each piece.
- 2. **Attach Base:** Securely attach the main support posts to the baseboard using the provided hardware. Ensure the base is stable.
- 3. **Install Cat House:** Mount the cat house enclosure onto its designated support posts. Tighten all connections.
- 4. **Assemble Ladder:** Attach the ladder to the main structure as indicated in the diagram.
- 5. **Mount Top Bed:** Secure the top observation bed/basket to the highest support post.
- 6. **Add Cushions:** Place the removable cushions inside the cat house and the top bed for added comfort.
- 7. **Final Check:** Once assembled, gently shake the cat tree to ensure all connections are tight and the structure is stable.

5. OPERATING INSTRUCTIONS

The PawHut Cat Tree is designed to provide a stimulating and comfortable environment for your feline companion. Encourage your cat to explore the different features:

- **Scratching Posts:** The woven cattail posts are ideal for your cat to sharpen their claws, helping to protect your furniture.
- **Climbing and Exploration:** The multi-level design, including a ladder, allows your cat to satisfy their natural climbing instincts and explore different heights.
- **Resting Areas:** The cozy cat house and the comfortable top observation bed with soft cushions provide perfect spots for napping and relaxation.
- **Play:** Cats can engage in various activities, from hiding in the house to observing their surroundings from the elevated bed.

6. MAINTENANCE

Proper maintenance will extend the life of your PawHut Cat Tree.

- **Cleaning:** The cat tree should be dry cleaned only. Do not use liquid cleaners or immerse in water.
- **Cushions:** The two removable cushions can be detached for easier cleaning. Follow the care instructions on the cushion labels, typically spot cleaning or gentle hand washing.
- **Inspection:** Periodically check all connections and posts for wear and tear. Tighten any loose screws. Replace severely worn scratching posts if necessary to maintain functionality and safety.

7. TROUBLESHOOTING

If you encounter any issues with your cat tree, consider the following:

- **Instability:** Ensure all screws are fully tightened. Verify the cat tree is placed on a level surface.
- **Cat Not Using the Tree:**
 - Place the tree in a prominent area where your cat enjoys spending time.
 - Use catnip or treats to encourage exploration.
 - Play with your cat near the tree to associate it with positive experiences.
- **Worn Scratching Posts:** Over time, scratching posts will show wear. This is normal. If they become too worn, consider replacing the specific posts if available, or monitor your cat's scratching habits to ensure they still use the designated areas.
