## 6. MAINTENANCE

### 6.1 Cleaning the TV

To ensure the longevity and optimal performance of your TV, regular cleaning is recommended:

- **Screen:** Gently wipe the screen with a soft, lint-free cloth. For stubborn marks, dampen the cloth slightly with water or a specialized screen cleaner. Never spray cleaner directly onto the screen.
- **Cabinet:** Use a soft, dry cloth to wipe the TV cabinet. Avoid using abrasive cleaners or solvents.
- **Before Cleaning:** Always unplug the TV from the power outlet before cleaning.

### 6.2 General Care

- Avoid placing the TV in direct sunlight or near heat sources.
- Do not expose the TV to extreme temperatures or humidity.
- Protect the TV from dust by regularly dusting its surface.
- Do not place heavy objects on top of the TV.

## 7. TROUBLESHOOTING

If you encounter issues with your TV, refer to the following common problems and solutions before contacting support:

| Problem                    | Possible Cause / Solution                                                                                                                                                     |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| No Power                   | Ensure the power cable is securely plugged into the TV and the wall outlet. Check if the power outlet is working. Try pressing the power button on the TV itself.             |
| No Picture / No Sound      | Check the input source (HDMI, AV, TV) is correctly selected. Ensure external devices are powered on and connected properly. For sound, check volume levels and mute settings. |
| Poor Picture Quality       | Check antenna/cable connection. Adjust picture settings (brightness, contrast, sharpness) in the TV menu. Ensure the source content is high quality.                          |
| Remote Control Not Working | Check and replace batteries. Ensure there are no obstructions between the remote and the TV's IR sensor.                                                                      |

| Problem                   | Possible Cause / Solution                                                                                                                                 |
|---------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Cannot Connect to Wi-Fi   | Ensure Wi-Fi is enabled on the TV. Check your router is working and within range. Re-enter the Wi-Fi password. Try restarting both the TV and the router. |
| Smart TV Apps Not Loading | Check your internet connection. Try restarting the TV. Ensure the app is updated to the latest version. Clear app cache if available in settings.         |
