UPBRIGHT GP-200

UpBright AC/DC Adapter for GoPower GP-200 Portable Power Station

Model: GP-200

1. INTRODUCTION

This manual provides instructions for the safe and effective use of your UpBright AC/DC Adapter, designed for compatibility with the GoPower Go Power Plus GP-200 45000 mAh Emergency Portable Power Station. Please read this manual thoroughly before use and retain it for future reference.

Security Protection

Multiple professional protection, so that fast
Charge more safe

 Good heat Resistance	 VO-Grade Fire-Retardant	 Overcharge Protection
 Overvoltage Protection	 Overheat Protection	 Overcurrent Protection

An image showing the UpBright AC/DC adapter alongside the GoPower GP-200 portable power station, illustrating compatibility.

2. SAFETY INFORMATION

To ensure safe operation and prevent damage, observe the following safety precautions:

- **Over Voltage Output Protection (OVP):** The adapter is designed to prevent excessive voltage output, protecting your device from damage.
- **Over Current Output Protection (OCP):** This feature safeguards against excessive current flow, which can harm connected devices.
- **Short Circuit Output Protection (SCP):** The adapter includes protection against short circuits, preventing electrical hazards and damage.
- Do not expose the adapter to liquids or extreme temperatures.
- Do not disassemble or attempt to repair the adapter.
- Ensure the adapter is used with compatible devices only.

3. PACKAGE CONTENTS

Verify that your package contains the following item:

- 1 x UpBright AC/DC Adapter

A close-up view of the UpBright AC/DC adapter, highlighting its compact design and the barrel connector.

4. SETUP

Follow these steps to set up your UpBright AC/DC Adapter:

1. Locate the DC input port on your GoPower GP-200 Portable Power Station.
2. Connect the barrel connector of the UpBright AC/DC Adapter securely into the DC input port of the power station.
3. Plug the AC prongs of the adapter into a standard wall power outlet (100-240VAC, 50/60Hz).
4. Ensure all connections are firm before proceeding.

A comparison image showing the UpBright adapter's single-outlet design, which leaves adjacent outlets free, versus a typical charger that might block two outlets.

5. OPERATING INSTRUCTIONS

Once the adapter is connected as described in the Setup section:

1. The GoPower GP-200 Portable Power Station should begin charging automatically.
2. Refer to your GoPower GP-200 user manual for specific charging indicators and battery status information.
3. Disconnect the adapter from the power station and the wall outlet once charging is complete or when the power station is not in use.

6. MAINTENANCE

Proper maintenance ensures the longevity of your adapter:

- Keep the adapter clean and dry. Use a soft, dry cloth to wipe its surface.
- Avoid storing the adapter in areas with high humidity or extreme temperatures.
- Do not wrap the cable tightly around the adapter, as this can cause wire damage over time.
- Inspect the cable and connector regularly for any signs of wear or damage. If damage is observed, discontinue use.

7. TROUBLESHOOTING

If you encounter issues with your adapter, consider the following:

- **Adapter Not Charging:**
 - Ensure the adapter is securely plugged into both the wall outlet and the power station.
 - Verify that the wall outlet is functional by testing it with another device.
 - Check for any visible damage to the adapter's cable or connector.
- **Power Station Not Recognizing Adapter:**
 - Confirm that the adapter is the correct model for your GoPower GP-200.
 - Ensure the power station's input port is clean and free of debris.

If problems persist, contact customer support.

8. SPECIFICATIONS

Feature	Detail
Input Voltage	100-240VAC, 50/60Hz

Output Voltage	15V
Output Current	1 Amps
Protection Features	OVP, OCP, SCP
Product Dimensions	3 x 3 x 1 inches
Item Weight	3 ounces
Connector Type	Barrel Connector

9. WARRANTY AND SUPPORT

Your UpBright AC/DC Adapter comes with the following:

- **30-Day Refund Policy:** If you are not satisfied with the product, you may be eligible for a refund within 30 days of purchase.
- **24-Month Exchange Policy:** The product is covered by a 24-month exchange policy for manufacturing defects.

For technical support or warranty claims, please contact UpBright customer service through your retailer or the official UpBright website.
