COBI Historical Collection: World War II Citroen Traction 11CV BL Vehicle Instruction Manual

Model: 2266 | Brand: COBI

1. INTRODUCTION

Welcome to the COBI Historical Collection. This manual guides you through the assembly and features of your new Citroen Traction 11CV BL Vehicle building block set. Designed for enthusiasts and collectors, this model offers a detailed replica experience of a significant vehicle from World War II. Please read these instructions carefully before beginning assembly.

2. SETUP AND ASSEMBLY

Before you begin, ensure you have a clean, flat surface to work on. Organize your building blocks to easily identify pieces. The set includes a clear and intuitive manual with step-by-step directions based on drawings and icons.

Assembly Steps:

- Unpack Components:** Carefully open the packaging and sort the building blocks. Refer to the parts list in your included manual to ensure all components are present.
- Follow the Manual:** Adhere strictly to the illustrated, step-by-step instructions provided in the physical manual included with your set. Each step is designed to guide you through the construction process logically.
- Secure Connections:** Ensure each block is firmly connected to the next. Proper connection is crucial for the stability and integrity of the finished model.
- Movable Parts:** Pay close attention to the assembly of movable components, such as the doors, to ensure they function correctly after construction.
