HITHOS B09RF6V8JB

HITHOS Industrial Wood Floor Cabinet User Manual

Model: B09RF6V8JB

1. INTRODUCTION

Thank you for choosing the HITHOS Industrial Wood Floor Cabinet. This manual provides essential information for the safe assembly, operation, and maintenance of your new cabinet. Please read these instructions thoroughly before beginning assembly and retain them for future reference.

2. SAFETY INFORMATION

WARNING: Failure to follow these safety instructions may result in injury or damage to the product.

- Always ensure the cabinet is assembled correctly and the adjustable feet are properly adjusted to maintain stability.
- Do not attempt to move or use the cabinet until it is fully assembled and stable.
- Keep all small parts and packaging materials away from children and pets to prevent choking hazards.
- Do not overload shelves or compartments. Distribute weight evenly to prevent tipping.
- Use on a level surface only.

3. PACKAGE CONTENTS

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please

contact customer support.

- Wooden panels (top, bottom, sides, shelves, doors)
- Metal frame components
- Assembly hardware (screws, cam locks, dowels, hinges, handles)
- Adjustable feet
- Assembly tool (e.g., Allen wrench)
- Instruction manual

4. SETUP AND ASSEMBLY

Assembly is required for this product. While designed for straightforward assembly, having a second person may be beneficial, especially for aligning larger components and doors. Please follow the included step-by-step instructions carefully.

1. **Unpack and Identify Parts:** Lay out all components on a clean, soft surface to prevent scratches. Compare each part to the provided parts list in your separate assembly guide.
2. **Assemble Frame:** Begin by connecting the metal frame components as per the instructions. Ensure all connections are secure.
3. **Attach Panels:** Secure the wooden panels to the frame using the specified hardware. Do not overtighten screws.
4. **Install Shelves:** Insert shelves into their designated positions. Ensure they are level and securely seated.
5. **Attach Doors:** Install the door hinges onto the doors and then attach the doors to the cabinet frame. *Note: Some users have reported that hinge alignment can be challenging. Take your time and adjust as needed to ensure doors close properly.*
6. **Install Handles:** Attach the door handles.

7. **Adjust Feet:** Once assembled, place the cabinet in its desired location. Adjust the leveling feet at the bottom to ensure the cabinet is stable and level on uneven floors.

For detailed, visual assembly steps, refer to the separate assembly instruction booklet provided with your product.

5. OPERATING INSTRUCTIONS

The HITHOS Industrial Wood Floor Cabinet is designed for versatile storage in various rooms such as kitchens, living rooms, or dining areas. Its functionality is straightforward:

- **Storage:** Utilize the open shelves for frequently accessed items or decorative displays. The enclosed cabinet sections provide concealed storage for items you wish to keep out of sight.
- **Doors:** The cabinet features two doors. Gently open and close them using the handles. Avoid forcing the doors to prevent damage to hinges or the cabinet structure.
- **Weight Distribution:** When placing items on shelves or inside compartments, distribute the weight evenly. Avoid placing excessively heavy items on a single shelf or concentrating weight in one area.

Image 3: Cabinet showcasing its storage capacity with various items neatly organized.

6. MAINTENANCE

Proper care will ensure the longevity and appearance of your HITHOS cabinet.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners, harsh chemicals, or excessive moisture, as these can damage the wood finish and metal components.
- **Spills:** Clean up spills immediately to prevent staining or water damage to the wood.
- **Hardware:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary, but do not overtighten.
- **Environment:** Avoid placing the cabinet in direct sunlight or near heat sources, which can cause fading or warping. Maintain a stable room temperature and humidity.

Image 4: Close-up view of the cabinet's top surface, highlighting the wood texture and finish.

7. TROUBLESHOOTING

If you encounter issues with your cabinet, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Cabinet is wobbly or unstable.	Uneven floor; loose connections.	Adjust the leveling feet at the bottom of the cabinet. Ensure all assembly screws are tightened.
Doors do not align or close properly.	Hinges are not correctly installed or adjusted.	Carefully re-check hinge installation. Adjust hinge screws to align doors. This may require minor adjustments to achieve perfect alignment.
Missing parts or damaged components.	Packaging error or shipping damage.	Do not proceed with assembly. Contact HITHOS customer support immediately for replacement parts.

8. SPECIFICATIONS

Feature	Detail
Brand	HITHOS
Model Number	B09RF6V8JB
Color	Dark Brown
Material	Wood (panels), Metal (frame)
Product Dimensions (D x W x H)	13.8"D x 44.7"W x 29.9"H
Item Weight	45 Pounds
Number of Doors	2
