P'Kolino PKFFBRTBTNWHTGY

P'kolino Tent Twin Floor Bed (White Frame) Instruction Manual

Model: PKFFBRTBTNWHTGY

1. Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your P'kolino Tent Twin Floor Bed with White Frame. Please read all instructions carefully before assembly and use to ensure safe and proper functioning of the product. Keep this manual for future reference.

Important Safety Information

Always supervise children when they are using this product. Ensure the tent cover is securely attached to prevent entanglement or suffocation. Adult assembly is required; follow the instructions carefully to prevent instability or collapse. Do not leave children unattended while they are sleeping or playing in this product.

The P'kolino Tent Twin Floor Bed is designed to encourage independence and provide a safe sleeping area for children. It features an open-ended A-frame design and a removable, washable fabric cover.

2. Components List

Before beginning assembly, verify that all parts are present and undamaged. If any parts are missing or damaged, do not proceed with assembly. Contact P'kolino customer support for assistance.

Figure 2.1: All components should be laid out and checked before assembly.

- Wooden Frame Components (Pine Wood)
- Tent Fabric Cover (Grey)
- Hardware Pack (screws, bolts, Allen wrench)
- Instruction Manual

3. Setup and Assembly

Adult assembly is required. Follow these steps carefully to ensure proper and safe construction of the bed frame.

1. **Unpack and Identify Parts:** Lay out all wooden frame components, the tent fabric cover, and the hardware pack on a clean, flat surface. Refer to the components list to ensure all pieces are present.
2. **Assemble the Base Frame:** Connect the four base frame pieces using the provided hardware. Ensure all connections are secure and tightened appropriately.
3. **Attach the A-Frame Supports:** Securely attach the A-frame wooden supports to the assembled base frame using

the designated hardware. Ensure the A-frames are stable and upright.

Figure 3.1: Assembling the wooden frame components.

4. **Install the Tent Fabric Cover:** Drape the tent fabric cover over the A-frame structure. Align the openings and secure the cover to the frame using the integrated ties or fasteners. Ensure the cover is taut and evenly distributed.

Figure 3.2: Securing the tent fabric cover to the frame.

5. **Final Check:** Once assembled, gently shake the bed frame to ensure all connections are secure and the structure is stable.

4. Operating Instructions

The P'kolino Tent Twin Floor Bed is designed for use with a standard twin-size mattress (not included).

- **Mattress Placement:** Place a standard twin-size mattress directly onto the floor within the assembled bed frame. Ensure the mattress fits snugly within the frame without excessive gaps.
- **Tent Flap Usage:** The tent features front flaps that can be opened and tied back for an open play space or closed for a more private, enclosed area.

Figure 4.1: The tent flaps can be adjusted for open or closed configurations.

Figure 4.2: The bed provides a versatile space for sleeping and play.

5. Maintenance

Regular maintenance will help prolong the life of your P'kolino Tent Twin Floor Bed.

- **Fabric Cover Care:** The tent fabric cover is removable and washable. Refer to the care label on the fabric for specific washing instructions. Typically, machine wash cold on a gentle cycle and tumble dry low or air dry.
- **Frame Cleaning:** Wipe the wooden frame with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the wood finish.
- **Hardware Check:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten if necessary to maintain structural integrity.

6. Troubleshooting

If you encounter any issues with your P'kolino Tent Twin Floor Bed, refer to the following common problems and solutions:

- **Difficulty during Assembly:** Ensure all parts are correctly oriented according to the diagrams in the instruction manual. Do not overtighten screws until all components are loosely fitted, then tighten them progressively.
- **Bed Frame Instability:** Check that all hardware is securely tightened. Ensure the bed is placed on a flat, level surface. If the issue persists, disassemble and reassemble, paying close attention to each connection.
- **Damaged or Missing Parts:** Do not attempt to use the product with damaged or missing parts. Contact P'kolino customer support immediately for replacement parts.

7. Specifications

Feature	Detail
