HUAWEI T0004

HUAWEI FreeBuds Lipstick User Manual

Model: T0004

INTRODUCTION

Welcome to the user manual for your HUAWEI FreeBuds Lipstick Wireless Headphones. These headphones combine advanced audio technology with a unique, stylish design, offering a premium listening experience. This manual provides essential information on setting up, operating, maintaining, and troubleshooting your device to ensure optimal performance and longevity.

Image: The HUAWEI FreeBuds Lipstick charging case, designed to resemble a lipstick, with one red earbud partially visible, showcasing its unique aesthetic.

Setup and First Use

Follow these steps to set up your HUAWEI FreeBuds Lipstick for the first time:

1. **Unboxing and Initial Charge:** Carefully unbox your FreeBuds Lipstick. It is recommended to fully charge the charging case and earbuds before first use. Connect the charging case to a power source using the provided USB-C cable or place it on a wireless charging pad.
2. **Power On:** Open the charging case. The earbuds will automatically power on.
3. **Pairing Mode:** With the earbuds in the charging case, press and hold the function button on the side of the charging case for 2 seconds until the indicator light flashes white. This indicates the earbuds are in pairing mode.
4. **Connect to Device:** On your smartphone or device, go to Bluetooth settings and select "HUAWEI FreeBuds Lipstick" from the list of available devices to connect.
5. **Fit and Comfort:** Gently insert the earbuds into your ears. Adjust them slightly to ensure a comfortable and secure fit for optimal sound quality and noise cancellation.

Operating Your FreeBuds Lipstick

Touch Controls

The HUAWEI FreeBuds Lipstick feature intuitive touch controls on each earbud. You can customize these controls using the HUAWEI AI Life app.

- **Double-tap:** Play/pause music, answer/end calls.
- **Swipe up/down:** Adjust volume.
- **Long press:** Toggle Noise Cancellation (ANC) or Awareness mode.

Battery Life and Charging

Your FreeBuds Lipstick offer extended listening times:

- Up to 22 hours of music playback with ANC disabled (with charging case).
- Up to 14 hours of music playback with ANC enabled (with charging case).

To charge, simply place the earbuds back into the charging case. The case supports both USB-C wired charging and wireless charging.

HUAWEI AI Life App

Download the HUAWEI AI Life app to unlock the full potential of your FreeBuds Lipstick. The app allows you to:

- Customize touch controls.
- Check battery levels.
- Update firmware.
- Access sound effects and equalizer settings.

Maintenance and Care

Proper care ensures the longevity and performance of your FreeBuds Lipstick:

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Avoid using abrasive materials or harsh chemicals. Gently remove any earwax or debris from the earbud grilles using a small, soft brush.
- **Storage:** When not in use, always store the earbuds in their charging case to protect them from dust, dirt, and physical damage.
- **Temperature:** Avoid exposing the device to extreme temperatures (hot or cold) or high humidity, as this can damage the battery and internal components.
- **Liquid Exposure:** The earbuds are not waterproof. Avoid contact with liquids.

Troubleshooting

If you encounter issues with your FreeBuds Lipstick, try the following solutions:

Connectivity Issues

- **Earbuds not connecting:** Ensure both earbuds are in the charging case and the case has sufficient battery. Take them out and try reconnecting.
- **Bluetooth not pairing:** Make sure Bluetooth is enabled on your device. Place the earbuds in pairing mode (hold function button on case for 2 seconds). If issues persist, try forgetting the device on your phone and re-pairing.
- **Intermittent connection:** Ensure there are no major obstructions between your device and the earbuds. Move closer to your device.

Charging Issues

- **Earbuds not charging:** Ensure the earbuds are correctly seated in the charging case. Check for any debris blocking the charging contacts.
- **Case not charging:** Try a different USB-C cable or power adapter. Ensure the charging port is clean. If using wireless charging, ensure the case is properly aligned on the charging pad.

Sound Quality Issues

- **Low volume or distorted sound:** Clean the earbud grilles. Ensure the earbuds are properly seated in your ears. Check your device's volume settings.
- **Noise Cancellation not effective:** Ensure the earbuds are properly sealed in your ears. Update firmware via the AI Life app.

Resetting the Earbuds

If problems persist, you can perform a factory reset:

1. Place both earbuds in the charging case.
2. Keep the case lid open.
3. Press and hold the function button on the case for 10 seconds until the indicator light flashes red, then white. This indicates a successful reset.

Product Specifications

Feature	Specification
Brand	HUAWEI
Model Number	T0004
ASIN	B09RKL2BMP
Connectivity	Bluetooth 5.2
Ear Placement	In Ear
Form Factor	In Ear
Color	Red
Impedance	140 Ohm

Feature	Specification
Battery Type	Lithium Ion (included)
Product Dimensions	12 x 12 x 5.2 cm
Item Weight	250 g
Manufacturer	HUAWEI
