KAWADA NAN22404

KAWADA nanoblock Peanuts Snoopy House Building Kit

Model: NAN22404

Introduction

This manual provides instructions for assembling the KAWADA nanoblock Peanuts Snoopy House Character Collection Series Building Kit. This kit allows you to construct a detailed miniature model of Snoopy's iconic house, featuring Snoopy and Woodstock. The model consists of 330 pieces and is designed for builders aged 15 and up, with a difficulty rating of Level 3 out of 5.
Please read all instructions carefully before beginning assembly.

Safety Information

WARNING: CHOKING HAZARD - Small Parts.
This product contains small parts and is not suitable for children under 3 years of age. Keep all small pieces away from young children and pets to prevent accidental ingestion.
Adult supervision is recommended during assembly, especially for younger builders within the recommended age range.

What's Included

Your nanoblock Peanuts Snoopy House kit includes:

- 330 nanoblock pieces required for the Snoopy House model.
- Detailed step-by-step instruction manual.

Image: Contents of the nanoblock Snoopy House kit, including various colored blocks, a green baseplate, and a pair of nanoblock tweezers.

Assembly Instructions

Follow the detailed, illustrated instructions provided in your kit. The general assembly process involves:

1. **Preparation:** Open the packaging and carefully sort the nanoblock pieces by color and size. This will make the building process easier.
2. **Starting the Base:** Begin by constructing the base of the Snoopy House model as indicated in the instruction manual. Ensure the foundation is stable.
3. **Layer by Layer Construction:** Nanoblock models are built layer by layer. Follow the diagrams precisely, placing each block in its designated position. Pay close attention to the orientation of the blocks.
4. **Attaching Details:** As you build, attach smaller details such as Snoopy, Woodstock, the mailbox, and the food bowl according to the instructions.
5. **Final Review:** Once all pieces are assembled, review your model against the final image in the manual to ensure all parts are correctly placed and secured.

Display and Use

The nanoblock Snoopy House is designed as a display model. Once assembled, place it on a flat, stable surface where it can be admired. It is suitable for display on desks, shelves, or in display cases.
While durable, nanoblock models are not intended for rough play. Handle with care to prevent pieces from detaching.

Care and Cleaning

To maintain the appearance of your nanoblock model:

- **Dusting:** Gently dust the model with a soft brush or a can of compressed air to remove accumulated dust.
- **Cleaning:** For more thorough cleaning, carefully wipe the blocks with a slightly damp cloth. Avoid using harsh chemicals or abrasive materials, as these can damage the plastic.
- **Storage:** If disassembling for storage, keep all pieces in a sealed container to prevent loss and protect them from dust.

Troubleshooting

Issue	Solution
Missing pieces	Carefully check the packaging and surrounding area. If pieces are genuinely missing, contact KAWADA customer support (see Warranty & Support section).
Difficulty connecting blocks	Ensure blocks are correctly aligned. Apply gentle, even pressure. Nanoblocks are small and require precision. Using tweezers (if available) can assist.
Model is unstable	Double-check all connections, especially the base layers. Ensure blocks are fully seated and locked into place. Refer to the instruction manual for correct placement.

Product Specifications

Brand: KAWADA

Model Number: NAN22404

Product Name: nanoblock Peanuts Snoopy House, Character Collection Series Building Kit

Number of Pieces: 330

Assembled Dimensions: Approximately 3.07 inches (height)

Item Weight: 3.98 ounces
