1. INTRODUCTION

Welcome to the user manual for your new Borofone BE52 Bluetooth Sports Earphones. This manual provides detailed instructions on how to set up, operate, and maintain your earphones to ensure optimal performance and longevity. Please read this manual thoroughly before using the product.

2. PACKAGE CONTENTS

Please check the package for the following items:

- Borofone BE52 Bluetooth Sports Earphones
- USB Charging Cable
- User Manual
- (Potentially) Different sized ear tips

3. PRODUCT OVERVIEW

The Borofone BE52 earphones feature a neckband design for secure wear during sports and activities. They are equipped with in-ear earbuds for sound isolation and a control module for easy operation.

Figure 3.1: Front view of the Borofone BE52 Bluetooth Sports Earphones, showcasing the neckband and in-ear design.

Components:

- **Earbuds:** Designed for comfortable in-ear fit and sound isolation.
- **Neckband:** Flexible band that rests around the neck, connecting the two earbuds and housing the main electronics.
- **Control Module:** Located on the neckband, typically includes power button, volume controls, and multi-function

button.

- **Microphone:** Integrated for hands-free calling.
- **Charging Port:** For connecting the USB charging cable.
- **LED Indicator:** Displays power status, pairing mode, and charging status.

4. SETUP

4.1 Charging the Earphones

Before first use, fully charge your Borofone BE52 earphones.

1. Connect the small end of the USB charging cable to the charging port on the earphone's control module.
2. Connect the larger end of the USB cable to a USB power adapter (not included) or a computer's USB port.
3. The LED indicator will typically show a solid red light during charging and turn off or change color (e.g., blue) when fully charged.
4. Charging time is approximately 1-2 hours.

4.2 Bluetooth Pairing

To connect your earphones to a device (e.g., smartphone, tablet), follow these steps:

1. Ensure the earphones are turned off.
2. Press and hold the Multi-function Button (usually the power button) for approximately 5-7 seconds until the LED indicator flashes red and blue alternately. This indicates pairing mode.
3. On your device, enable Bluetooth and search for available devices.
4. Select "Borofone BE52" from the list of found devices.
5. Once connected, the LED indicator on the earphones will typically flash blue slowly or turn off.
6. If prompted for a password, enter "0000".

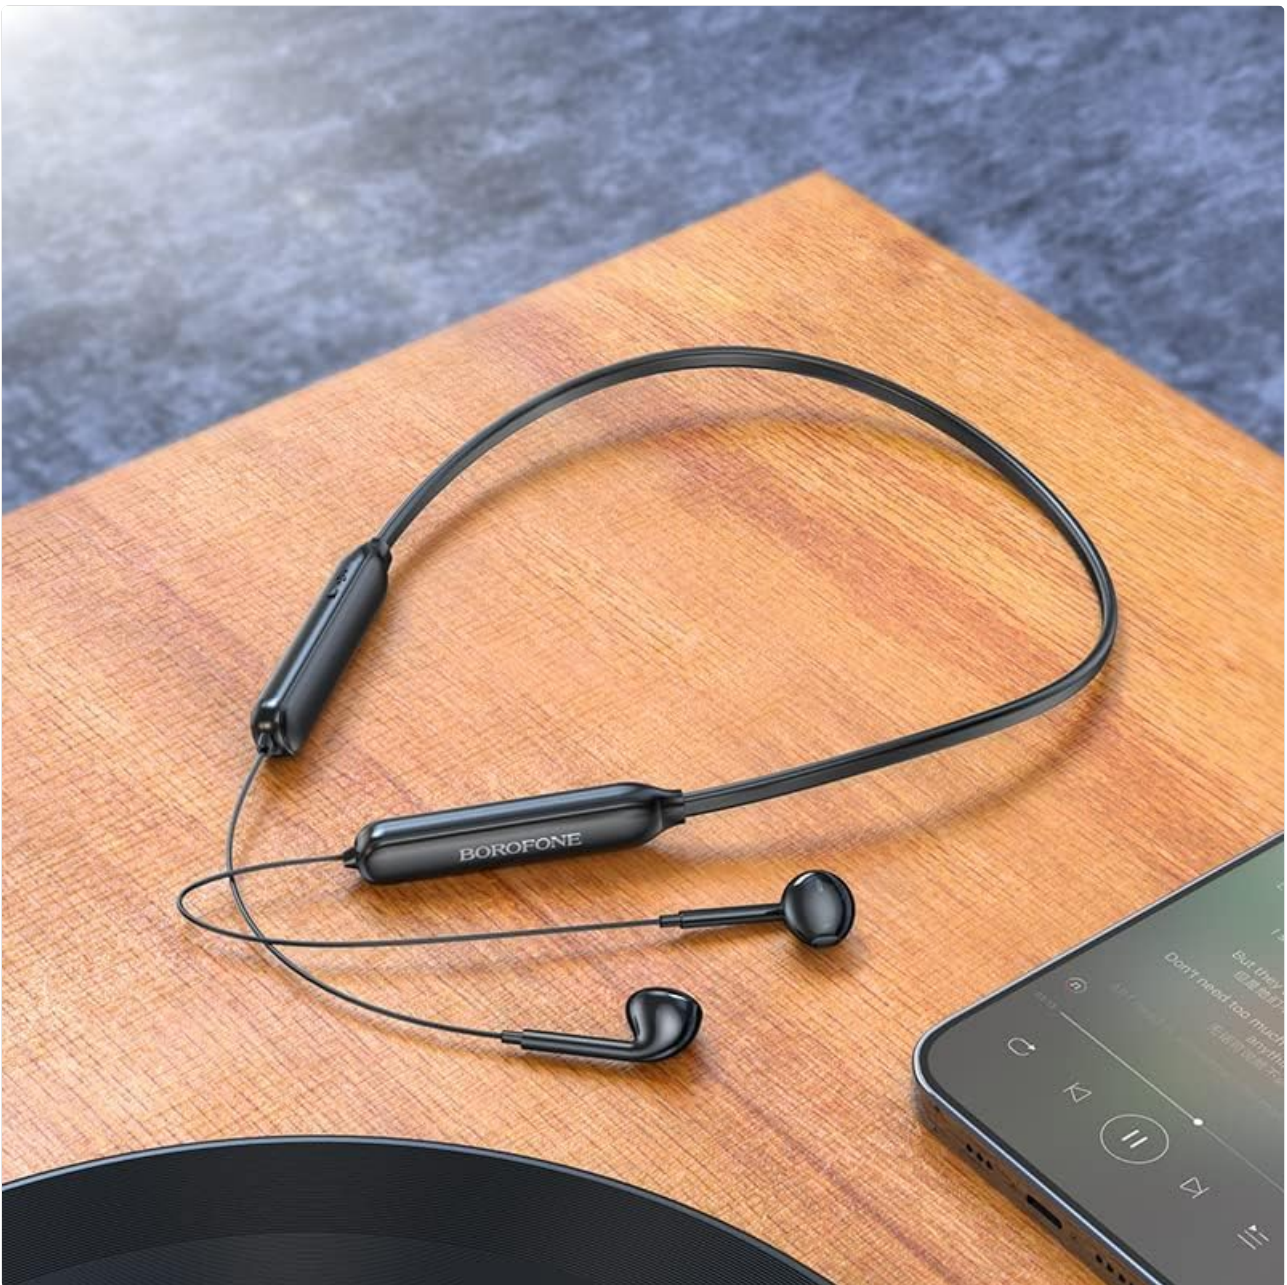

Figure 4.1: The Borofone BE52 earphones resting on a wooden surface next to a smartphone, illustrating a typical usage scenario after successful pairing.

5. OPERATING INSTRUCTIONS

5.1 Power On/Off

- **Power On:** Press and hold the Multi-function Button for about 3 seconds until the blue LED flashes and you hear a power-on prompt.
- **Power Off:** Press and hold the Multi-function Button for about 3-4 seconds until the red LED flashes and you hear a power-off prompt.

5.2 Music Playback

- **Play/Pause:** Press the Multi-function Button once.
- **Volume Up:** Press the "+" button.
- **Volume Down:** Press the "-" button.
- **Next Track:** Press and hold the "+" button.
- **Previous Track:** Press and hold the "-" button.

5.3 Call Management

- **Answer/End Call:** Press the Multi-function Button once during an incoming call or during an active call.
- **Reject Call:** Press and hold the Multi-function Button for about 2 seconds during an incoming call.
- **Redial Last Number:** Double-press the Multi-function Button.

6. MAINTENANCE

Proper care will extend the life of your earphones.

- **Cleaning:** Use a soft, dry cloth to wipe the earphones. Do not use harsh chemicals or abrasive materials.
- **Storage:** Store the earphones in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To preserve battery life, charge the earphones regularly, even if not in frequent use. Avoid fully discharging the battery for extended periods.
- **Water Resistance:** While suitable for sports, these earphones are not fully waterproof. Avoid submerging them in water or exposing them to heavy rain.

7. TROUBLESHOOTING

If you encounter issues with your earphones, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Earphones do not power on.	Low battery.	Charge the earphones fully.
Cannot pair with device.	Earphones not in pairing mode; Bluetooth off on device; device too far.	Ensure earphones are in pairing mode (flashing red/blue). Turn on Bluetooth on your device. Move earphones closer to the device (within 10 meters).
No sound or low volume.	Volume too low; earphones not connected; incorrect audio output.	Increase volume on both earphones and connected device. Re-pair the earphones. Check audio output settings on your device.
Intermittent connection.	Interference; device too far; low battery.	Move away from sources of interference (Wi-Fi routers, other Bluetooth devices). Keep earphones within range. Charge the earphones.

If the problem persists, please contact customer support.

8. SPECIFICATIONS
