## SAFETY INFORMATION

Please read and adhere to the following safety guidelines to ensure a safe and enjoyable experience:

- Batteries are not removable.
- Do not let any parts of the set get wet.
- Do not wrestle other players.
- Do not play in complete darkness.
- Do not play in wet or slippery conditions.
- Responsible adult supervision is required when young children are playing.
- **Choking Hazard:** Small parts may be present. Not suitable for children under 3 years.
- The system uses child-safe infrared emission and not laser rays.

## WHAT'S INCLUDED

Your Squad Hero Laser Tag set includes the following items:

- 4 Blasters & Vest Sensors
- Charging Cable

## SETUP

### 1. Charging the Gear

Before first use, ensure all blasters and vests are fully charged. The set includes a charging cable that allows you to charge multiple units simultaneously.

- Connect the charging cable to a USB power source (not included).
- Plug the individual charging connectors into each blaster and vest.
- A red light indicates charging; a green light indicates fully charged.
- Charging time is approximately 1-2 hours.
- A full charge provides enough power for approximately 8 games (30 minutes per game).

### 2. Wearing the Gear

Each vest is designed for comfort and adjustability, suitable for various player sizes.

- Place the vest over your head, ensuring the sensor unit rests on your chest.
- Adjust the waist straps for a snug but comfortable fit.
- The blaster is wired to the vest, ensuring seamless communication during gameplay.

## FEATURES & FUNCTIONS

---

The Squad Hero Laser Tag set is equipped with advanced features for an immersive experience:

- **Rechargeable Gear:** No need for disposable batteries. All blasters and vests are fully rechargeable via the included charging cable.
- **Fully Synced System:** Blasters and vests are wired together, ensuring instant synchronization of lives and team data without complex pairing.
- **Multi-Zone Targets:** Players can be hit on two target zones: the chest sensor on the vest and the front tip of the blaster.
- **Two Weapon Modes:** Switch between Pistol mode (single shots) and Automatic mode (continuous firing) for varied gameplay.
- **Stealth Mode:** Activate Stealth Mode to turn off all lights and sounds, providing a tactical advantage for covert operations.
- **Team or Solo Play:** Organize games with up to 4 teams (Blue, Red, Yellow, Green) or engage in solo battles where every player is an individual team.
- **Extended Range:** Enjoy gameplay with an impressive range of up to 150 feet (45 meters), suitable for both indoor and outdoor environments.
- **Expandable System:** All Squad Hero LightForce Laser Tag sets are compatible, allowing you to add unlimited blasters and vests to expand your game.

- **Safe Technology:** The blasters use child-safe infrared emission, not actual laser rays, ensuring safety during play.

## OPERATING INSTRUCTIONS

---

### 1. Powering On and Mode Selection

- Locate the power slider on the blaster.
- Slide the power switch to the 'ON' position. The blaster will light up and prompt you to select a team.
- Use the team selector button to cycle through the available team colors (Blue, Red, Yellow, Green) or select Solo mode.

### 2. Gameplay

- **Firing:** Aim your blaster at an opponent's target zone (vest or gun tip) and pull the trigger to fire.
- **Reloading:** If your blaster runs out of ammo, press the reload button to replenish your shots.
- **Lives Indicator:** The lights on your blaster and vest indicate your remaining lives. Each light represents a life. When hit, a light will turn off.
- **Elimination:** When all your lives are depleted, your blaster will announce 'Game Over', and you will be out of the game until the next round.

## MAINTENANCE

---

- **Cleaning:** Wipe down blasters and vests with a dry, soft cloth. Do not use harsh chemicals or immerse in water.
- **Storage:** Store the laser tag set in a cool, dry place away from direct sunlight when not in use. The included bags can be used for organized storage.
- **Battery Care:** Ensure the units are fully charged before long-term storage to maintain battery health.

## TROUBLESHOOTING

---

If you encounter any issues with your Squad Hero Laser Tag set, please consider the following:

- **Unit not powering on:** Ensure the unit is fully charged. Check the power switch position.
- **Difficulty hitting targets:** Ensure you are within the 150-foot range. Environmental factors like bright sunlight can affect infrared signal strength.
- **No sound/lights:** Check if Stealth Mode is activated.
