Lisciani 92727 Montessori Baby Box Play Family Educational Game Instruction Manual

Model: 92727

1. INTRODUCTION

The Lisciani Montessori Baby Box Play Family is an educational game designed for children from 2 years of age. This tactile game encourages sensory exploration and cognitive development through matching animal families. It features a special tactile box from which cheerful animal families can be drawn and placed into their corresponding folders.

2. SAFETY INFORMATION

Important Safety Guidelines:

- Compliant with the latest safety regulations.
- Read the warnings on the packaging before use.
- This product does not require batteries.
- Adult supervision is recommended during play, especially for younger children.
- Inspect all components regularly for damage. Discontinue use if any part is broken or damaged.

3. PACKAGE CONTENTS

Upon opening the Lisciani Montessori Baby Box Play Family, please ensure all the following components are present:

- 1x Tactile Box (main game box)
- Multiple animal family puzzle pieces (various animals and their babies)
- Multiple folder-style puzzle boards for matching

Image 1: Product Packaging. This image displays the complete Lisciani Montessori Baby Box Play Family product in its retail packaging, highlighting the "Montessori Baby" and "Box Play Family" branding, along with illustrations of the animal characters included in the game.

Image 2: Box Contents and Dimensions. This image shows the open game box with some puzzle pieces visible inside, alongside a separate puzzle board featuring ducks. Dimensions of the box (19.5 cm x 62 cm x 7 cm) are indicated, providing a clear idea of the product's size and internal layout.

4. SETUP

- 1. Unpack the Game:** Carefully remove all components from the product packaging.
- 2. Inspect Components:** Check all puzzle pieces and boards for any manufacturing defects or damage.
- 3. Prepare the Play Area:** Choose a clean, flat surface for playing. Ensure there is enough space for the child to comfortably interact with the game components.
- 4. Separate Pieces:** Separate the individual animal family puzzle pieces from the larger folder-style boards.

5. OPERATING INSTRUCTIONS (How to Play)

The Montessori Baby Box Play Family game is designed to help children develop tactile recognition, fine motor skills, and logical association. Here's how to play:

- 1. Introduce the Animals:** Show the child the different animal family puzzle pieces and the corresponding folder boards. Name the animals and their babies.
- 2. Tactile Exploration:** Encourage the child to reach into the tactile box and feel for the animal pieces without

looking. This enhances sensory development.

3. **Matching Activity:** Once a piece is drawn from the box, guide the child to identify the animal and find its matching "folder" board. The goal is to place each animal piece into its correct cutout on the board, completing the animal family scene.
4. **Discussion and Learning:** As the child plays, engage them in conversation about the animals, their sounds, where they live, and the concept of families.
5. **Varying Difficulty:** For younger children, start with fewer pieces or boards. As they develop, introduce more pieces and encourage independent play.

Image 3: Squirrel Puzzle Example. This image illustrates one of the puzzle boards featuring a squirrel family. It shows how the individual squirrel pieces fit into the designated cutouts on the board, demonstrating the matching aspect of the game.

Image 4: Child Playing with Pieces. A child's hand is shown placing an animal puzzle piece into the game box, demonstrating the tactile interaction and engagement with the game components during play.

6. MAINTENANCE

Proper care will ensure the longevity of your Lisciani Montessori Baby Box Play Family game:

- **Cleaning:** Wipe all game components with a soft, damp cloth. Do not immerse in water. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store all pieces back in the tactile box after play. Keep the game in a cool, dry place away from direct sunlight and extreme temperatures.
- **Inspection:** Periodically check for any signs of wear and tear, such as chipped paint or damaged edges.

¡Llévatelo a cualquier parte!

Take it anywhere!

Image 5: Portable Box. This image highlights the portability of the game box, featuring a handle, making it easy to transport and store the game components.

7. TROUBLESHOOTING

If you encounter any issues with your Lisciani Montessori Baby Box Play Family, refer to the following common solutions:

- **Pieces don't fit:** Ensure the child is attempting to match the correct animal piece with its corresponding board cutout. Some pieces may have similar shapes but belong to different families.
- **Child loses interest:** Try introducing fewer pieces at a time, or guide the child more actively through the matching process. Make it a collaborative activity.
- **Missing pieces:** Carefully check the entire play area and inside the box. If pieces are genuinely missing upon unboxing, contact customer support.
